

A Deliverance Training Manual

By Neville Salvetti

Based on the practical experience of years of deliverance, being a non-threatening way of freeing people from demons, without the need to confront any demons.

The purpose of this book is to give you training on deliverance and comment on some other matters related to it.

Jesus needs people who can tell others of their need of Jesus, hear The Holy Spirit correctly, know how Satan attacks and how to fight him as well as deliver people from the ravages of Satan on them. This book deals with the latter. The other matters are dealt with on my web site nevillesalvetti.com.

We do not need to fight demons because Jesus defeated them at Calvary. All we need to do is to cast them out and command them using the delegated authority Jesus has given us.

We live in a world where all around us is the influence of our enemy, Satan. Because of this influence we have things in us that are not of God or His Kingdom, both from before we became a Christian and afterwards from sins we have committed.

When we are translated (moved from) Satan's kingdom to that of God we usually bring all this garbage of Satan with us. Through sin we also have garbage loaded onto us by demons.

The ministry of deliverance has been given by God to remove from us all this garbage that hinders our Christian life and through the removal of this garbage, demonstrate the authority of The Kingdom of God over His enemy, Satan, so that deliverances becomes a declaration of the Lordship of Jesus over Satan and all his works.

It is also an act of war on Satan and his works and is one weapon we have against him and his demons.

It is important this garbage is removed from people or the demons in people will make it difficult for them to live in the way Christ desires them to live.

The purpose of this seminar is to teach you how to remove this garbage and free Christians from the effects of Satan placed on them by him during the period before they became a follower of Jesus or through deliberate sin against God.

I will just be giving you words and The Holy Spirit will use them to teach you. He is the teacher of all things spiritual (John 16:13) and the promise of Jesus is that He will guide you into all truth and not just spiritual truth if you desire to know it (John 7:17). So commit the study of this book to His guidance and teaching so what results from it will give you understanding of what Jesus desires you to learn and will bring Glory to God.

Let us pray:

Dear Holy Spirit, I give my mind and memory to you to use today to teach me and give me understanding of what is taught here today. I give all that happens as I read this manual to Jesus to be Lord of and say to Satan:

In Jesus' Name leave me and take all you did to me with you and go to the dry places to be bound and isolated from other demons and to stay there until Jesus sets you free or you are cast into the lake of fire and I forbid any demon from replacing you.

I ask you Holy Spirit to fill me and give me understanding of what I am to learn here today

Thank you Father, Lord Jesus and Holy Spirit, Amen.

The Bible gives us the example of Jesus

Matthew 4:23. *And Jesus was travelling about in all Galilee and he taught in their assemblies and was preaching: The Gospel of the Kingdom and curing every sickness and disease among the people.*

Matthew 4.23 Says Jesus taught and preached:

The Kingdom of God

Healed all manner of sickness and disease

(Satanic attacks that result in soul damage cause a sickness of the soul and deliverance heals this sickness)

By doing these things you demonstrate The Kingdom of God had come to them and what He was teaching was important

Acts 10:38. *About Jesus who was from Nazareth, whom God anointed with The Spirit of Holiness and with power, and he was travelling and healing those injured by The Evil One, because God was with him.*

If you say you are a follower of Jesus and believe in whom He is Jesus said you will also do these things (**Mark 16:17**).

This means you need to know

What The Kingdom of God is

What God defines as doing good (His Will)

Your delegated authority over Satan and his workings.

This book deals with the latter.

When you know your authority over Satan and how to defeat him it will not be difficult to live the victorious Christian life. Satan is defeated and so there really is no battle but just a stating of the authority of Jesus over him and resisting what he desires you to accept from him. After all you only sin if you accept what Satan suggest you do.

If you have trouble doing this or have a temptation that torments you then you need deliverance in that area.

Removing demons and the damage Satan has done to you, regardless of whether it is emotional, mental, spiritual or physical is called deliverance as it is a deliverance from his demons as well as what Satan has done to you. In a sense this is The Gospel of The Kingdom, the spiritual wholeness Christ offers you when you follow Him as a citizen of His Kingdom and at times physical healing.

Deliverance is a personal interaction between Jesus and the person seeking deliverance which is why a deliverance minister is not needed and Jesus can deliver without the need for one. This is also why the deliverance prayer can be said in the solitude of your prayer closet without anyone else needing to be there

I will give you a deliverance prayer that can be said by anyone or any group without the need for them to face Satan as well as teach you the **five steps** behind it that are the basis for deliverance as well as for defending attacks of Satan on things you are steward of.

I will explain how to apply these later

What do you expect to get out of this book?

To remove that which hinders intimacy with and obedience to God?

To facilitate the advance of the Kingdom and your role in it
To free souls of demonic influence and blockages so they can serve Jesus more freely?

To remove that which stop a Christian relating properly to God and others?

What do you expect to get out of this book on deliverance?

Expect nothing and you are usually not disappointed.

So ask yourself: Why do you want to read this book as that will give you things to focus on as you read this book?

The objectives of this book:

To teach you how to remove the damage Satan has done to you,

To teach you how to remove the damage Satan has done to another,

To recognise an attack of Satan,

To know how to deal with an attack of Satan.

What are the lifestyle requirements of a person who does deliverance?

They must:

Believe in whom Jesus is as well as His control over Satan as well as accepting the delegated authority over Satan Jesus has given them.

Have complete obedience to Jesus so He is Lord of every area of their life and if He is not Lord of an area of their life they give it to Him immediately they know He is not Lord of it for Him to be Lord over it.

Pursue holiness - separation from what the world offers so they can wholly devote their time to the Will of Jesus and His work He has for them to do.

Have integrity no matter what the costs them to keep it.

Love God and His children and the desire to free them so that they can relate to Him better and serve Him in the way He desires them to serve Him.

Have a desire to free people from what Satan has done to them.

Have a willingness to sacrifice in their life whatever is necessary to be able to serve Jesus in this and any other service.

Three Cardinal rules of deliverance:

You must show the type of Love Jesus has toward the person coming for deliverance and not condemn anything they have done

You must not assume, reason, argue or react, but always ask The Holy Spirit what to do. After all, He is there to guide you in all things spiritual.

You must accept them as they are because The Father does and not as you think they should be

You must show to people coming for deliverance the type of Love Jesus has toward these people.

People coming for deliverance usually have fear, guilt, shame, self-condemnation, fear of exposure of terrible sins, low self-esteem, low self-value or self-worth and other negative emotions and feelings, even if only subconsciously.

Satan ensures they have as many of these that he can place in them.

To criticise, attack or appear to reject the person coming for deliverance will drive them away, especially if they have any problems facing any of their weakness or sin.

You need to show complete acceptance of them. If they cannot face a sin or area of weakness then you need to find a way of praying them through it or working around the problem area until they can deal with it.

God is their judge and not you. All you can do is evaluate and do what The Spirit says to do

I find it is good to suggest praying for the problem area or weakness just in case the person has it so that if it is there, it will be dealt with.

In **The Five Steps** you will be shown that you do not need you to know their weaknesses or sin, and that they can pray in their heart and give these things to Jesus so that you or any other person do not know what they gave to Jesus.

It is none of your business anyway. What they give to Jesus is between Him (Jesus, whom they have offended (**Matthew 25:40**) and them.

Other times Jesus will guide you to other areas that will eventually result in the person being able to face these problem areas.

Remember! You must never assume, argue, reason or react, but always ask the Holy Spirit what to do because what is the problem may be completely different to what appears to be the problem.

If you react, argue, reason or assume, you block the Holy Spirit and He cannot advise you what to do. He will show you how to work around defences (a result of fear of exposure) and get around problems the person has in facing things. But if you react or assume things you will not be able to do this and the person may see your reaction and withdraw or run.

Remember that Satan will try to use your reactions and assumptions to guide you away from what God wants you to do as well as to cause the person to run from deliverance whenever it is offered.

In deliverance, you must quieten your mind, remove all attitudes towards the person and just listen to the Holy Spirit. He will guide you how to show God's Love to them and what to pray for them.

Removing the authority to cast Satan out:

A delegation must be in writing:

*The delegation given to us to cast out Satan is found in, **Mark 16:9-21**.*

Many modern Bibles imply this is not scripture or cast doubt on it being Scripture.

If it is not Scripture then we cannot do the deliverance ministry because we do not have a delegation to do so.

Why would God remove this from The Bible?

Cannot have been God but Satan.

Other important verses have been removed from many modern Bibles, an example being **Acts 8:37**, whose removal allows anyone to be baptised, even Satan, if they state Jesus is Lord. The verses say nothing about the need to follow Jesus as Lord.

Act 8:35. *Philip began to speak. He started with this same Scripture and told the man the Good News about Jesus.*

Act 8:36. *While they were travelling down the road, they came to some water. The official said, "Look, here is water! What is stopping me from being baptised?"*

Act 8:38. *Then the official ordered the chariot to stop. Both Philip and the official went down into the water, and Philip baptised him.*

What is left out? The need to be a wholehearted follower of Jesus. In v 36 the man was told about the Gospel but not told He needed to follow Jesus. Demons know about the Gospel but do not follow Jesus. Tell me where these verse v35, 36 and 38 stop a demon from being baptised?

The verse left out states:

Act 8:37. *Philip answered, "If you believe with all your heart, you can." The official said, "I believe that Jesus Christ is the Son of God."*

I ask again, do you want to use a bible where Satan has influenced the editors so He will not be attacked or considered a threat or even real?

Men and Women equal:

In the spiritual realm, men and women are equal:

Galatians 3:28. *There is neither Jew nor Aramaean, neither Servant nor Free person, neither male nor female, for all of you are one in Yeshua The Messiah.*

Spiritually, men and women are equal (**Galatians 3:28**). Nowhere has Jesus given a written delegation that a man is the spiritual head of a woman or of another and no man has the Authority to interpret Scripture to give this delegation.

In **1 Peter 2:25** we are told Jesus is our spiritual head (bishop) and no other. Headship occurs only in marriage (**1 Peter 3:1-6**) and even then if both spouses follow The Holy Spirit's guidance then Jesus is the real head and not the husband.

If in marriage headship is spiritual then a non-Christian husband, whose head is Satan would be given spiritual authority over a Christian and Jesus would no longer be there spiritual head.

God would not allow this which means headship cannot be spiritual in any relationship.

The husband is the steward of the wife and family (which is why he has been given domestic headship) so he must ask Jesus what he is to do with them on His behalf. Jesus is the owner of all things including he and his family so The Holy Spirit (our guide in spiritual things) needs to be consulted as to what Jesus desires the husband to do with himself and all he is steward of.

Men and Women in ministry:

Some denominations say that men and women are different for purposes of ministry and will not let a woman minister in the roles that a man does.

We have seen that men and women are spiritually equal (**Galatians 3:28**) and to limit the ministry of women is to say they are not spiritually equal to a man which contravenes The Bible and is error. Nowhere in The Bible does it say a woman cannot minister and in the early church they ministered equally with the men and were even called apostles. The qualifications given in The Bible are only for those who lead and even then if the family is in order, the wife is in order which means she too can help her husband lead.

Men and women have complimentary spiritual gifts which is why they should minister as a couple. If God wanted men and women to be

identical He would not have had to make women. What a loss that would have been.

In reality The Holy Spirit has the spiritual authority and not a person as people should be led by The Spirit And not by their own reason.

So couples should minister as equals with The Holy Spirit being in charge and often the femininity of the woman can make things easier for a female or young person being ministered too. So couples need to learn their gifts and how they complement each other and be prepared to let their spouse take over as The Holy Spirit leads.

As usual a single male or female should not minister to a single member of the opposite sex to avoid possible problems (unless there is no other way to minister to the person.

Roles and rewards for married couples:

In **Acts 6** we are told there are two types of roles in a church: Spiritual and administrative. The family is a small church so these roles are in it. Usually both parents will do administrative roles but at times one does a spiritual role (mentorship of children, Bible study with friend etc) and the other supports them.

There is a promise from God in **1 Samuel 30:24**:

1 Samuel 30:24. *The share will be the same for the man who stayed with the supplies and for the man who went into battle. Everyone will share alike."*

So as one spouse supports another in any ministry they do they share equally in the rewards of that ministry.

Our Task (2 Corinthians 5:18-20):

To be ambassadors for Christ (His representatives in enemy territory) for the purposes of reconciling people to Him, both Non-Christians and backslidden Christians. The task is given to all Christians and not just men. So women must minister equally with men or they will not meet the requirements of this verse.

Reconciling non-Christians to God is called evangelism. Restoring backslidden Christians is done through deliverance and healing as well as any counselling necessary.

Guilt Shame and Condemnation:

There is no more guilt shame or condemnation after Calvary as Jesus dealt with all these there. These are a result of doing something wrong and facing a judge to be condemned by them. But after Calvary there is no more condemnation for those who follow Jesus and these feelings now come from Satan placing them on you so you get rid of the demon(s) placing these on you.

Colossians 2:13. *And you, being dead in your sins and the uncircumcision of your flesh, hath he quickened together with him, having forgiven you all trespasses;*

Colossians 2:14. *Blotting out the handwriting of ordinances that was against us, which was contrary to us, and took it out of the way, nailing it to his cross;*

As you can see all sin past, present and future has been dealt with so that there is no sin left to be ashamed of or feel guilty about and Jesus does not condemn us so no one can condemn us (**John 3:17**).

The Holy Spirit will convict of sin but not cause you to feel ashamed, guilty or condemn yourself over the sin. He does not convict you to condemn you but to show you a problem you need to deal with possibly using the five steps I will show you later.

God is merciful which is why there is no flash of lightning, puff of smoke and a pile of ash where we stood when we sin, which He has every right to do to us.

God is Love and accepts us as we are and works from where we are at, to mature us into His Character. Our acceptance by God is unconditional and is not based on who we are or what we have done. Our rewards are based on what we do for Jesus with what He gives us to serve Him with.

Experience in using this method:

What I am going to teach you has been proven by the practice and experience of years of doing deliverance on the Internet.

A Warning:

Never do deliverance on a non-Christian as they will end up with 7 even more worse demons, as well as the original one. This happened to a close family member who received deliverance and did not have her soul sealed up by The Spirit so she now has 8 demons instead of 1 and no longer can receive deliverance because she is blinded by the demons in her.

A person who will not forgive another or who is not willing to give up a sin will not experience deliverance as God will not hear their prayer. He will only hear a prayer of repentance.

Remember:

God does not need you. He is complete in Himself. He can do everything Himself.

He created you for your benefit and for all He could do for you. How special each one of you is to Him that He has done all this for you!

When you understand and appreciate this you should give yourself completely to His service and appreciate the great honour you have that He allows you to serve Him and fight His enemy on His behalf.

He created you and is your owner. He is a good steward of you and your response should be the desire to be a good steward of all He has given you to do or asked you to do, of which deliverance and spiritual warfare are two important matters.

He allows you to do things for Him for your sake and not His because He Loves you and knows it will help you develop as a child of His

Who can have deliverance?

Any Citizen of The Kingdom of God can and should have deliverance when it is necessary. Deliverance can be done on non-Christians but seven worse demons enter the non-Christian along with the original one that was cast out. **For non-Christians it is better to bind the demons and stop them influencing the person in any way and remove any outside of them that are attacking them.**

How do you know you need deliverance?

You have shame, guilt and self-condemnation over sins or weaknesses (these were removed by Jesus at Calvary and now only come from Satan trying to place guilt on you and doubt in you in regard to God's Love).

You doubt God Loves you.

You have a sin/weakness you cannot overcome.

You have a temptation that will not go away.

You have nightmares on a regular basis.

You continually have thoughts that you know that are ungodly but you cannot stop having them, no matter how hard you try.

You have voices in your head and you cannot stop them speaking to you.

Demons appear to you and harass you either in your sleep or when you are awake.

You have trouble studying, reading or understanding The Bible.

You are constantly judgemental or critical of others or behave in a legalistic or perfectionistic way towards them.

You have low self-esteem, self-value, self-worth, self-hate of any part of you or want to harm yourself in some way (e.g. suicide).

You have a lack of peace in an area but do not know why.

You have a wrong attitude to yourself (One that God does not approve of).

You have anger or unforgiveness you cannot get rid of or you do not want to reconcile to someone you have offended.

You have negative character problems you cannot seem to get rid of.

You addictions you cannot break (coping mechanisms such as excessive collecting of things or alcohol problems are a sign of this as are drugs and gambling).

You do not believe something The Bible says about God or Christian living.

You continually have doubts about The Bible you cannot explain having.

You question who Jesus is for no apparent reason.

Satan places fear in people to stop them having deliverance:

The five steps I teach are not confrontational.

A person does not need anyone to reveal their weaknesses or sins.

They can be done in the privacy of their home by themselves.

Some reasons for not having deliverance:

Remember that all these attacks are from Satan.

To blind a person from seeing their freedom in Christ.

To stop a person obtaining deliverance.

To stop a person being free to serve Jesus properly.

To stop a person leaving his control.

To stop a person from being able to receive and return the Love of The Father, The Lord Jesus, The Holy Spirit and of fellow believers.

To stop as person being emotionally free to relate to God and others as they should.

To stop a person seeing God's Love, Mercy, Forgiveness and Redemption that occurred at Calvary as well as the delegated authority they have that resulted from this.

To stop a person seeing that salvation is a personal, intimate relationship with The Father, The Lord Jesus and The Holy Spirit (John 17:3) which they need to develop and maintain (work at maintaining their salvation).

To stop a person being led by The Holy Spirit (Romans 8:14, John 16:13) so that they will not know the truths they need to know or be guidance how they need to live for them to live as a child of The Father.

Fear of receiving deliverance does not come from God:

Satan has made deliverance a fearful experience.

Satan has made deliverance appear to need qualifications and super spirituality.

The person lives in a fragile glass house and are fearful of it falling apart if they have deliverance and leave their comfort zone.

Fear in the person of what they will have to confess.

Fear in the person of admitting they have demons in them.

Fear in the person of demons manifesting.

Fear in the person of being attacked for doing deliverance.

Why people fear doing deliverance:

They do not really know the authority of Jesus.

They do not realise Satan is defeated and does not need to be fought again.

They do not know how to fight him back.

Satan could not stop the deliverance ministry it so he made it appear difficult, dangerous and traumatic.

It is because of demonic influence of their mind that people cannot see a need of deliverance and/or do not believe in it and these demons will need to be removed before they will understand their need of deliverance.

Lack of belief in demons:

Satan hides his demons through this demonic influence on the mind of a person.

If it is true Satan does not exist then Jesus is a liar as he spoke about Satan and demons.

If demons did not exist then the Apostles would be classified as mentally ill, casting out demons that do not exist.

Lack of belief demons attack people (1: Peter 5:8,9) Demons do this so that they can:

Control people.

Capture people for Satan's kingdom.

He does not need to capture non-Christians as they are part of his kingdom.

He attacks his enemy which in the case of demons are Christians.

We are told in The Bible to resist Satan's attacks so he must attack us.

People can lose their salvation because of the attacks of Satan being ignored and doing what he suggests to them (**Revelation 3:5**), because they resist God knowingly and eventually quench The Holy Spirit through continually rejecting His call to them to repent of a sin.

Lack of belief demons can be in Christians:

Christians cannot be possessed by demons as The Holy Spirit guards their spirit.

Demons can inhabit the soul (house) of a person according to Jesus and people not believing this call Jesus a liar.

Jesus warned us that demons can inhabit the house (soul) of a person.

Pride or rebellion:

People are too proud to admit they were wrong about demons because of how it will affect their status in a church.

Rebellion against Jesus caused by another reason.

Cessationism:

A Major lie the church has accepted is that:

The gifts and the casting out of demons were only for the time of the apostles.

In reality they are recorded as being exercised all the way up to this century.

If we did not have them then Jesus is asking us to do the same work as He did without the tools He used to do it.

This would make God a callous God.

Your Responsibility:

This book shows you a simple, non-confrontational method of deliverance so that you have no excuse for not taking people through it. I have used this method for years to effectively do deliverance and fight Satan so it has been proven by experience and by being honoured by The Lord Jesus Christ. I have also used it to do deliverance on myself and remove demons I had in me as well as attack those that attacked me.

Jesus sent us to attack Satan and his workings and deliverance is a part of this attack on Satan and his control of things. Jesus said that if we believed in whom Jesus was we would do this ministry of casting out Satan from people and objects. Jesus said:

Mark 16:17 (ERV). *Everyone who believes me will be able to do wonderful things. By using my name (delegated authority) they will force out demons, and they will speak new languages.*

Remember you do not need to fight demons as it is the authority of Jesus that is exercised and not yours so you really have no excuse. All you need to do is read the deliverance out to the person for them to agree with them or to encourage them to pray them.

There is no battle as Jesus defeated Satan at Calvary so we do not need to fight Satan anymore but just to apply the authority delegated to us by Jesus and Satan has to leave the area given to Jesus.

I address the following to you as if you are going through deliverance so it is in the first person, which is how you will say it to another.

A prayer to remove anything Satan has done to you:

Satan has attacked you in various ways, some of which you do not realise. His attacks can affect you in ways that only Jesus can properly deal with.

The following is a prayer of dedication to The Lord Jesus which will remove what Satan has done to you.

You do not need to say anything out aloud, but all can be said in your heart to Jesus as He alone needs to know what you say. You do not need to tell the person helping you anything except to ask them to help you explain what you need to give to Jesus to be Lord of.

They can read steps 1, 2, 5 however the commands in steps 3 and 4 need to be spoken, and only need to be whispered so that Jesus, Satan and you alone can hear them.

The more you are willing to give to Jesus for Him to be Lord of, the more you will be freed from what Satan has done to you.

There is a framework of five steps I teach you that you can use to deal with anything not dealt with in this prayer.

You need to have forgiven all who have wronged you as well as turned away from everything that you are knowingly doing wrong or Jesus will not hear this prayer. If you knowingly do not obey Jesus then you may also lose your eternal salvation (**Revelation 3:5**) if you do not eventually repent.

You will also need to reconcile with others you have offended. The only reasons you will not reconcile is fear or unforgiveness.

Obeying the laws of the land:

Before I start detailing what to give to Jesus, I wish to mention the laws of the land you live in.

Jesus said we were to obey the laws of the land, so to deliberately disobey them will land you in hell, if you do not repent of the disobedience. So while it does not disobey the Moral Law of God it is rebellion against Jesus because He has said to obey the laws of those He has placed in authority over you unless the law they make contravenes His Law.

Jesus has shown people in hell to those he took there who deliberately did not obey the laws of the land and would not repent of this rebellion against Him.

Examples are deliberately speeding, avoiding taxes in an incorrect way, obtaining things without following the guidelines established by the authority over them.

Christians are in hell because they would not obey Jesus in regard to a law of the land and so He was not their lord as they had accepted something Satan said to do and quenched The Holy Spirit by deliberately ignoring His call for them to repent. God cannot bless you while you are in rebellion against Him.

The problem is that things like speeding become a habit and you deliberately do it without thinking so you do not repent and risk going to hell.

The deliverance prayer:

It is a practice of Jesus that you do or have done what you preach so that you do not ask another to do something you have not done or experienced yourself so before you take others through this prayer you should also have said it yourself.

Step 1:

So give to Jesus, quietly in your heart, anything that troubles you. You do not need to name the sins just the area the sin or problem is in for Jesus to be Lord of. You do not need to say anything and all you need to do is to agree to give the following in your heart for Jesus to be Lord of. So give to Jesus any:

Weaknesses you have.

Sins you have trouble defeating.

Loveless acts toward others.

Circumstances or events you are anxious or concerned/worried about.

Wrong emotions, habits, attitudes, values or wrong coping mechanisms you have.

Wrong understanding, knowledge and learning, wrong worship or attitudes to God.

Hurtful memories you have that cause you problems of any kind.

Wrong relationships you have.

Betrothal (engagement) and social activities.

Marriage, family and any problems in that area.

Employment.

Ministry.

Fear of Authority.

Fear of Failure.

All others fears.

Any wrong agreements or contracts ... whether or not you know you have made them.

Past hurts, traumatic events and other events that have hurt you in ally way.

Anything, in you or that you have done that is, not of Jesus or His Kingdom which He is not already Lord of. Whether or not you know they are there.

Anything The Holy Spirit tells you now to give to Him for Jesus to be Lord of and to make certain you have not missed anything.

Any disobedience of the laws of the land.

Wrong attitudes to parents so that you do not honour them.

Wrong attitudes to people in authority so you do not respect them as you should.

Now pray the General Repentance following

Lord, Jesus, I want you to be Lord of all my life. I give it to all You, all the areas above as well as anything that stands between You and me, whether or not I know they are there. I give you any hidden areas in my soul I do not know about and anything else in my soul I do not know about. Show me these things Lord that separate us so I can deal with them as you want me to deal with them. I want to do Your will in all I do Lord, and I ask You to help me to do this. I give it all to you, Jesus for You to be Lord of so that you are Lord of all I am.

Give Jesus also the causes and results of all these things.

Lord I give you the things that caused these problems as well as all the consequences of them for you to be Lord of.

Step 2:

The Lord says you are to forgive everyone who has hurt you in any way. If you deliberately do not forgive anyone who has hurt you, the Father in heaven cannot forgive your wrongs against Him so you do not go to heaven (**Matthew 6:14-15**). Remember, any sin you do not

deliberately repent of stops Jesus hearing your prayers to Him except the one for repentance.

Many Christians are in hell, who obeyed Jesus, but would not forgive another and this gave Satan a right to take them to hell.

You may need to pray as follows (and remember it can be said in your heart so only Jesus hears it).

Jesus, I forgive all who have hurt me.

Lord! Help me to forgive those I have problems forgiving. So I can obey you in this area.

Give any problems you have reconciling to another as this is usually caused by unforgiveness, anger or fear of man (or woman). Note that strife with another, envy, jealousy anger and any negative emotions you have toward another that you do not get rid of may be a sign of unforgiveness so repent of these also.

Ask The Holy Spirit to show you anything you may need to give to Jesus to be Lord of or which may indicate unforgiveness.

You may need to pray: as follows (and remember it can be said in your heart so only Jesus hears it):

Lord Help me to reconcile to those I need to reconcile too and to do what I need to do this or Lord help me to deal with (and name them here...).

You may also need to repent of a sin you know you are doing. Any sin you do not deliberately repent of stops Jesus hearing your prayers to Him except the one for repentance.

You may need to pray:

Lord I repent and want to stop doing anything that I am doing that is wrong. Show me what I need to repent of and help me to do this so you can be completely Lord of my, Life.

Step 3:

Now command Satan in the Name of Jesus to leave and to take all He did to you with him:

Satan I have given all, these areas of my life, to Jesus to be Lord of. So you must go from these areas in Jesus' Name to the Throne of Judgment to be dealt with by' Jesus. In Jesus' Name I command you to take with you everything in, on or around me or that you have done to me at any time.

Step 4:

In accordance with the Will of God, in Jesus' Name, I command healing of everything Satan did to me and In Jesus' Name, I command restoration of the sound mind, as well as all else that Satan took from me.

Step 5:

Holy Spirit, please fill me completely, refresh me and anoint me freshly to serve you as an obedient citizen of the Kingdom of God, and member of The Body of believers on earth.

The following prayer gives permission to Jesus to do whatever He needs to do for you without asking your permission and needs to be prayed only once or repeated only if The Holy Spirit says to do so:

Father, Lord Jesus, Holy Spirit, ministering angels - I give you all permission to do anything you need to do too me or for me without the need to ask my permission to do these things.

And we conclude the five steps with

Thank you Father, Lord Jesus and Holy Spirit. Amen

Curses:

A curse is really a demon attacking you so that you can use the five steps to deal with it by giving the area being cursed or just give curses in general to The Lord. Curses bounce off Christians whom Jesus is Lord as there is nothing in the person that gives a right to a demon to attack that person and apply the curse.

Steps 2 to 4 are always the same and as step 1 is the one that varies we can pray:

Lord, I give you every curse on me (or I give you the curse on me of ...the type of curse name here or what it does....) to be Lord of along with any causes or consequences of that curse. Show me anything I need to repent of or give to you that allowed a curse to fall on me.

The five steps used in the deliverance prayer in detail:

First I give the step and then the reason for the step.

Step 1. Gives the area, weakness, circumstance, event, oppression, sin, agreement, arrangement or temptation to Jesus to be Lord over it, along with all the events/causes leading to these things as well as the consequences resulting from these things.

There is no need to give individual sins unless The Holy Spirit says too but they may need to be examined to find the area that needs to be given to Jesus to be Lord of.

What Jesus is Lord over, He can help you with and protect, so that Satan cannot use it against you without the permission of Jesus or your permission. When Jesus is Lord of an area of your life Satan cannot use it to try and convince you to sin as you do not want to accept what he offers. To control any area Satan needs to deceive you so you will accept his control over it or do what he suggests so he will gain control over it eventually.

Step 2. Repent of any wrong attitude in you, either known or unknown to you, or any wrong thing done by you. Forgive all those who have offended and reconcile to those you need too.

Repentance is a turning away from the things of Satan to the things of God and is a confirmation of your decision to give Jesus Lordship in that area repented of. Repentance is usually of a blanket type when using **The Five Steps** and does not need to be specific (unless specific things are being given to Jesus or The Holy Spirit calls specific things to your remembrance). It is the heart attitude that is important not the words.

It is necessary to forgive yourself and others or The Father in heaven cannot forgive your sins and you do not go to heaven. If you keep bitterness, root of bitterness, anger or any other wrong attitudes in your heart you are in unforgiveness.

You may have to pray, ***“Lord forgive. Help me to forgive please.”***

There are many Christians in hell who lived a good life but refused to forgive another.

It is necessary to reconcile to another if possible so that any unforgiveness towards them is dealt with. You can only reconcile with a person if you forgive them.

Step 4. Command healing and restoration in Jesus' Name of everything Satan did to you. This deals with all areas affected by Satan that you have given to Jesus and removes any damage demons have done to you. There is always spiritual healing but physical healing or the consequences of some actions may need to be lived with.

An example is premarital sex that results in a baby. They people involved are forgiven their sin but the physical consequences remain but Jesus can help the mother cope with the situation resulting from being a single mother.

Step 5. Ask The Holy Spirit to fill you and to take the place of any demon(s) that have left.

This replaces demons that left your soul (house) with The Holy Spirit. Our spirit is filled by The Holy Spirit, so demons cannot get into it, and they complain about this bitterly. Our soul (house) is where demons live and try and control, so as they leave, you need to replace them with The Holy Spirit. If you do not do this, seven worse demons will very quickly replace them along with the original one and the person will be more worse off than before.

The Five Steps are all based on Worship:

Step 1. We give these things to Jesus because He is worthy and can deal with them in a worthy fashion. We love Him and worship Him by trusting Him with the things we give Him. We also declare He is Lord of all when we do this and that He is greater than Satan.

Step 2. We repent (admit we have fallen short of His standards) and by this worship Him showing that we consider His values more worthy to follow than our own values and purposes and that we desire to live according to His standards.

Step 3. He is more worthy than Satan having defeated him by His sinless life as well as His death at Calvary, so Satan must do what is commanded when we use our delegated authority against him so we worship Jesus because of this victory over Satan.

Step 4. We believe He is God and able to heal and restore us because He has authority over all the natural world as well as the spiritual world so He can command healing of body, soul and spirit so this attitude is a form of worship

Step 5. We desire to be Like Jesus (as He is the most desirable person we know) and as an act of worship ask for His Spirit to take the place of the enemy that has been evicted from us and fill all of us so that His Spirit can guide us and mature into the image of Jesus.

The basis of what to give is an area to be given to Jesus for Him to be Lord of rather than fighting individual demons. For example, a person may have a problem with various areas of pornography. The person does not have to declare each area they has problems with but gives the whole area of pornography in their life to Jesus to deal with and be lord of. They will do a general repentance for the area of pornography in Their life and not a specific thing unless told too by The Holy Spirit.

When a demon enters they invite others in so that there may be many demons. If you fight individual demons you need to remove them one at a time. If you give the area to Jesus to be Lord of then they all have to go when cast out from that area.

This is why you give areas, events, weaknesses, circumstances, agreements etc to The Lord so everything in that area is dealt with at once. You do not need to ask for forgiveness of individual sins as they were forgiven at Calvary so a general repentance only for the area is required. Such as:

Lord, I am sorry for all the things I did in this area (--name the area--) and will try to not do them again and I give them to you to be Lord of.

Remember the area can be named in your heart so no one else knows because Jesus alone needs to know and that is what is important

It may be necessary to examine types of sins to determine the root cause so you know which area(s) to give to Jesus but usually it is not necessary to examine individual sins of a person to determine what the area is that is to be given to Jesus. The Holy Spirit guides us in this and has promised to give us all the truth we need to do what Jesus desires us to do (**John 16:13**).

Jesus knows all our sins so we do not need to confess them individually but just the area of weakness they are in. All he asks is that we wholeheartedly try not to sin in that area and if we do then we give it back to Him to be Lord of using the framework of the five steps (unless it is an external attack in which case we use the last three steps) and keep on trying not to sin.

Sometimes we deal with areas that are the results of other areas which means we need to work through things until we deal with the root cause of a problem.

Note:

The five steps are not a litany or magic formula you recite by rote but are a framework of five principles to use like a ladder. Each rung leads to the next rung and on each rung you place what is appropriate to that rung. The first rung is the one that varies according to the situation, and is based on giving the situation to Jesus to be Lord of. The next four rungs really do not change as they really do not need to change to meet the requirements of the situation being prayed about.

Examples of how to use the Five Steps:

Step 1 is the one that always changes. Examples of how to give things in step 1 follow:

Lord, I give you my ministry to be Lord of.

Lord, I give you the area of sexual desire and pornography to be Lord of.

Lord, I give you my problem with beauty, self esteem and self image and the money I spend on these trying to satisfy them.

I give you my attitudes to my spouse to be Lord of.

Remember also to give the causes and results of these to Jesus to deal with as well.

The next four steps do not change:

I forgive all who have offended me as well as myself and am sorry for anything I have done wrong and ask you to show me what I need to change in my life and repent of. I repent of anything I need to and will try to reconcile to any one I need too.

Satan, I have given these areas, their cause and results and all in them to Jesus to be Lord of so you no longer have a right to be in them. In Jesus' Name, go I command you to go to Jesus to be dealt with and to take all you did to me, with you.

In Jesus' Name, I command healing on all you did to me and restoration of all you took from me in accordance with the will of Jesus.

I ask you Holy Spirit to fill me completely and take the place of all the demons that have left me.

Thank you Father, Lord Jesus and Holy Spirit, Amen.

The five steps in summary:

Give it to Jesus to be Lord of.

Repent, forgive, reconcile.

Cast out Satan.

Command healing and restoration.

Ask Holy Spirit to fill you completely.

Overview of the use of the five steps:

The five steps are used:

When Satan is attacking you personally or a person or thing you are steward of.

To fight the temptations of Satan.

To deal with weaknesses and fears in your life that lead to sin.

To remove the damage Satan has caused to you (deliverance) as well as to restore (in accordance with the Will of Jesus), what Satan took from you.

To protect current or future activities by stopping Satan from attacking or using them (Steps 1,3,5).

Remember, the five steps are only used on things you are Steward of on behalf of God.

The Name of Jesus is used for spiritual warfare for others.

A person may give you authority to warfare for them but that does not give you the right to give things to Jesus on their behalf that you are not steward of for them.

Protecting things from Satan or Defending against the attacks of Satan:

This does not need you to be steward of them unless you are using the Five Steps, in which case you give them to Jesus as step 1 of the Five Steps. However you can command protection of things for others when warring for others.

So Command:

In Jesus Name, I forbid you Satan or any of your demons doing anything too (--Name the thing or person--) and if you do anything you are to go to the Lord Jesus to be dealt with.

In Jesus Name, I command healing and restoration on any damage you have done to this and ask you Holy Spirit to replace the demons that have gone at any time.

In Jesus' Name, I command any demons replacing any that have left to Go from the person to Jesus and to suffer what the original demons were told to suffer when cast out.

So anything can be protected this way when it is for the purposes of The Kingdom of God.

How to bind him and stop his plans:

In Jesus Name, I command Satan or any of your demons that any plans you have for (--Name the thing or person--) is to be stopped whether they are in progress now or are planned for the future and you are to go to the Lord Jesus to be dealt with and take all you have done or were planning to do with you.

In Jesus Name, I command healing and restoration on any damage you have done to (Name the thing or person) and ask you Holy Spirit to replace the demons that have gone at any time.

In Jesus' Name, I command any demons replacing any that have left to Go from the person to Jesus and to suffer what the original demons were told to suffer when cast out.

You do not need the person's consent if they are a Christian:

The reason you can do this is that Satan was made captive at Calvary and his prison is hell. So you command demons to leave a person and go to Jesus for escaping from hell, their prison. As this is a valid

charge against them they have to go and stop doing what they are doing regardless of what rights they tell you they have. They are escaped prisoners and have no Rights!.

The command is something like this:

In Jesus' Name, I command you Satan to leave this person and go to the Lord Jesus to be punished for escaping from hell and I command you to take all you did to this person with you.

In Jesus Name, I command healing and restoration on any damage you have done to this person and ask you Holy Spirit to replace the demons that have gone at any time.

Non-Christians:

You do not cast out demons from these as seven even more worse ones move in with the original one. The same can happen to a Christian who goes through deliverance and does not replace the demons that have left, with The Holy Spirit. I have actually seen a person this happened to and the end of them was far worse than what they were before deliverance.

In Jesus' Name:

Bind the demons in the person and forbid them from influencing the person in any way

In Jesus' Name, I command any demons attacking (--name the person or thing--) externally at any time to go to Jesus for escaping from their prison.

In Jesus' Name, I forbid any demons from replacing any demons that have been removed from outside that person at any time.

In Jesus' Name, I bind every demon in that person and forbid them from doing anything to that person or using that person for any purpose along with any demons that come in at any time now or in the future.

Removing demons from objects:

While objects cannot be possessed, because they have no soul, they can be used by demons and claimed for the kingdom of Satan. This is why you should give all you are steward of to Jesus. Remember we do not own anything and everything we have is because God has given us stewardship of it or allowed us to have stewardship of it.

We are only stewards of what we have and not owners. God owns all that there is in the universe. We cannot give to Him what is already His. When we dedicate an object to Jesus we are really showing our heart's attitude to it and declaring His ownership over it.

It is this declaring that the object belongs to Jesus and casting out Satan from it that releases it for the purposes of The Kingdom of God.

So you should pray something like:

Lord. I give you everything I am a steward of. What I live in as well as all things associated with it and in or around it, as well as anything else that I am steward of: my family, my body, my mind, my part in any God-given ministry - Everything I am involved in as a steward.

I repent of any misuse I have made of anything I have been or are a steward of and I forgive all who have offended me in my stewardship activities, including myself.

I declare, Satan, you have no right to anything I am a steward of as they all belong to Jesus. In Jesus' Name, go to The Throne of Judgment to be dealt with by Jesus and to take all you did to people or these things with you.

In Jesus' Name, I command restoration of all Satan did in these areas and ask you Holy spirit to take the place of the demons that have gone.

Thank you Father, Lord Jesus, Holy Spirit, Amen.

For objects you do not own claim them for the Kingdom and cast out the demons in Jesus Name, but only when Jesus tells you too

Cursing what Satan uses:

Anything Satan uses against The Kingdom in the way of machinery or devices we can curse and stop it working or inhibit its working, (Jesus told us this), whether it is in the heavenlies, on earth or in hell. As long as it is used against the Kingdom of God it does not matter where it is.

Animals he uses can be bound and forbidden to be used.

The Holy Spirit will guide you in what to do.

A Warning:

After deliverance, Satan tries to tell you that you are not delivered and tempts you with the same sins you got delivered for, in the hope you

will believe him in this and do them again. So remove the demons using the five steps, suggesting you still have these problems or demons tempting you in these areas just in case there is still something there.

Where do you send demons?

You send them to where Jesus tells you to send them

The choices are:

The lake of fire?

The Bible requires two witnesses to condemn a person. A demon has the first witness against them when they rebelled against Jesus. The Second witness is their work against The Kingdom of God. So they have the two witnesses needed to pass sentence.

Their final punishment is the lake of fire so they can be sent to the lake of fire, in Jesus' Name, and told to jump in.

It is to be noted that demons are not mentioned at the Great White Throne judgment when sentence is passed on humanity. They are in the lake of fire, their judgment having occurred earlier.

The Lake of Fire is the sentence Jesus has passed on them and not the abyss so it is more proper to send them to the Lake of Fire. Besides the big devils can climb out of the Abyss

The Dry Places:

They can be sent to the Dry Places, bound there and isolated from all other demons until they are cast into The Lake of fire or dealt with in another way by Jesus

The Throne of judgement:

They can be sent there to be dealt with by Jesus. It is outside of heaven, as demons cannot enter heaven to approach The Throne of God

How to punish them:

The demons have stolen something from a person, so you command them to suffer seven times the equivalent of what the person suffers as a result of their attack. A thief has to repay four times what they steal, and demons have stolen health and wholeness from us, so are forced to repay this seven times. You command they suffer the equivalent as what we suffer is far less in proportion to their ability take punishment than what we are able to take.

This is in addition to where you send them.

How will you measure the success of this course?

Only The Holy Spirit will be able to tell you how you are doing at implementing the information learnt in this course. So it is worthwhile checking with Him on a regular basis to see how you are doing in this aspect of spiritual warfare.

Deliverance does not end with the deliverance session:

As you continue in your Christian walk there will be other areas in which you will need deliverance as well as attacks from Satan you will need to fight. At times Satan will try to use the attacks to make you believe you are not delivered in an area, or deceive you into giving him an area of your life to control.

Remember that Satan needs you to accept what he asks you to do or say before you will sin. Every temptation is Satan trying to make you accept what he is suggesting so that he can eventually control an area of your life or make you sin, or both. So reject what he says and you will not sin.

The Five Steps are your method of defence and attack so use them every time you get a wrong or negative thought, emotion or sensation as these are not from God but from Satan.

For the first year or two you may need to use **The Five Steps** constantly as you need to remove things from your life, but in the end, Satan will be removed completely from your soul, as well as any damage he did to it and you will be purified and Jesus will be Lord of it; so that Satan will have great difficulty in gaining any access to it or your mind.

After years of using **The Five Steps**, I still use them sometimes just in case I need deliverance in an area he is using to attack me.

What Jesus is Lord of Satan, will fail in his attacks against. This is because if Jesus is Lord of an area of your life He will have difficulty attacking you and making you accept his control or influence in that area of your life.

This perhaps is one of the most important things in maintaining your salvation. Giving Jesus all to be Lord of and removing Satan's influence in any area of your life.

This can only occur as you keep your eyes on Jesus to see any area that is not His and listen to The Holy Spirit to know what to do about it.

Because you desire Jesus and His purposes, Satan will not be able to get a foothold into your mind and you will have all you need to live for Jesus, to serve Jesus as He desires you to serve Him, as well as to fight Satan victoriously (**Matthew 6:33**).

The Vision:

What is my vision for Christians?

Every Christian able to:

1a Remove the damage Satan has done to them.

1b Remove the damage Satan has done to others.

2a To know how and when Satan attacks.

2b To know how to resist and defeat the attacks of Satan.

2c To know how destroy and defeat the plans of Satan.

3a Be able to clearly hear The Holy spirit and identify when a demon is trying to imitate Him.

3b Be clearly able to be guided by The Holy Spirit to do what Jesus desires them to do for Him.

3d To know how to correctly use the Gifts of The Holy spirit that they have been given by God.

4 Know how to use correctly use their delegation over Satan and his plans

Imagine every Christian being able to wholeheartedly desiring to do these things and being able to do them!

Like all spiritual adventures you will grow and learn more as you practice deliverance and spiritual warfare and as you can see it is really simple if you believe in who Jesus is. So you really have no excuse for not warring against Satan or taking people through deliverance.

You are all on a journey preparing for eternity in heaven and on this path The Father will provide all you need, including people to learn from. Never be too proud to learn from anyone. You can learn from a spiritual babe and be confused by the mature Christian.

How you let The Holy Spirit teach you, will determine how you learn. So learn to listen to Him in your daily walk and He will guide you to do the Will of Jesus now and prepare you for life in eternity

Remember, we are at war and deliverance is one of our weapons to remove the enemy and destroy his plans for a person through freeing them from the inputs of the enemy into their minds and body so that the enemy cannot control them anymore.

You will be either doing this warfare or be a person it needs to be done too, either a soldier fighting the battle or a victim of it unless you are teaching it, learning how to do it or resting from the battle.

Through The Five Steps you can free yourself so that you are no longer a victim.

The choice is yours and yours alone.

The Bible says that if you know to do good and do not do it then it is sin. So if you know now how to free people and do not do it when it is needed it is sin and if not repented of will lose you your salvation.

You have been warned

A note of thanks:

I am grateful to Tyane Boye for taking the writings to Jesus for Him to comment on them and for her spending the time to listen to The Holy Spirit to give me any guidance He had for me on this book.

Every Christian writer needs a prophetess like her to take it to Jesus and be the second witness to confirm what is being written - especially when it is as serious a matter as deliverance and fighting Satan.

I also thank God for the many wonderful prophetesses who have given me the insights contained in this book as I learnt how to battle Satan and destroy his works as I ministered too and with them.

A lot of what is in this seminar was learnt as I trained, delivered and taught prophetesses so it was learnt by practical experience by myself and with those that showed it to me.

Closing prayer

Lord, we give you all we have read and studied to be Lord of and to protect so we can do your Will in these areas. We thank you Holy Spirit that You will continue to guide and teach us as we seek to obey Jesus in these things, and Satan, we command you, in The Name of Jesus, to leave these areas alone and not hinder us in these works. Thank You Lord Jesus

for what You have done to enable us to reach this stage in our Christian life.

Amen

Deliverance Handout:

Introduction:

The following has been designed to help you guide someone else through deliverance but you can also use it to do your own deliverance or hand the prayer to them to say by themselves later.

You are only there to help them give all things to Jesus to be Lord of. You may command the Authority of Jesus delegated given to you but it is He that does the actual deliverance of the person

The deliverance is a personal interaction between Jesus and the person seeking deliverance. They do not have to say out loud what they are giving to Jesus; as, it is between them and Jesus. You do not need to know anything about them, but just to be their guide and encourager.

They can read steps 1, 2, 5 in their heart and all that needs to be said, even if only in whisper, so that the person, Satan and Jesus can hear it said, are steps 3 and 4 where you command Satan in Jesus to leave as well as command healing and restoration of the damage Satan has done to them.

Hindrances to deliverance:

Step two deals with hindrances to having deliverance so this step is very important because not doing what this step says will stop you

getting deliverance and if not repented of may cause you to lose your salvation.

The actual prayers:

Step 1:

So give to Jesus, quietly in your heart, anything that troubles you. You do not need to name the sins just the area the sin or problem is in for Jesus to be Lord of. All you need to do is to agree to give the following in your heart for Jesus to be Lord of. So give to Jesus any:

Moral weaknesses you have:

Sins you have trouble defeating.

Loveless acts toward others.

Circumstances or events you are anxious or concerned/ worried about.

Wrong emotions, habits, attitudes, values or wrong coping mechanisms you have.

Wrong understanding, knowledge and learning, wrong worship or attitudes to God.

Hurtful memories you have that cause you problems of any kind.

Wrong relationships you have.

Betrothal (engagement) and social activities.

Marriage, family and any problems in that area.

Employment.

Ministry.

Any wrong agreements or contracts ... whether or not you know you have made them.

Past hurts, traumatic events and other events that have hurt you in ally way

Anything, in you or that you have done that is, not of Jesus or His Kingdom which He is not already Lord of. Whether or not you know these things are there.

Anything The Holy Spirit tells you now to give to Him for Jesus to be Lord of and to make certain you have not missed anything, pray as follows:

General Repentance:

Lord, Jesus, I want you to be Lord of all my life. I give it to all You, as well as anything that stands between You and me, whether or not I know they are there. Show me these things Lord that separate us so I can deal with them as you want me to deal with them. I want to do Your will in all I do Lord, and I ask You to help me to do this. I give it all to You, Jesus for You to be Lord of so that. You are Lord of all I am.

Give Jesus also the causes and results of all these things.

Step 2:

The Lord says you are to forgive everyone who has hurt you in any way. If you deliberately do not forgive anyone who has hurt you, the Father in heaven cannot forgive your wrongs against Him. So you do not go to heaven (**Matthew 6:14-15**).

You may need to pray as follows

Jesus, I forgive all who have hurt me.

Lord! Help me to forgive those I have problems forgiving so I can obey you in this area.

Give any problems you have reconciling to another as this is usually caused by Unforgiveness or fear of man (or woman).

You may need to pray: as follows:

Lord, Help me to reconcile to those I need to reconcile too and to do what I need to do this.

You may also need to repent of a sin you know you are doing.

You may need to pray:

Lord, I repent and want to stop doing anything that I am doing that is wrong. Help me to do this so you can be completely Lord of my life.

Step 3:

Now command Satan to leave and to take all He did to you with him:

Satan, I have given al, these areas of my life, to Jesus to be Lord of so you must go from these areas in Jesus' Name, to the Throne of Judgment to be dealt with by Jesus. In Jesus' Name you are, to take with you everything in, on or around me or that you have done to me at any time.

Step 4:

In accordance with the Will of God, I command in Jesus' Name, healing of everything Satan did to me and In Jesus' Name, I command restoration of the sound mind as well as all else that Satan took from me.

Step 5:

Holy Spirit please fill me completely, refresh me and anoint me freshly to serve you as an obedient citizen of the Kingdom of God, and member of The Body of believers on earth.

Thank you Father, Lord Jesus, Holy Spirit, Amen

The following prayer gives permission to Jesus to do whatever He needs to do for you without asking your permission and needs to be prayed only once or repeated only if The Holy Spirit says to do so:

Father, Lord Jesus, Holy Spirit, ministering angel - I give you all permission to do anything you need to do too me or for me without the need to ask my permission to do these things.

--- END ---
