

A Prophetic Message to the American Church

Written on August 21, 2018 at 5:53 PM and edited on August 27, 2018 at 11:16 pm for a specific church in Kansas and edited on September 02, 2018 at 1:13 pm for the American Church and His Kingdom Prophecy

Dear Church of America,

The last prophetic message I wrote was written about a year ago on September 15, 2017 and before that was back in April of 2016. There were a series of prophecies written over the years, and this is the sixth of the series.

In the last prophetic message I wrote to a church in Kansas that I have connections with, I made a call to repentance in amidst a threat of war (North Korea's threats to send missiles to the US), wildfires (devastating wildfires in California) and hurricanes (Maria, Jose, etc.). I believe it is not a coincidence that the turn of events in the last year (2017-2018) took a dramatic turn when North Korea's Supreme Leader Kim Jung Un agreed to cooperate with the Trump Administration, whilst Trump also agreed to a summit between the two leaders in Singapore. The LORD heard the prayers of those who repented after listening to the message and extended His mercy upon us all because of the prayers of these righteous people, just like the way it was with the Ninevites upon listening to (Jonah 3:1-10) Jonah's warning and prophecy .

This time the LORD has brought to my attention of the fact that God has a plan for the American Church. And this plan is yet to be culminated to further glorify the beauty of the love of Jesus Christ, our High Priest who is seated on the Throne at the Right Hand of God (Hebrews 8:1, ACTS 7:55–56; ROMANS 8:34; EPHESIANS 1:20; COLOSSIANS 3:1; HEBREWS 1:3; HEBREWS 10:12).

When the Book of Revelation was written, the author focused God's affirmations for the churches before giving them the criticisms and ultimatums, followed by promises if reward for those who obeyed. For example: (Revelation 3:7-13)

7 "And to the [e]angel of the church in Philadelphia write,

'These things says He who is holy, He who is true, "He who has the key of David, He who opens and no one shuts, and shuts and no one opens": 8 "I know your works. See, I have set before you an open door, [f]and no one can shut it; for you have a little strength, have kept My word, and have not denied My name. 9 Indeed I will make *those* of the synagogue of Satan, who say they are Jews and are not, but lie—indeed I will make them come and worship before your feet, and to know that I have loved you. 10 Because you have kept [g]My command to persevere, I also will keep you from the hour of trial which shall come upon the whole world, to test those who dwell on the

earth. **11** ^[h]Behold, I am coming quickly! Hold fast what you have, that no one may take your crown. **12** He who overcomes, I will make him a pillar in the temple of My God, and he shall go out no more. I will write on him the name of My God and the name of the city of My God, the New Jerusalem, which comes down out of heaven from My God. And *I will write on him My new name.*

13 "He who has an ear, let him hear what the Spirit says to the churches."

For the American Church, God's affirmations would be:

"You are steadfast on your values and faith, especially on issues that deprave marriage such as heresies, abortion, divorce, infidelity, parenthood, and other sins that violate human rights and civil rights. You are steadfast to hold on to the biblical perspective in these issues, and held on to the core values of faith. You are strong and mighty. You are righteous in the sense that you are faithful to be steadfast in these areas."

And God's criticism would be:

"However, there's a lack of mercy and grace amongst My people in the American Church. There's no mercy for the poor, the needy, those who are seeking redemption and for immigrants.

Laws enacted by the Congress and Senate can be unjust and unfair, just like abortion laws. Laws that discriminate people of certain origins despite their ability to pay for legal counsel and legal processes are unfair and unjust. This means there is a lot of things wrong with the heart of the church if it finds it humane to allow children to be separated from both of their parents, without decent education, clothing, food, and medical care. It is not the children's fault that their parents brought them to the US, and it is not outside of MY knowledge and power that their parents came to the US.

When I chose Joshua to lead the Israelite army to cross the Jordan over to Canaanite lands, I specifically said:

""Moses My servant is dead. Now therefore, arise, go over this Jordan, you and all this people, to the land which I am giving to them—the children of Israel. **3** Every place that the sole of your foot will tread upon I have given you, as I said to Moses. **4** From the wilderness and this Lebanon as far as the great river, the River Euphrates, all the land of the Hittites, and to the Great Sea toward the going down of the sun, shall be your territory. **5** No man shall *be able to* stand before you all the days of your life; as I was with Moses, so I will be with you. I will not leave you nor forsake you. **6** Be strong and of good courage, for to this people you shall ^[a]divide as an inheritance the land which I swore to their fathers to give them. **7** Only be strong and very courageous, that you may observe to do according to all the law which Moses My servant commanded you; do not turn from it to the right hand or to the left, that you may ^[b]prosper wherever you go. **8** This Book of the Law shall not depart from your mouth, but you^[c] shall meditate in it day and night, that you may observe to do

according to all that is written in it. For then you will make your way prosperous, and then you will have good success. **9** Have I not commanded you? Be strong and of good courage; do not be afraid, nor be dismayed, for the Lord your God *is* with you wherever you go.”

And to Moses and the Israelites, I said:

“**4** After the Lord your God has driven them out before you, do not say to yourself, “The Lord has brought me here to take possession of this land because of my righteousness.” No, it is on account of the wickedness of these nations that the Lord is going to drive them out before you. **5** It is not because of your righteousness or your integrity that you are going in to take possession of their land; but on account of the wickedness of these nations, the Lord your God will drive them out before you, to accomplish what he swore to your fathers, to Abraham, Isaac and Jacob.**6** Understand, then, that it is not because of your righteousness that the Lord your God is giving you this good land to possess, for you are a stiff-necked people.”

I would like to remind you that your problems today that you are facing right now is nothing, nothing compared to problems what My people are facing outside your borders. They are facing severe persecution, severe violence, severe humiliation and for most extreme poverty. I know very well that you still have homes, despite your mortgages. You still have your kids with you, going to private schools and peaceful public schools, homeschooling and other safe and fully equipped institutions and in the safety of peace and not in amidst a war. Just in case you forgot or thought that I didn't know or I didn't care, I do care and I know and I am alive and well.

America is a peaceful and wealthy nation for a reason, and that reason was because it was a nation found and dedicated for my work and therefore had My blessing. All of the other nations are not necessarily more wicked, but they were steeped with blasphemy and idolatry in their foundations.

Now that the nation is wealthy and peaceful I have stewarded a lot of wealth in this nation for one reason and one reason only: to glorify Me, for I AM who I AM, and for the glory of My Son, Jesus Christ, the Lamb Who Was Slain, and for the glory of My Holy Spirit.

Glorifying Me, included taking care of your families, supplying them with food, vacations, shelter, clothing, cars, electricity, internet, water, opportunities for sports and extracurricular activities, but it does not stop there.

Where are you when your fellow American is homeless or when your PTSD veteran needs help? What were you doing when an orphaned child living in a shelter needs a home? How much do you think of the trafficked or exploited young women and children at the hands of human traffickers? What have you done for the poor and the families of prisoners? What about the prisoners? What about those who are facing mental illness? Where are you? What have you been busy with?

Yes, of course, debt. The excuse is debt.

Have you noticed, that sometimes after you have worked hard and tried real hard to get out of debt, you find yourself nowhere nearly done with debt and maybe even more debt? And those of you without debt, you find yourself in a cycle of 'saving never enough'?

Now, I have a solution for you:

Economics, is just as good as physics. They are principles and models written out by humans to understand patterns and predict outcomes.

As My Son has walked on water and calmed a storm, so can I bring miracles in finances and economics.

Listen carefully to what I AM saying:

Care for the groups above according to what is best for them and not because of economics. And I will take care of economics going through you.

You might argue, "Wait, if you, God, can take care of economics through me, why not through them directly?"

That's a logical and reasonable argument, but the point of stewardship through you is so they may be taken cared of spiritually foremost as well as financially and physically. If I bring them blessing to them directly, the channels that I would have to use would be liberal, godless donors who do not care about My Son and what the Cross has done. But if it is through My people, My Name shall be glorified and the love of Christ shall be proclaimed through the hands that provide love and care to those in need.

In fact, because I love them all the same and they cry to me for food and provision, I have given them through these means and they have lost the opportunity to hear from My people - those who call themselves followers of Jesus. And they concluded in their blindness that God doesn't provide but the government does. And therefore they believe the government is the best steward of economics.

The fight for socialism is not coincidental nor without reason. It is because my people have hoarded too much and believe the poor are lazy while in reality and truth is that my people are blessed and are in my grace of abundance. Look at Adam, didn't I say in Genesis, that he would have to toil very hard? But what did I do for the Israelites in Exodus? Did I not provide manna from Heaven just enough for everyone? Meaning that by a man's own standing, man would have to toil very hard for their living, but by MY EVERLASTING GRACE, I shall provide abundance.

The ones who gathered little do not gather too little and the ones who gathered much did not gather too much. In the same way, no matter how much work, effort, strategy, brilliance, leverage, networking, etc. what you are stewarded with in the end is within MY SOVEREIGN WILL, yes, even for Jeff Bezos, even for Zuckerberg, even for Gates. I know their hearts very well like the back of MY HAND. And for this reason I steward them with abundance so they may do MY WILL without even realizing it! Before you judge whether I

AM for capitalism or socialism, I AM neither and I say no from the Joshua 5:12-13 perspective.

Socialism in this country can be won by democracy just like it has been done by post capitalism democratic socialist nations like those in Europe. Consider what I, the LORD, has brought out to light to you in order that you may maintain your peace and wealth in this great nation.

I have stewarded an enormous amount of wealth to the collective of America's churches. This is of no coincidence. Take care of the needy, the poor, the orphaned, the exploited, the families of prisoners that are not at fault, families of veterans, the unborn children who do not have a voice, and lastly but not least, immigrants - help them to get laws that are just for them and their families.

Be a steward of My Justice and Glory - before you are being given Justice for My glory. Herald in My Mercy for it is said:

Blessed are those who show merciful for they will be shown mercy (Matthew 5:7)

Do not forget what I said in:

"Not everyone who says to me, 'Lord, Lord,' will enter the kingdom of heaven, but only the one who does the will of my Father who is in heaven. **22** Many will say to me on that day, 'Lord, Lord, did we not prophesy in your name and in your name drive out demons and in your name perform many miracles?' **23** Then I will tell them plainly, 'I never knew you. Away from me, you evildoers!'

For the same lack of mercy and compassion you might have against others to enter this temporary land of peace and opportunity, might be given to you at the End of Days at the Pearly Gates of My Kingdom, for I AM the LORD, and at My Gates, I get to decide who enters and who don't. I WILL SHOW MERCY TO THOSE WHO HAS SHOWN MERCY, AND WILL WITHHOLD MERCY WHERE MERCY WAS WITHHOLD. DO NOT FORGET THE PARABLE OF THE SERVANTS and the story is not just about forgiveness. It is about 'covering loss'. My Son, the LAMB WHO WAS SLAIN covered your loss to enter MY KINGDOM, will you withhold to 'cover other's loss' because you feel like the prodigal son's older brother? Sin means falling short of MY GLORY. The people you see around you fall short of health, adequate living, welfare, education, means of making a living, safety, peace, and other essential means of life. Will you cover their loss as MY SON covers yours? What are you holding so tight that you are going to lose anyway?

Examine your hearts. Live righteously and extending mercy. Do not waver in your righteousness but remember that faith is a gift and not earned. Live like it. Give mercy to others in need.

You may notice in the news that there are plenty of people who are doing stupid mistakes such as adultery, sexual harassment, racist remarks, and other similar self-humiliating deeds that are easily avoided but caused them to lose their jobs and reputation. This can happen to anyone, and there is redemption from these mistakes, but anyone can fall, and

one's lack of the gift of faith may cause one to fall in this way or in ways that are beyond humiliation. Do not let yourself go that far by forgetting that you received mercy and therefore need to extend mercy to others. Every blessing that you have today is the extension of mercy that I have for you. And if you cannot extend mercy to others, why should I to you?

Remember that my Kingdom is one that lasts forever. Remember that what you do and live for today will be marked and etched into stone (meaning that it will be remembered or impact your life) forever and ever. Will you be remembered as one who is afraid of doing what is right, or will you be remembered for being a faithful servant?

When My Son, Jesus Christ, the LAMB THAT WAS SLAIN was on earth, He said, "Woe to you, teachers of the law and Pharisees, you hypocrites! You build tombs for the prophets and decorate the graves of the righteous. **30** And you say, 'If we had lived in the days of our ancestors, we would not have taken part with them in shedding the blood of the prophets.' **31** So you testify against yourselves that you are the descendants of those who murdered the prophets. **32** Go ahead, then, and complete what your ancestors started! (Matthew 23:30)". In the same way, many of you in the American Church are like the Pharisees who admire the righteous and martyrs but you yourselves are not too far away from the godless.

Remember, there will be a day that I will take apart humankind and divide the tares from the wheat and sheep from goats. The harvest is coming very soon, and though I, the LORD, the Father and I AM WHO I AM knows the very moment when will this happen, it is not for you to know.

Remember in Matthew 13:24-30 I have already set a place for tares and place for wheat. The tares (weed) will go into an unquenchable fire and the wheat will go into MY Barn (Kingdom of Heaven). What you do today and what you have set your heart to do today will determine that.

Now regarding my servant and mouthpiece I who I the LORD has chosen to speak on MY behalf, she would say she of all people is unworthy. Indeed, she is unworthy. In fact, she had even been unfaithful and wrestled with ME and failed ME many times. But I chose her at the beginning of time, and I chose everyone of you. Every single one of you. I know the number of the strands of hair you have. I remember the various times you cried to me for help. I saw how some of you have faced disappointment, despair, hopelessness, pain, and darkness in your lives. I know. I have seen it all. Your lives are like 'Vines (videos)' to ME, your minds and your hearts are ever transparent, as clear as glass, very much like a crystal glass holding colorful beads or a crystal clear blue ocean with corals and teeming with life of fish and other sea life. The beauty of one's mind and one's heart comes from the workings of Holy Spirit and the ugliness of one's mind and heart comes from the workings of one's sins and Satan's work in their lives.

Remember in John 3:16-21 I inspired John to write:

For God so loved the world that He gave His only begotten Son that whoever believes in Him shall not perish but have eternal life. For God did not send his Son into the world to

condemn the world, but to save the world through him. **18** Whoever believes in him is not condemned, but whoever does not believe stands condemned already because they have not believed in the name of God's one and only Son. **19** This is the verdict: Light has come into the world, but people loved darkness instead of light because their deeds were evil. **20** Everyone who does evil hates the light, and will not come into the light for fear that their deeds will be exposed. **21** But whoever lives by the truth comes into the light, so that it may be seen plainly that what they have done has been done in the sight of God.

I do not want to condemn you. I want to bring you life! I want you to choose life!

During WWII, the Nazis had laws implemented in Europe to exterminate Jews and persecute them and to penalize any European who help the Jews from being persecuted or imprisoned. Many risk their lives to save the Jews from the horrible and despicable holocaust. Many risk their lives to save women and children from the cruelty and wickedness of the Nazis. Many risk their lives today to bring the gospel to China, Iran and North Korea, and what did I steward you to do? To be merciful and steward your wealth to those in need and even that you cannot do!!? Is a comfortable lifestyle what you idolize?

If this is not true, then do what is right according to MY WORD. Take care of the needy, take care of the poor. Cover their losses as MY Son did yours without your own merit but ALL that is His. And finally, divide yourselves from 'cultural' Christianity. Set yourself apart from ethnocentric groups that call themselves Christians or call their culture Christian but do not have MY Heart for the world and the people of the world. Do not idolize animals or put animals above your fellow brethren, do not hate one another, do not strive for material comfort so as to see your brothers and sisters of the Kingdom in pain, poverty and despair. Love one another as MY Son has called you to do in John 13:34-35. "

As in the message that the LORD has given to me above, I am not worthy to receive it and to proclaim it to you let alone to the world. But time and time again God chose those who are not worthy like the woman at the well, who I am most like, Moses, who technically was murderer, Jacob, the fraudulent, even David who was not only an adulterer but a murderer, Aaron, who basically led idolatry towards the golden calf and others, and though I am not worthy to say it, I am compelled by the Holy Spirit to say that God has chosen us to say, apart from the LAMB WHO WAS SLAIN, WHO IS WORTHY?

As a part of maintaining my testimony, I, Afiqah Ayauf, whom God has given a new name - Julia - have struggled with my destiny. I wondered for the longest time what am I here on earth for and for what reason. When I was seven years old, I almost died when I jumped in front of a car speeding in a parking lot from the main road. I assumed the car would stop for me.

But when I jumped in front of the car, I felt someone pushed me away from the point of impact and I thought it was my dad. But my dad was more than 10 feet away. Today I know it's Jesus. When I was a one year old, I was in my grandparents' backyard in a small village of Malaysia and it spreads out into a forest-like orchard with an unwallled well filled with water. I was wandering away from my grandmother and aunt (who were in the house) one day and just explored the spacious backyard, and came across a large hole in the

ground with shiny rainbow-ish layer and I remember that the sun was shining brightly that day and the trees surrounding the area did not block the sun's beam.

I crawled over to the area and was anticipating to see what's inside the hole in the ground, but God the Father saved me from going inside and I saw Him in His glorious form. God told me not to go inside and struck a fear in me to cause me to cry loudly. 'Coincidentally' my parents just arrived ten minutes earlier from a two hour drive from the capital where they worked and the entire household looked for me. When they heard my cry they rushed towards me and took me home.

Please focus on the fact that God saved me from death twice. And from eternal death through the Holy Spirit once in March of 2011 (when I gave my life to Jesus and left my old religion and agnosticism/godlessness), and so God has saved me three times, and today I have accepted this task from the LORD to send this message to all of you so you will know that God has a plan for you just as He has promised in Jeremiah 29:11 and because for me, I cannot hold it to myself any longer just as Jeremiah described in Jeremiah 20:9. Although I have read the Bible from Genesis to Revelation chronologically at least five times, I do not on my own ability could remember where all the above references would say nor where they come from. Neither would I have the energy to go out of my way to look up for them on Biblegateway.

Although I am now run a couple of businesses at it infancy, I am not using this message as a marketing ploy. I do not like this as a way of marketing my business and still do not like the idea of writing this. As you can see I deliberately waited for several days to procrastinate and for prayer before sending this out. This is not done so you'd help my business. This is something that the LORD has laid on my heart for several months, but put into words only on the 21st of August.

And today is the day He wants me to send it to you because He wants to use you to glorify His Kingdom! Think of that! You may not realize how He impactful His work in you and through you because of a word of warning from Him! Let Him use you. Let Him use you to glorify His Son and His work at the Cross!

There is no greater privilege and honor in the eternal sense. If privilege and honor is to inherit significant wealth from one's parents because of your standing with them, then it is a truly greater privilege and honor to inherit significant spiritual wealth from your Father because of your standing with Him through the Blood of the Lamb, our Precious Jesus Christ. Mind you that I said spiritual wealth, not financial wealth. God specifically use terms like gold and gemstones in Revelation to give us a picture of what spiritual wealth is like in Heaven and when it comes to our spiritual maturity, it's not about how much you have, it's about your spending power, how much you can do with what you have.

Please do not view me as a 'holy' person after reading this message. I am no better than you. In fact, I am the worst. I failed God in so many ways and I still well up in tears when I think about them. I wish God has chosen someone else because I am truly not worthy. But this is God speaking through me in His authority through the Redemption of the Blood of His Son and His death on the Cross, and in these and only within these I share this message. God bless you all!

Signed,
Julia Afiqah Ayauf
Sister in Christ

Additional Notes written on August 28, 2018 at 5:33pm: At the time of this writing, I just woke up from a brief nap to a sinister dream regarding satan's work in our lives. During the brief nap that I took, there was a severe thunderstorm warning that went on until I got up and picked up this laptop to send this message to you. And last night, when the edition of the above message was done, there was a fireball seen in the heavens prior to the edition of the message (I was compelled to research news right before opening this document on my laptop). Many years ago, in 2009, I had a series of dreams that were of apocalyptic in nature. In one of those dreams, I was driving on a road overseeing a river, and as I passed by the river, I saw a bright blue fireball falling from heaven and overreaching an arch over the river. I could not remember if this arch is just a bridge or a building. I just know it's an Arch. When I saw this fireball falling towards the river I remember I had a sinking feeling, like we are in a place where we cannot go back and it is too late. In view of this, I believe God wants to warn us of a spiritual destruction that awaits the world if we do not heed His message and warnings and that we might end up in a place where we cannot turn back.

The end is near, and Jesus is coming soon. As the message indicated above, only the Father knows and He chose to not reveal it as it is His own SOVEREIGN WILL. I do not know if it is going to be tomorrow or a year from now or a hundred years from now, but I would not want to be caught in a spiritual warfare and end up in a place where satan reigns on earth. I want to be in a place where Jesus is glorified, and I believe that is our duty as Christians as God calls us to continue living on earth. God bless and seek the LORD.
