

## Prophetic Word for 2020: Strategies for Increase and Acceleration

Doug Addison [Episode 109]

January 2, 2020

Hey everybody, Doug Addison! Welcome to *Spirit Connection*. And welcome to 2020, the new decade! I'm so excited, I've got a prophetic word for the year and where we are right now. Plus, you'll wanna stick around because I'm gonna do some activation prayers, some Q&A at the end.

If you're watching on my website, [DougAddison.com](http://DougAddison.com), you can chat in right now. And even on some of the ... I guess on Facebook and Twitter, too. But my team is gonna be getting me the questions that I'm gonna be looking at a little bit later on. And also, stick around because I have an offer I want to tell you about, that we're doing a special training this month. It's gonna really be powerful for you.

But maybe you need to just get encouraged every day. And if that's the case, you can get my *Daily Prophetic Words*. #dailyprophetic. Go to [DougAddison.com/DailyProphetic](http://DougAddison.com/DailyProphetic), get them delivered to your email address. Or follow me on social media. Facebook is [TheDougAddison](https://www.facebook.com/TheDougAddison); Twitter and Instagram, [DougTAddison](https://www.instagram.com/DougTAddison).

And I'm really excited for what's going on right now. And right now, let's just pray, get this thing going. Lord, we thank You for Your goodness. We thank You that You're moving right now. There's been a lot of warfare around this prophetic word. I'm trying to get it written and recorded. And I know that there's been so much try to come against what You wanna do, Lord, but You're the one who wins in the end. So we ask now that Your power, Your glory would come on Earth as it is in Heaven, in Jesus' name. Amen.

Well I'm really excited that God has a prophetic plan. That's what He told me. Isaiah 5:19. Now you'll wanna look this up in *The Passion Translation*. It says, "Let the prophetic plan of the Holy One of Israel come to pass so that we can see it." To see what it is. So, God has a prophetic plan for you. And this is a year that He's releasing things on a greater level that I've seen in a very long time.

So, God's opening the spiritual atmosphere right now. He's opening things up. And it's called the Books of Understanding. It's a spiritual book, and it's not a physical book, but

He's revealing things, the callings and the purposes of your life. In fact, the very reason you were created is about to be revealed. So, don't be discouraged if things aren't clear yet, if you're not seeing these things, if you don't have the bigger picture, it's gonna open in the next few weeks and months.

The full picture is coming. God showed me this, 1 Corinthians 13:9–10, "For we know in part, we prophesy in part. But when completeness comes, what was in part disappears." Now, I don't know if you've ever heard this verse, and especially around prophetic words and things. We don't always have the full picture, you know? God wants us to operate as the body of Christ, or a team. And we need to be on the same team.

And so quite often, we won't get the full picture. In fact, we see in part, we prophesy in part, we know in part. But God says He's releasing completeness this year over some things that have been unclear. He's gonna give you the full picture this year about your life. And there's been some missing pieces that need to come together. And He's bringing a new level of wisdom and understanding to you. Your ability to hear the Lord is gonna suddenly accelerate this year. Sudden acceleration. Some people call it "suddenlies," but I call it "sudden acceleration."

Amos 9:13 in *The Message* translation, "Yes indeed, it won't be long. God's decree. These things will come. They will happen so fast it will make your head swim. One thing after another, on the heels of each one, you won't be able to keep up. Everything's gonna start happening at once. And everywhere you look, blessings. Blessings like wine is gonna pour from the mountains and the hills." Amos 9:13.

Oh man, that's a verse for this year. That God's about to shift things into high gear for you. When it looked like everything was going one way, it's gonna suddenly shift and go the other. Things are gonna happen quickly, so get ready for positive changes that are gonna come. This is an exciting time of surprises. I keep seeing surprise angels, these angels of surprise being brought around. And prophetic people don't like that. We like to know what's going on. But God's doing something like this. I saw logjams suddenly being opened like things that have ... backlogs of blessing and logjams of revelation. Logjams of finances and spiritual advancements are gonna start to break loose this year. And you're gonna start getting deeper revelation, deeper wisdom.

Now the deep revelation is coming. Jeremiah 33:3. I saw a gate. The Lord said you wanna get out of this gate, you wanna go through *this* gate. He says, "Call to me, and I will answer you with great and unsearchable things that you do not know."

So Lord, we call upon You right now. We want that Jeremiah 33:3 gate that would open up over us that will give us those things that we do not yet know.

So God's releasing dreams and visions and spiritual words. There's gonna be prophecy start to flow, a lot more specifics with details. In other words, with completeness. Not the whole ... Now, don't get me wrong, it won't necessarily be fully complete, but those missing pieces of the puzzle that you've been looking for are gonna start coming into place. Not all at once, but you will see it as you pursue it. So there's gonna be a

breaking off of discouragement. So that maybe you've been feeling like you're under the battle, it's really hard to hear God. I know that I've had to battle and shift gears in all that I do.

But watch for new joy to start flowing. Gladness and joy. Jeremiah 31:13, "I will turn their mourning into gladness, and I will give them comfort and joy instead of sorrow." Boy, I don't know about you, but I need that. And I asked the Lord for it. Who needs that joy that, you know, that ... I dunno, let's just break off all the old stuff right now. And have you ever felt like God, you know, you cried out to Him, and you felt like there was no answers. Well, there's gonna be a change this year in that. God's blessing you right now, actually, He's gonna start opening the heavens even in this broadcast.

It's time to reap with joy and gladness. It's time right now to come into agreement with Gala ... Let me just say this, is that Galatians 6:9, "Let us not become weary for doing good, for in the proper time you will reap a harvest if you do not give up." I heard the Lord say, "don't give up because this year is a time to reap." This is a time of starting to see answered prayers, repayment for pain and suffering.

There's gonna be some prophetic strategies that are gonna start to come to you that's gonna bring increase in your life. Strategies of increase. That's one that I really ... I pray and ask the Lord to show me this each day. Matthew 13:8. When I was praying, He showed me this, and it's the seed and the sower parable that Jesus talked about. Talking about the, you know, some seed fell on the path, and some fell here, but still other seed fell on good soil and produced a crop 100, 60 and 30 times of what was sown. Well, this is a time ... God's gonna start releasing these seeds of revelation and these seeds to produce things up to 100 times. I saw 100-fold return, which I wanna mention a little bit more later. And I'm gonna pray over this, but it's gonna come in the form of revelation and dreams, visions, business ideas, innovations, new jobs are gonna start to come. There's gonna be a shifting and ways to get out of debt, maybe to create financial blessing because we need it right now to bless the world with all the tragedies that are going on. And this is the year of financial turnaround for many people.

God's gonna bring new authority to you. Revelation 2:26, "To the one who is victorious and does my will to the end, I will give authority over the nations." The Lord spoke this. He said, "Don't give up doing good right now because the harvest you're about to reap is getting new authority to be able to pray, prophesy, speak into your situations and others' situations." And we've had to battle actually to get results, but your results are gonna be spiritual authority. And you're gonna see an increase in your effectiveness through your prayers, through your spiritual gifts.

Spiritual authority is coming this year. The Lord said, "I'm gonna use your current trials to strengthen you. That's why you've been going through it. I'm gonna use the difficult times in your personal life to bring you into a place of greater authority in your family, in your city and nations. But here's the thing. God says this to me often. You know, when I'm under attack or maybe I'm going through it here at my house, He says, you know, "If you can't take authority in your own house, how are you gonna take nations?" That's why He encouraged me to, you know ...

Everything that you do every single day, do it as if you're doing it to the Lord. Don't wait 'til you're just, you know, at church or around someone. You know, you work each day as if you're working to the Lord because it's the Lord you're serving, not, you know, worldly masters as Colossians, I believe it is, says. And so, this is a day, this is a time God's gonna give you greater authority. And we are gonna move into a place of having authority to pray, prophesy and open the doors. But it will be rooted in love and not judgment. You have to be very careful with this.

The Books of Heaven are now being balanced. Now there are books in heaven, there's an increase coming based on how much you have actually suffered. How much your difficult time was. The books that I saw being balanced ... these didn't have anything to do with the Book of Life or, you know, one of the other things. These are the books, possibly of repayment. I don't know, but I saw these books being balanced in Heaven, and God is releasing repayment for the injustices, things that have happened.

Now Matthew 19:29 is the verse, Matthew 19:29, you will want to begin to pray, decree this and prophesy this into your life: "But everyone who has left houses, brothers and sisters, fathers, mothers and wives, children and fields for my sake, ..." Jesus says, "... will receive a hundred times as much and will inherit eternal life." Now this doesn't mean ditch everybody, and you can, you know, leave your family. It just means that at the level of sacrifice that you do ... I sacrificed all this, but I still engage in my family, you know, and that I sacrifice these things. Sometimes you get caught up in ministry and forget about your family. And there's a balance coming to this. But the Lord says there's gonna be like the 30-, 60- and 100-fold ... There's gonna be some 100-fold blessings come. There's greater levels for those who have given or suffered. It's gonna come to people, churches, businesses, cities.

There's gonna be a shift in the financial atmosphere for a new healing. I saw churches and these different places, even businesses, becoming new revival hot spots. Places to go for prayer. You ever go to a church that has conferences a lot and things like that? It's because they opened up something. Well, there's gonna be some new ones of those this year. And God's gonna open up some "hot spots" of the anointing to go, like healing wells are gonna open. And watch for those things to happen. Now, it's not to have meetings every night and to do the old ... Any type of old model where you might wanna just try to fall into that, or make it happen. This is just gonna be a refreshing time as God is gonna bring the 100-fold repayment for those who have suffered and waited on the Lord. Because if you're listening to me, you qualify, probably.

So there's gonna be surprise promotions come this year. Matthew 19:30, it's part of that verse, "But many who were first will be last, and many who were last are gonna be first." The Lord said, "I'm gonna be shifting authority here." And there's gonna be a shift in leadership. Doesn't mean that your pastor's going, or if you're a pastor you're gonna lose your job or anything like that. It's saying right now that there's promotions for people who have humbled themselves, who've given it all. It doesn't mean that you have to become a pastor or a leader. It's just saying that there's gonna be a shift in the authority in the leadership. I walk in a leadership anointing that was given to me that I worked up and worked through, but it doesn't ... I'm not a pastor of a church, so to

speaking. InLight Connection is an internet church, so you might say it. But I'm not a standard pastor. What I'm trying to say is God is doing something outside the box. It's a new wineskin. I'm a new wineskin for even prophets. I have a new way of operating through the internet. I do the different things. I'm a stay-at-home prophet.

And God is doing something right now. He's gonna shift the leadership. He's shifting authority right now. He's doing something where those who have never been known will suddenly become known. Or those who are called "the hidden ones," they were the ones that have been hidden until now. But you cannot make this happen. You gotta let God bless you, you gotta humble yourself to be lifted up. But right now, God is gonna open the eyes to you for things.

And I pray every day, I decree verses every single day. I ask the Lord to open my eyes that I can see. See the things that Satan doesn't want me to see. See the things, Lord, that You want me to see. I ask for favor. And I use different verses, sometimes, as I do that. And I pray in the secrets and the mysteries to be revealed. Been doing that for years, and then suddenly it shows up. So this is a year to begin to speak into those things.

But maybe God spoke to you a few years ago or maybe in the past, and then suddenly it went quiet. I had a visitation of the Lord on this. And the example is Luke 24:30–31, when ... Now this is the road to Emmaus, to bring you up to speed in case you don't know. Is the road to Emmaus is when Jesus was crucified, He was ... He rose again on Sunday morning. That He had not yet gone back to Heaven, and the road to Emmaus is one of His early encounters He had with two guys walking up a road to Emmaus. And He starts opening up the revelation to them. They said they ... their hearts were burning inside of them with revelation. Let me just read it. "And when He was at the table with them, suddenly Jesus ..." (this is Jesus) "... He gets, and He breaks bread, He gives thanks, and as He gave it to them their eyes were opened, and they recognized Him. Then He disappeared from their sight."

Now, when the "road to Emmaus experience" happens, it's actually common. The Lord wants you to understand this. People ask, "Why did I get all this revelation, and then suddenly the Lord went away? Or it just never happened? Or ..." And it's because of this. It's a principle. He says, "I'm gonna go away, but I will come back." He says that, you know, and of course that's the second coming. But also, it's a spiritual principle that happens. He comes with revelation, then He pulls back. And in this case, He gave direct revelation to these guys and suddenly disappears. This principle that many people miss is that the Lord speaks, He gives you deep things, He opens your eyes, then He will disappear, or pull back from it for a while, so that you need to contend.

Well, this year the Lord says He's returning on some of these things that He's spoken to you previously. The Lord is gonna return to you on some of the things that He has spoken to you previously. I know that for me, I've got a bunch of 'em. I've got one big one, and it was in 2017. I had 50 days of heavenly encounters. I mean these were powerful, behind the veil of Heaven. And then, you know, it was almost like He disappeared. He told me some things, then I went through a rough time contending for

it. This is the year of the start of that, this decade that we're moving into right now. In fact, this is beyond a season. This is a new decade. It's a new era and that there's a turnaround that God is gonna establish something new that's gonna bring you into His rest. That's where you, you know, like you don't take off work or anything like that, to move into His rest. You could, but you'd probably be attacked. It's better just to move into His rest in the ways where you ask Him to show you where to focus. I enter into the Lord's rest, where I get more done by doing less. Doesn't make sense. It's one of those spiritual principles.

But this year, this decade, is about entering into the Lord's rest, and He will fight your battles. And so, many people are gonna start receiving new revelation. Your Book of Your Life Purpose is coming this year. I'll repeat it: your Book of Your Life Purpose, these are your greater purposes. The reason you came to Earth is gonna be revealed this year. So I wanna pray and activate this, then do some Q&A here in just a minute.

God, we thank You for this word. Lord, I ask that this goes out to the world. I pray, Father, that You would open our eyes like on the road to Emmaus, that You would break the bread and open our eyes.

See, when Jesus broke the bread, that's the word. He showed things. Another place, He blew on His disciples or put His hand on their head, and He said, "Receive the Holy Spirit." One time He puts His hand on their head and He says, you know, to open their minds to understand the Scriptures. That's what He's doing this year.

Lord, we pray that. We pray that You would open our minds to understand the Scriptures, to understand the prophetic words that have been spoken, to understand the times and seasons. I ask that You activate this prophetic word, Lord, where there is an opening up of the strategies to make finances for the Kingdom. There's opening up of the strategies to bring increase and to get people out of debt, out of emotional turmoil and into Your will, in Jesus' name. Amen.

Whooooeee! God's gonna do something! I feel it. And remember my website, DougAddison.com. And there's a presence of the Lord is here right now. And I just wanna linger in that just for a moment. Just let that continue to flow over you. You'll wanna come back and listen to this again because there's more to it. It's got power pack.

And I do the *Spirit Connection* webcast, now it's just actually a podcast. I do it every ... the first Wed ... excuse me. Used to be just the first Wednesday of the month, but now it's every Wednesday. The first Wednesday, like I am right now, I'm releasing the prophetic word for the month. This is the one for the year. But after this, I do a weekly. So check out *Spirit Connection* every week.

And I've got an upcoming training that I'd like you to consider. And that is, it's called *Activate Your Life Purpose*. And it's gonna be on January 18, it's gonna be 2 hours, 10 to Noon Pacific Time. Normally \$37 for the 2 hours, I give you the notes, you can do

some Q&A with me. It's gonna be very powerful. I haven't taught on this in quite some time. In fact, I put away my *Activate Your Life Calling* hat for a while, and was really focusing on the Courts of Heaven and different things. I'm gonna bring it back out because the Lord told me this is the year to do that. So if you wanna sign up for this right away, you can save \$5, you can get it for \$32 by Sunday, January 5, I believe it is. But we'll be doing that webinar, that's not a webinar, it's an online training, it's an online workshop and it goes way deeper than what a webinar can do. And there's a lot of interaction.

Also, you wanna come a live event. I'm gonna be in San Diego with my good friend Jerame and Miranda Nelson. It's the *Decree Prophetic Summit*, January 1–5, myself, Jerame, Miranda, James Goll's gonna be there and my new friend, Charlie Shamp. And it's gonna be really powerful. We all have prophetic words to release, so if you can come to that, that'd be great. Or check out [DougAddison.com/Events](http://DougAddison.com/Events). I believe it's gonna be livestreamed, so you'll wanna check it out and get that. You know, you wanna get there or get that, that's for sure.

You can give to what we do, and you can give online. Just go to [DougAddison.com/Give](http://DougAddison.com/Give). There's a lot of different ways. One is that you can get through my app, Doug Addison App. Or you can text the word L-O-V-E to 45888. And you can also become a partner with us. And people become partners ... and when you become a partner, we have a lot of benefits for our partners. I pray for the partner ... We have a partner portal and website, and a private Facebook group. I do a mentoring video, and the partners, if you, for the 2020 year, you're gonna be invited automatically to my monthly mentoring call that I do over the phone, which is actually over the internet now. But there's a lot of benefits for becoming a partner. Just go to [DougAddison.com/Give](http://DougAddison.com/Give) or [Partner](http://DougAddison.com/Partner), /Partner if you wanna become a partner. That's just people who donate every month to us and join our team to reach the world with God's love.

Anyway, I'm really, really excited for what's going on. Got a couple of questions. We got some Q&A time here before I end. And someone asked this question:

Last year, you said that the Books of Life were opening. (That was my prophetic word, Your Book of Life was opening.) So what's the difference about the Books of Your Life Purpose (as I'm talking about this year)?

Well, here's the thing. Psalm 139:16 talks about your Book of Life. And we ... We know that there's a Book of Life that opens over us every year. It's like an assignment. Your Book of Life is an assignment that the Lord gives you every year at the Jewish New Year, Rosh Hashanah/Yom Kippur. During that time, which was for—last year it was in October—that's when He opens your Book of Life for you. Now last year, part of my prophetic word was that our Books of Life were gonna open. They were a greater level. And now the Books of Life did open, and now your Book of Your Life Purpose is coming.

And there's lots of different books in Heaven. Your Book of Life opens every single year. This Life Purpose is something greater, and I saw them. These

Books of Your Life Purpose were the reason many people, not everyone, but many people are gonna step into the very thing that you came to Earth to do. Now, no matter what your age, there's a shifting ... Maybe you won't do it yet, you won't actually start doing it, but it's gonna be revealed. This is the year to reveal things. Reveal what is concealed. And I'm excited about it.

So, this year it's a bit different. That's why I'm doing a little bit more of the Life Purpose, I'll be running some training like I did last year. Last year we did the *Diving Deeper into Your Destiny* in the month of February. We'll be doing another one this year in the month of February and March. It's gonna be an 8-week, going ... It's not gonna be called that, but going deeper into your destiny. But it's basically opening up the things for God and getting into your Life Purpose. And it's gonna be a mentoring time with me. So the difference between those books, to answer the question, is that one is an assignment every year. This one that's going on right now, that God's opening, is definitely a greater level of the reason that you were created.

Now talking about the books in Heaven, I got a question here from someone that says, "What are the Books of Remembrance, and how do they relate to this next year?"

Well, the Book of Remembrance is mentioned quite a few times throughout the Bible, which is kind of cool because it's another, you know, reinforcement of this teaching that I do a lot about the Books of Heaven that you can get revelation and come into agreement. So Malachi 3:16, "Then those who feared the Lord spoke to one another, and the Lord gave attention and heard it; and it was written in the Book of Remembrance about them." Now the Book of Remembrance is kind of like an honor roll, so to speak. Or, you know, maybe you did something, you got a breakthrough, and God mentions you in this Book of Remembrance.

This is where He's gonna remember what you did good. Of course, your sins are not put in these books, by the way. Your sins get covered. Just ... that's why you want to repent that the blood of Jesus, just let Him cover ... But the Books of Remembrance go into this time of the Lord releasing out repayments for judgment, repayments and ... When time of your justice system of the Lord is opened each year, like right now the books are being balanced. So the Books of Remembrance are actually being used. And these are things that you've done. Maybe you don't even realize it. They got written into a Book of Remembrance so that the Lord would remember. It's really a good thing.

I got one more question here. Gabria asks that I mentioned Psalm 16:11 and is about the Pathway of Life.

So I'll just read it really quickly is, "You make known to me the pathway of life, and You fill me with Your presence, with your eternal pleasures at Your right hand." Now I talk about ... In fact in my last few sessions, I've been talking about cleansing those pathways that ... Bobby Conner actually has a good teaching on this, and I've

been picking it up, and he helped me with this. But if you wanna cleanse the pathways that the enemy will run on. The enemy runs on pathways, trying to access you. Now these could be open doors. These could be things in the past, like ... you know, anything ... Maybe you've had some things that was a generational curse, or some things like that. And so that's what the pathways of the enemy would look like. But God wants to ... He wants to just totally blow those away, disconnect you from that realm and bring you into that place of everlasting pleasures. He says that and a greater level of authority that's coming this year. Wow.

Well Lord, we thank You for Your good, good ... Wow, the good word that's coming right now. I just feel strongly that the Lord even just shifted something right when I was praying, and He started to download things. And I almost lost my train of speaking because it was something it was starting to get downloaded over you. And we pray, Lord, to come into agreement with these things on Earth as it is in Heaven, in Jesus' name. Amen.

God bless you. See you soon.
