Part 1

Earlier this year, 2020, The LORD had me revisit this.

14 years ago, in 2006 — The LORD said to me ... that **“Just as I brought down the Iron Curtain ... the East / West wall, so to will I bring down the Great Wall of China”**.

In June 2006, as I watched a news report of the final completion of the **3 Gorges Dam** in China, which is the biggest hydro electrical project ever constructed in the world, I saw the concrete workings of a *temporary* coffer dam, the equivalent to **400** ten storey buildings, detonated with massive amounts of explosive force ... IN SEQUENCE ... in fact, **555** separate explosions concluded this sequence — in just **12** seconds — and **the foundations and the walls completely disappeared**.

A cofferdam, is also called a “coffer”. Which is an enclosure built within, or in pairs, across a body of water, to allow the enclosed area to be pumped out. This pumping creates a dry working environment so that the remaining work can be carried out safely.

I felt The LORD say, **“When I bring down China’s great wall (spiritual), the dam (spiritual) will burst with even more explosive spiritual power, more heavenly energy than you see now in the natural. When the Great Wall of China comes down ... it will be LIKE this, only greater”**.

There is more that lies behind this statement. The flow of which in the spiritual, is representative of the flow far far greater, than the 4 billion gallons of water that are flowing through this temporary part of the project of 2006.

In order to accommodate the construction, to remove silt build up and reduce water levels, a **great underwater ditch was excavated** in the base of the **physical** gorge itself.

In 2006 I heard His voice say, **“The next phase has begun, there is greater to come.”** In 2020, I hear Him say, **“These are the GREATER works, that ye (His Church) will do.”**

In fact in 2006, I sensed in my Spirit and in part saw and believed, that God is building, creating Himself, **His own great irrigation ditch**.

In order bring forth a surge of great revival and blessing. (The 3 rivers that flow into the Dam, enter a great natural gorge. This Gorge will be “like” **a great spiritual ditch**, that God has dug to fill with the flow of souls).

So, saints of God — dig **your** ditches of faith deeper, to prepare for the coming flood of His rain. God’s waters and its surge, when it comes, will **bring nations in with it**.

When it comes, we will see what no eye has seen, we will hear what no ear has heard, we will understand what no mind has conceived, what **God has done** for those who love Him.

But these things that are now, are revealed by the Spirit, to His children, as **both a natural and spiritual reality**.

Praise The LORD!

Again in (2006) I heard The LORD say and this is to all of you... “**There will be more spiritual voices to come forth on this matter**”.

So, children of the Living God, be bold, be strong, for The LORD your God is with you and amongst you and for the people of China. Amen. To Jesus is all the praise and all the glory, now and forever more. Amen.

As if to prove, emphasise His point, I later read a newspaper report, that calls the 3 Gorges Dam ... the NEW WALL of CHINA ... whatever is built, it cannot be built to keep God **out**, but to bring God **forth and through**.

The sequence of the 555 explosions, applied to the coffer dam, took just 12 seconds and was applied only to the *last*, of the coffer dams and not the main dam wall itself ... which is 2310 meters long and 185 meters high.

Can you imagine if this is what happens to the coffer dam, what will the spiritual consequences be, when the **Great Spiritual Dam itself, is divinely detonated** and exploded by Him who is ALL mighty?

How quick may it be, for when the sequence begins, The LORD will not be slow.

It was said in 2006, of the triggering of the explosions of the coffer dam. That “it will not cause any geographical weakness or earthquake” maybe not.

But it is certainly a trigger to call and bring forth God’s spiritual earthquakes and upheavals. I also sense that it will be *like* Nineveh, but only greater and higher, wider, longer and deeper and **move half a continent** into the nets and arms of The Living God.

In Nineveh — after Jonah’s 8-word message — “*Yet forty days and Nineveh will be overthrown,*” (Jonah 3:4) and 120,000 kneeled down in sackcloth and ashes.

Eight is the number of new life, resurrection and new beginning.

For a nation, a continent that that lives in darkness, that is lost in that darkness. So much so they can't distinguish, they can't see "their left hand from their right".

They can't see God, they can't see Christ's hands, they can't find Him. But God comes, God calls, for God longs for China.

The LORD God reaches for China and the continent of its peoples. Not to stay in darkness, not just so that they **see** the light. But to **live in** the light of the Son and to **be** His Light.

The light that both reflects and shines out of the love that is His life, amongst this nation and the continent of its peoples. **That China may be His Ambassador to it's own people and an Ambassador of God amongst the nations.**

When the coffer dam exploded, in the natural it drove the **fish away** from the dam. When God breaks China's, China's Great Spiritual dam wall, it will drive **the fish to Him**, into, His prepared net.

This initial explosion, occurred on the 06/06/2006 ... **666**.

Have no doubt, The LORD God had His own date, His own time in mind for one of China's main events.

In 2020, I heard explosions, detonations going off in the Spirit. Then I heard Him say "**the explosions are about to begin.**"

Part 2

Earlier in 2006, I wrote and repeat here, that just as China, dug a great physical ditch in nature's gorge, to accommodate the working of the great Dam. so to, in contrast, The LORD God has built, is excavating, His own spiritual ditch, but to fill with the flow of many, many souls.

© Reuters

In March 2020 when led again to revisit this, I saw this ditch **afresh**, in The Spirit.

The ditch was very, very long, so long, I could not determine it's 'true length'. But, it was wide enough and constructed in such a way, so as to take the **full body lengths of 3 bodies**, laid toe to head, toe to head etc. With the head, pointing to the right.

This formed the **width of the ditch**. All the bodies were dead, they were **grey faced** corpses, laying **face down**, along the full length of the ditch. **All**, were clad, head to toe, **completely in grey**

The number **3** in Chinese [三] means, in its *positive* sense, 'to live' or 'life'. But also, the number 3 in Chinese, 'sounds like' a word, that means in the *opposite* negative sense, 'to split, separate', 'to part ways' or 'to break up with'.

I feel The LORD God is about to **give life** to dead souls, that will *separate* them from death unto life, *parting* the darkness from the light.

The bodies laid **face down** in the ground, were laid face to back, face to back, stacked on top of one another.

Without any intentional separation between, which is unusual, as usually, Chinese culture separates the dead by placing singly, in coffins. What I was shown, in fact, is more typical of times of **war** or times of **plague**.

When the sheer numbers of dead are unable to be buried in the normal way.

Grey in Chinese, is symbolic of, *humbleness* and *unassumingness* and relates historically to China's **ancient** times.

When also, **ordinary** people wore grey clothes and had predominantly **grey** coloured houses. Today, grey in Chinese can be used to describe something *dark*, *tarnished* or represent gloomy weather and emotions

I now hear, “**I will make the ordinary great and the great to be ordinary.**”

To lay **face down**, is also to prostrate oneself, to humble. To prostrate, is defined as, **to reduce to submission, helplessness or exhaustion.**

I feel The LORD is saying, He will ‘**humble**’ China and she will be ‘**helpless**’ in her attempts to prevent His new life, His new birth, coming to its peoples.

Nor in fact to the whole of the earth, despite China's global desires for herself. He will ‘exhaust’ her efforts and attempts, to stop what He, The LORD God has ordained.

I sense also, the more the effort is exerted to *decrease* and prevent God's coming great abundance in salvation, the more His **increase** will be. The greater the means exercised to *divide*, the more it is that He will **multiply**.

The more the attempts to *separate*, the more that it will **unite** a people and a nation to each other and to Him.

Also, in Chinese culture, to lay a corpse face down, is symbolic in that, this position demonstrates a **deliberate** attempt **to stop rebirth.**

There will indeed be *much opposition* in both the natural and in the spiritual. But I hear, “**They will not succeed, they cannot stop what I have ordained. For I AM the resurrection and I AM the life,**” being separated to live unto Him.

His voice added, as His reminder of scripture, “*They will **not all** sleep,*” (1 Corinthians 15:51). Emphasising His decision, determination and zeal, in the application of His will and might, to bring all this about.

Demonstrating also The LORD's dominion, supremacy and sovereignty. Not just over all life, but also over death. He will not allow man to determine who lives and who dies.

I look again at the corpses of people, laid *face down* in the great ditch and sense, “**She (China) will not save face.**”

Which is both a statement and an outcome. But in lowliness and humility many will be separated from darkness to light, from death unto life.

I get a sense also, that He will return to the Chinese people, a sense of their lost dignity, in spite of the ‘control’ operating through China's ‘systems’.

That generally downplays, lessens and suppresses the culture of the individual. Through this, He is also challenging China's concept of "truth", who's culture and emphasis is *less* on telling objective truth, but *more* on what the situation and relationships call for.

The **grey** corpses, within the whole length of the ditch, were **all** dressed in the same **grey garb**. Typically of a loose, collarless shirt top and matching loose bottoms, that resembled a traditional "Tang suit".

The front seam of the shirt top has small knotted buttons, called "**frog**" **buttons**. That can both secure across the chest and down the front seam.

The corpses however, were not just laid toe to head x3, forming the **width**. But they were many layers deep as well, face down in the earth, composing the **depth**.

I had the sense for some reason, that they were predominantly male. Though females and males both dress in this same loose clothing.

Grey represents a half light, that is neither in light, nor neither in dark. Grey represents something of China's **ancient** ways.

But The LORD God, the **Ancient of Days** is to "**make known now, to the principalities and the authorities in both the earthly and the heavenly [places], through the assembly, the manifold wisdom of God — that Christ may dwell in your hearts through faith; and that you, being rooted and grounded in love, may be able to comprehend with all the saints what is the breadth and length and height and depth and to know the love of Christ which surpasses knowledge, that you (China's body in Christ) may be filled up to all the fullness of God,**" (Ephesians 3).

China's **own ditch**, are of "*natural workings*" and reflect the dimensions *of the grave and the work and hand of the flesh of man*.

Whereas The LORD's construction, demonstrates the **dimensions of His life**, and the depth of His love and the **workings of grace**. Revealing, that the wisdom at Calvary, that **couldn't** be stopped back then, **can't** be and **won't** be, stopped here now.

China's traditional notion of *grey* speaks of "*ordinariness*" and of being *tarnished*, being *bleak* and of being *unassuming* ... But I sense in this symbolism, that for His people, His own in China.

He is producing, delivering and giving birth to a people who are **not tarnished** but are to be **without spot** or blemish. Whose hope is **not bleak**, for theirs is the hope of His calling. That there will be **nothing drab** nor **ordinary**, nothing **false** and that nothing that is created of Him, will be **unassuming** or **hidden** in any way at all.

I repeat what He said earlier. **“I will make the ordinary great and the great to be ordinary.”**

But rather than the ordinary, there is coming **a mighty flood unto salvation**, that will also cause **“a great washing”** that is to create a breaking away, a departing and a separating.

From both the *“ancient China of old”* and the regimes *“vision of their new”*. As I continued to ponder, I saw a flash of China’s red flag with its accompanying 5 golden stars.

Immediately it came, **“My red tide is coming and the stars of heaven will fall,”** and, **“The revered and honoured names** (the names of their deities) **shall mean nothing.”**

God is not just the God of the old, but rather the God of the new. **Isaiah 43:18-19** YLT

*“Remember not former things, and ancient things consider not. Lo, I am doing a **new** thing, now it springs up, Do ye not know it? Yea, I put in a wilderness a way, In a desolate place – **floods,**”* (emphasis added).

For He will cover them, both **the lands and it’s people**, with the depths of the living waters of His Glory.

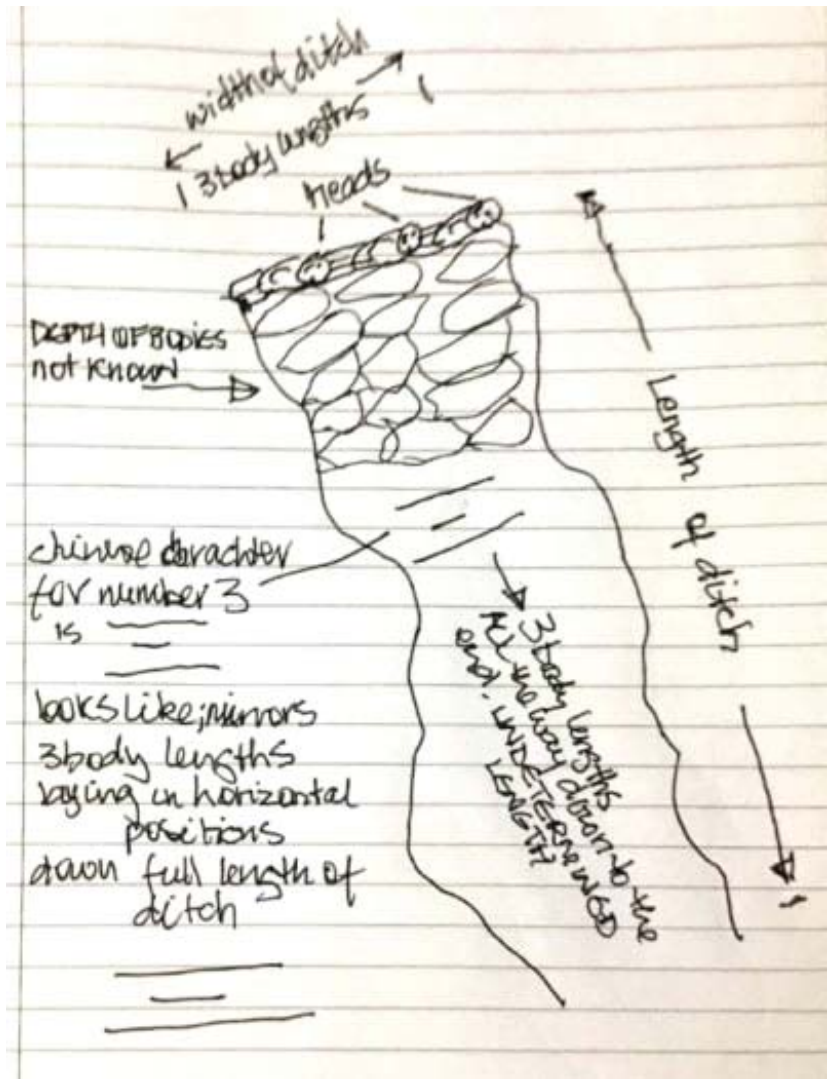

For He is to do His work, in which there is no suppression, but rather the divine release and expression, of the purposes and mind of the Ancient of Days. Causing His own to **rise high** from the mere confines of the earth.

For I could see ‘as it were’ His people ‘raised up’, **raised up and high**, both upon and above China’s lands. As if on platforms within columns of cloud, as human skyscrapers, rising high, high, springing up from the earth. Habitations, the abodes of the Most High seated besides Him.

I heard, **“They are above and not below; the head and not the tail; the consumer and not the consumed, not chasing her tail,”** and **“She will see the land, herself not being overlooked, but being overseers of her lands. As I was with Israel of old, so will you be with China of new.”**

His presence, guiding, instructing, leading and protecting.

Part 3

The **length** of the ditch was undetermined, as I could not see the end of it. But, all of a sudden, I saw the **grey faced corpses** that were laid **face down**, begin to quickly **rise up**, in turn, one by one.

Each corpse was held and swiveled in such a way, so I could see full on, **each face** from my vantage point. I thought “resurrection”.

But then I also sensed — these very many corpses, represented those that came from **China’s Covid-19 deaths**.

Currently, ‘officially’ numbered as around only 5,000 deaths. However, by another prophet’s ([James Goll](#)) recorded vision and statement, it could possibly be X30 times more, even at least (150,000 deaths) — and that might be for only the one province of the 23 in China.

As I watched more face down bodies begin to rise. I sense and believe, they represent the very many, the many, ‘indeterminable numbers’ of Chinese who are going to be raised, born again, through their faith in Christ – the **true** numbers, His **true** ones.

With the idea also, that they were not ‘faceless individuals’. That out of the ditches, from **the tragedy** of the many deaths, from the ashes and “beyond”.

There is going to be a mighty ‘**resurrection unto life**.’ Each one known, named and numbered, through a living faith in Jesus who is the Christ.

The ditch is Gods own gorge, Gods own ditch, that death once gorged upon. The LORD God, having gorged on death, consuming it, He now feasts on Life.

Earlier in **Part 2**, it was said, of the **width of the ditch**, that it ,

“Was wide enough and constructed in such a way, so as to take the **full body lengths of 3 bodies**, laid toe to head, toe to head etc. With the head, pointing right.”

As I looked at the bodies *laid* “**head to toe**” in the ditch. I realised that all the bodies were also *clothed* “**head to toe**” in grey.

A phrase came to me, “*from the top of the head, to the sole of the foot*”, which is from **Isaiah 1:6**,

“*From the sole of the foot even to the head.*”.

Looking at **Isaiah 1:5**, God's charge there, is one of **rebellion**, in a passage that outlines, generally **disobedience**. I feel through the imagery, He is charging China, with similar shortcomings.

The fact that, the *corpses* were laid lengthways, toe to head x3, three times, mimics the **3 negative definitions** of the meaning of the Chinese number 3, in Chinese, 三 . As the Chinese language has both *negative and positive meanings* to their words.

So “**3**” meant, in the **negative** sense, “*To split, separate and to part.*” As a nation, China, in their disobedience and rebellion to God, were split from God, were separated and apart.

But if the principle extended to Israel, were extended to China; if they “reasoned” (weighed; judged their condition, their unchanged situation and circumstance) as compared with the condition of Israel's UNHEALED state with God, as shown in **Isaiah 1:18** and saw their shortcomings ... they would “*live and have life*” which, to the Chinese, is **the positive** meaning of the sound of the word, **three**.

So, may He now, call to China. **Isaiah 1:18**,

“Come now and let us reason together,” says The LORD, “though your sins are as scarlet, they will be as white as snow; though they are red like crimson, they will be like wool.” “

Though these possibilities could be; it is still against the backdrop of what God **has decided** for the lost of China, His people . For His prophetic utterances show, what God is to do, and that it, His *word* will be done, according to what He has said.

The word “three”, Father God, uses here, it's sight and it's sound. Is to set and to separate, to both split **from**, and to split **at**, true foundational level.

Stating both the truth of the Gospel and by demonstration, the reality of the resurrection of The Son. That neither hell, nor man, nor nation, nor tradition, nor religion or ritual, nor culture, can ever stop or prevent, nor even begin to understand, (1 Corinthians 2:7-8) what He has, for those that love Him.

For it is written in **Mark 14:62**

“And Jesus said, ‘I am; and you shall see the Son of Man sitting at the right hand of Power, and coming with the clouds of heaven.’”

Is a reference to **Daniel 7:13-14**

*“I saw in the night visions, and, behold, one like the Son of man came with the clouds of heaven, and came to the **Ancient of Days**, and they brought him near before him. And there was given him dominion, and glory, and a kingdom, that **all people**,*

nations, and languages, should serve him: his dominion is an everlasting dominion, which shall not pass away, and his kingdom that which shall not be destroyed,” emphasis added.

This passage marks the reign of the Ancient of Days and the Presentation of the Son.

Three, 3, also expresses the whole encapsulated in 3, demonstrating fullness, in all entirety and completion. The number three, **3** has ritualistic significance at Chinese funerals, with many customary gestures being carried out three times.

But to the Church, the number 3 with Jesus (the grave) and with Jonah — is the sign of the **great fish** and is **aligned with resurrection**.

For He alone is the Supreme One ... *“and the living One; and I was dead, and behold, I am alive forevermore, and I have the keys of death and of Hades,”* **Revelation 1:18**.

So out of the calamity of the Covid-19 deaths, there has been **planned, in advance**, a harvest unto life. But Mark 14 and Daniel 7, points also, to the establishment of the Kingdom and the reign of its King.

As His flood unto salvation comes — the walls that **once restrained, will no longer contain, nor withstand what God has ordained**.

From His death comes His resurrection life. Only The LORD could **foresee** this, only He can achieve this and bring it about and to pass, in His timings and ways.

China — The Wall Comes Down: Part 4

July 27, 2020

Part 4

In 2020, I obtained some understanding that I did not have in 2006.

As there was no real need *then*, no real connection, to understand what I *now* record. **Hubei** is a **landlocked** province in **Central China**. Its varied terrain encompasses mountains, lakes and wilderness areas.

Wuhan, is **Hubei's** provincial capital and is also now known for the Three Gorges and home to the massive Three Gorges Dam.

Through the Dam in Hubei — the area, that was meant to bring life; is the same area in fact, that brought death — Wuhan; the COVID-19 epicentre.

Here however lies His epicentre, another, of a greater and different birthing by far. For positioned here, is His great gorge and ditch, His **womb** as it were, through which, the might of His living waters will flow.

Breaking forth with Life and with its mighty flow, bring the demolition of each and every, internally constraining and restraining wall.

A mighty flood, released **into and from** Hubei, that is essentially a **central** and **landlocked** province. This reminds me of Noah.

For just as the Ark of God separated Noah from the flood, China, separates herself from Him and the world's seas, the nations. In order she sail imperiously upon them, unhindered, commandeering the *external* places, she seeks, solely for herself.

I saw *internally*, within China, and especially in the centre and the south. I saw the waters within, *both* rivers and canals, rising rapidly. I saw lock gates “unlocked”, opening and closing with great industry and in increasing frequency.

Opening up the gates as it were, with ‘great shouts’ and the might and sound of an atmosphere of accompanying praise.

I saw **His ‘vessels’ being lifted, raised up to greater heights and accessing increasing depths**. Resulting in the bursting forth, the running over of both the natural banks and man made breakwaters, as if righteousness were bursting forth, from God's own ditches flooding the lands.

In the release of God's living waters — “**But *there*, the glorious LORD *will be*, a place **of broad rivers and wide canals**; wherein shall go no galley with oars, neither shall gallant ship pass thereby,**” (Isaiah 33:21) — the ‘vessels’ of The LORD

shall be lifted and raised, being positioned in readiness for His release.

First internally to China's own, and externally, influencing the nations, through the eruption of His great springs through His spirit made new within her.

The unseparated **grey** clad corpses, laying 'face down' in the 'ditch', is a **spiritual sign**, of a coming resurrection.

Their 'grayness' reminds me **of ashes**, with the thought, '**the Phoenix rises from the ashes of death**'. China is that Phoenix.

For in eastern Asia, **in China**, the **Phoenix** is thought to *reign over all other birds* and is paired with the Chinese **Dragon**. The dragon and phoenix, are symbolic of blissful relations between husband and wife.

The dragon, the **Emperor**, the Phoenix the **Queen**. *As guardians together of the whole world, reigning over all other birds.*

The Dragon and Phoenix, are **two** of the most powerful Chinese symbols of *success and prosperity*. With the Phoenix, as a *good-luck totem* and identified with *high virtue and grace*.

A **3rd** symbol, is China's **own sign of the fish**, its own meaning, representing *wealth, prosperity and abundance*.

Whilst to the Christian, the sign of the great fish in relation to Jonah and Jesus, is a **sign of resurrection**. China's focus, her heart and gaze is not on Him, but is upon that which the Phoenix, Dragon and their fish brings them — *success, prosperity, wealth and abundance*.

Though the Phoenix, is seen as a good luck totem. In truth, it's not "good luck" that they or anyone else needs, but rather the revelation and working of grace, the gift of life, that is given through the reality of the resurrection of Jesus The Christ, the Son of God, the Son of Man.

China — The Wall Comes Down: Part 5

† hiskingdomprophecy.com/china-the-wall-comes-down-part-5/

July 28, 2020

Part 5

Along with His first coming, His life and His sacrificial death, with His Ascension and His soon coming return — Resurrection life, is being held out by, the ever opening, wide spread hands, of Christ.

For when I first saw the word **coffer**, describing the temporary dam structure (see [Part 1](#)), I then heard the words ‘**coffin and coffers**’ (riches) — that spoke of China’s ‘false’ riches and the pursuit of them, in that it **separates** them from true wealth — even, from the hope of the resurrection from the dead.

Seeking more the hope, of the resurrection of China’s **ancient** glories and standing of the **past** that are fading and transient, and will **lay ‘dead’ in their coffins**.

Whilst The LORD God has laid up His coffers, His riches in salvation and eternity, in His Son, the riches of God in salvation are not obtained by being married to any other god — except the One LORD, the One True God.

A verse in Matthew was brought to mind, **Matthew 6:19-21**,

*“Do not store up for yourselves **treasures** on earth, where moths and vermin destroy, and where thieves break in and steal. But store up for yourselves **treasures in heaven**, where moths and vermin do not destroy, and where thieves do not break in and steal. For where your treasure is, there your heart will be also,”* emphasis added.

Here, in Him, there is no ‘grayness’ nor mixture. For *in* Christ; there is not *here* Jew or Greek, there is not *here* servant nor freeman, there is not *here* male and female, for all ye are one *in* Christ Jesus, (Galatians 3:28).

For here, in Christ, in Him, one is no longer ‘as grey’, but is without confusion, exclusion or contusion, being pure, with no mixture. Being brilliantly white and dazzlingly bright.

Then I heard, “**China is a pearl of great price!**” I then saw divers, diving deep to bring up pearls. In those depths I saw ‘as it were’ an **underwater** section of China’s Great Wall.

That was made up of hundreds and hundreds of irregular, but individually shaped stones. Each stone bearing its own face, each being an unique person. The stones, arranged and placed together, formed the shape **of one large face** within this ‘underwater’ portion of the wall.

A face with a great, dark, cavern of a mouth, set in the width of the wall. I could see the mouth create a current in the depths and thereby “suck in” souls and as it did, another stone (soul) appeared as it was added to the facade of the wall.

I knew **the mouth was death**, but I knew The LORD was **to plunder death**. I heard Him say, “**Just as I called, to ‘Shut the mouths of lions’, so I call now and say ... ‘Open your mouth and call forth the pearls in Christ from the mouth of death.’**”

“Though China you weep, I weep for you more. Though your submerged, I dive deep for you,” and **“Your grain* harvests are being gathered and sifted.”**

China has always sought to match, **even better Japan’s** renown, in the gathering and harvesting of **authentic freshwater pearls**.

But China has succeeded only in the medium of the **synthetic** pearl and not with the **authentic**, the naturally real, freshwater pearls.

It is often traditional with Chinese deaths, to **place a pearl, in the mouth of the deceased**. Hence The LORD’s emphasis on living souls, living stones, as real pearls being gathered and plundered from the mouth of death itself, not from the bounty of China’s search for treasures in the seas of foreign lands, but the Resurrection unto Life, the true riches of living souls, redeemed from great depths at such a great price.

She, China, doesn’t need to sail far afield, upon the distant oceans to satisfy her search for riches, nor to command and rule to keep them.

For the **real treasures** are **already landlocked**, deep inside her, in her interior, within the **broad ‘freshwater’ rivers and the wide canals**.

Her real riches are found in the height, length, breadth and depth that are God’s dimension, the salvation of China’s people.

Her time of great unlocking and release are nigh.

The freshwater pearls are ready, for they are **already** bought and paid for. For in obedience, the Perfect One, having suffered with all our imperfections, has perfected them. Himself having **already been cast — into the depths of our sea**.

His name is Jesus, His Name is LORD.

China — The Wall Comes Down: Part 6

Part 6 of 6

Chinese cosmology states, “The universe creates itself out of a primary chaos of material energy, organised into the cycles of Yin and Yang and formed into objects and lives.”

Fuxi and **Nuwa**, are a pair of important deities found in Chinese mythology. Together, they are credited with the **creation of humanity**.

But Scripture records **Genesis 5:2**,

“a male and a female He hath prepared (created them) and He blesseth them, and calls their name Man, in the day of their being prepared”

In addition, **Fuxi**, is believed to have introduced several innovations that benefited humanity immensely. While **Nuwa**, is said to have saved humanity **from a great calamity**.

Therefore, Fuxi and Nuwa are considered to be “*culture heroes*” by the Chinese. These two deities have been revered by the Chinese since ancient times and are often considered to be **two** of the legendary **Three Sovereigns**.

The **3rd** being **Shennong**, who is said to have created farming implements and the use of plants for medicine. For which he received special honour though his worship as “*The Medicine King*”.

But China’s ‘*cultured hero’s*’ can only bring forth ‘*cultured pearls*’. Only the Pearl of great price’ ‘can bring forth’ the real and authentic, ‘fruit of the sea’.

For only the Ultimate One can pay the ultimate price, by casting Himself, the one True Pearl, into the depths of our sea.

Fuxi’s name, means the Great Bright One. Of Fuxi, I heard The LORD say, “**I will destroy with the brightness of My coming!**”

Shennong, whose name means, the Divine Farmer or First Deity of the Five Grains*. Of Shennong, The LORD **earlier referenced**, “**Your grain* harvests are being gathered and sifted.**”

By this, The LORD meant the harvest of China’s souls to come in.

Along with **Nuwa**, that means, Mother Goddess, lovely and **frog**, Nuwa is credited by her ‘mending’, her **re-fastening** of the heavens, when they were ‘rent’, and thus stopping a calamity.

I hear The LORD saying of Nuwa, **“Your heavenly workings will fall apart and your coverings undone to display all that you really are!”**

A reference to this Mother God, not just **spawning man** in conjunction with Fuxi, but **securing their lives**, by means of her **“frog type”** buttons, that **fastened** the grey colored tunics, over the heart and souls of men — thereby tying their eternity to her.

I hear, **“The 3 shall be destroyed by the One, Who’s face shines brighter than a thousand, thousand suns. Whose love and ardor is fierce and is never frail and will never ever fail, nor be curtailed.**

For just as I brought down the Iron Curtain ... the East-West wall, so to, will I bring down the Great Wall of China!”

The Wall comes down and captive comes free...

The **Phoenix** represents *immortality* and *resurrection* and is also, one of the **symbols of the ‘illuminati’**.

Outside of the Chinese, the Japanese, and Koreans all have legends about a bird which is immortal. It features prominently in folklore about royalty.

Ours is no folklore, for He is the One true King, The LORD of Lords and the King of kings. His royalty and loyalty, is for and within His Bride.

In ancient Chinese philosophy is the compound of dualism. The compound ‘yinyang’ means ‘yin and yang’; opposites; and is identified with ancient Chinese astronomy, the occult arts and astrologers and geomancers.

The phoenix is seen as an appropriate symbol to represent the *entirety of occult ideologies*.

“Mystery religious cults and fraternities, consider themselves to be ‘born again’ into an enlightened state, freed from a profane existence by the hidden wisdom they’ve received.” **Manley Hall**.

“The Phoenix ‘speaks’ — that there is no death, but only endless change and evolution, as mankind progresses from humanhood to godhood.” **Allan J Stover**.

“Spiritually birds, as symbols, mediate between the physical and spiritual worlds, they reflect certain archetypal experiences encountered by the soul in its development through the alchemical process.” **Adam McLean**.

“The goal, is the push for globalism — is the reversal of the fall of Babel — and has long been a primary goal of the Occult.” Alexander Lawrence.

Before a plan is thought of — it is known. Before it is put into operation — it is defeated.

“So that the manifold wisdom of God might now be made known through the church to the rulers and the authorities in the heavenly places,” Ephesians 3:10.

“But we speak God’s wisdom in a mystery, the hidden wisdom which God predestined before the ages to our glory; the wisdom which none of the rulers of this age has understood; for if they had understood it they would not have crucified The LORD of glory,” 1 Corinthians 2:7-8.

The ditch that brought death, has now brought forth Life.

“Just as I, brought down the Iron Curtain ... the East -West wall, so to, will I bring down the Great Wall of China!”

The Wall comes down and captive comes free.
