

Prophetic Word: 2022 Year of God's Purposes Fulfilled

Doug Addison [Episode 215]

January 12, 2022

Hey friends, Doug Addison here. Welcome to *Spirit Connection* podcast. It's Wednesday, January 12th, 2022. You know, I have a really powerful and revealing prophetic word for the year 2022.

I'm sorry this is late. I told you last week that I've been under such heavy warfare and assaults of the enemy. I got the word from the Lord. I got this word, but I couldn't get it written. I've been having trouble, you know, with getting hit so hard. And so, thanks to many of you and all of you who been praying for me, I was able to get the breakthrough. But you know, in the midst of the storm, I've never been so encouraged.

I believe the Lord is moving powerfully. I don't believe ... I *know* without a shadow of a doubt, the Lord is moving powerfully. We're about to see an amazing breakthrough happen, but it might look strange in the midst of it. Like this warfare, it looks strange.

So, you can chat in your questions. DougAddison.com is my website. And if you're joining us live here, that's great. I normally do a Q&A, but this month instead, at the end, I'm going to do a special prophetic activation and communion. So, get your communion if you want to join me, or you can watch the replay as we post it and come back to the end and do the communion later, and the prayer, and have the activation verse for the year.

Wow. Wow. [chuckles] Follow me on social media: Facebook, TheDougAddison; Twitter and Instagram, DougTAddison and YouTube, Doug Addison. Boy, I tell you—. You can still chat your questions in, by the way. We track the questions. I try to use those later on. We just like to know and stay connected with you. All right. Well, you can get ready. Get ready for this.

Lord, we ask now, open up the heavens, open up Your Word, open up the spirit. I pray that the Spirit of the Lord would fall upon this message, the Spirit of the Lord. (I've never had so much warfare. I'll tell you; I've been doing this a very long, long time. *Spirit Connections*, Monthly Prophetic Words, yearly words ... have been doing them for years. This is it; this tops the top of warfare! I know that, you know, when the enemy comes in like a flood, the Lord is raising up a new standard.) So, we release this out right now in Jesus' name. Amen.

Well this year, 2022, it's the year of God's purposes fulfilled. I heard Him really clearly several times. Ephesians 3:9 is the main, kind of like the main verse for the year. But you can take a look at it, throughout the entire chapter of Ephesians as well, a little bit into Chapter 4 as well.

But there's a powerful insight in here. But He told me this: that there's a big move— Ephesians 3:9, "... to make plain to everyone the administration of this mystery, which for ages past has been kept hidden in God, who created all things." So, check this out and look at this, you know, with eyes to see and ears to hear. The Lord is going to make plain to you the mystery that's been hidden in God over your life. This is 2022. He's going to open up the mysteries that have been hidden in God and which for ages past have been kept hidden. [chuckles] But they're now, not only being revealed, notice it says the administration and the revelation. Mystery is revelation, administration is how to do it.

So, the revelation about your life, your life purpose. So that's the revelation side and the administration on how to do it, how to release it, how to bring it from Heaven to Earth. The revelation about your life purpose and the administration of it is being released this year ... and actually, very soon. But this is one of the biggest things to watch for and we had to do some things to get it adjusted. The Lord is going to reveal more about the revelations about your life purpose and your calling, and then He's going to give you the divine ability to bring it into a reality. That's the main thing.

I keep repeating it because this is one of my big things that I've focused on is—I can hear the Lord. You know, I am a prophetic life coach, been doing it for years, I can hear the Lord. I help people to hear the Lord for themselves and use spirit-filled coaching, biblically based coaching principles to bring it into a reality. So, part of my—, the mission of InLight Connection is to help people hear the voice of God and discover their destiny. Hear the voice of God. That's what Ephesians 3:9 is, it's the mystery ... and discover your destiny. And also, how to fulfill that and how to walk it out.

So, I'm excited. In the midst of this, there's some good, exciting news here because I wanna release now, probably one of the more detailed words the Lord's ever given me about the coming year, and there's going to be more unpacked over the next weeks and months, I'm sure. But right now, the Lord, He said this, “I'm going to reach out to new unreached people groups.” That's in Ephesians 3:6. “The mystery is that through the gospel the Gentiles are heirs together with Israel, members together of one body, shares together of the promise of Jesus Christ.”

Now Paul—, this was radical when he got this. The Apostle Paul, he got a mystery. He got a revelation that at that time, they primarily focused, you know, the message of Jesus was to Israel, but Jesus Himself said, “Hey, you know, it's going to be first to Israel, all of Judea and then Samaria” (which it kind of goes out like a ring to the whole surrounding area of Israel).

And then He says, “to the end of the Earth,” and none of the original apostles were able to do it. They weren't, just weren't wired for it. I don't know they—, maybe they weren't called. But later on, the Lord raised up the Apostle Paul, who was—, he was both Jewish and Greek. He had authority, so he was able. He got this mystery that the message of Jesus—salvation through Jesus through the cross—was not only for the Jews, but also, they call them Gentiles (that's non-Jewish people). So, in Ephesians 3:6, he got this mystery that the gospel was going to go out even further.

Well, that was very radical at the time. But starting this year, the Lord said, “I'm now going to start moving in unusual ways on the least likely people you've ever—.” People and people groups because at that time, you know, the Lord started to move, you know, on some strange groups back in the Bible days, in the New Testament. But He's going to do this again. He said, “I'm going to do this again.” And this is not just other countries, you know. I studied missionary work, you know, incarnate missions work where you actually become, you know, you understand—, I've been doing it for years.

I've been a missionary for years to people in these different groups and I never had to go overseas. You know, I didn't go anywhere. The Lord called me to be a missionary in the business realm and to be a missionary to people. Maybe have even heard me—. That's why I've done tattoo interpretation. I've done dream interpretation. I've done all the different things because my wife Linda and I, we've been missionaries to people who might not understand or be part of the current flow of things in the Church. I still value the Church. I still operate in the Church. I believe that everything will come through the Church. It will. But starting this year, the Lord is going to start moving in the unusual people. And this is not just other countries, if you're here in the U.S. In fact, the Lord is pouring out his Spirit on all people.

He said watch for manifestations of the Holy Spirit. Acts 2:2, “Suddenly a sound like a blowing of a violent wind came from heaven and filled the whole house where they were sitting. They saw what seemed to be tongues of fire that separated and came to rest on

them.” Now this is the day of Pentecost. After Jesus left, He says, “I’m going to go back to Heaven but I’m going to send you the Holy Spirit.” Acts 2 is what happened.

It was a manifestation. It was a manifestation of power. They saw a physical thing happen as well as a spiritual thing. The Lord's going to start showing His power and bringing about some strange and unusual things. That doesn't mean it has to be a tongue of fire or something, but He's going to do this. He's going to do something in the natural that's also going to be supernatural, and this is going to cause people to turn to Him. And this is not disasters, folks. People thinking He's going to, [in other voice] “Oh yeah, that's why you know all these sinners out there in California, let the Lord judge 'em.” That is not happening, folks. This is not—, Get out of the judgment mode. Get out of the judgment seat. That's part of what's shutting us down right now is there's too much judgment going on.

The Lord is now going to manifest things, not in disasters. We've had plenty of those. Those are the enemy. That's not the Lord. You know, He is now going to manifest Himself in a miraculous way to overcome the disasters. There's going to be manifestations of open-eye visions. I've had some, I don't all the time. Most of mine are internal. I see things, kind of images, sometimes. He's going to start manifesting the open-eye visions. You're going to start seeing the appearance of angels, audible messages, signs and wonders are going to increase over the disasters, signs and wonders over the disasters.

And this is to get the attention of, first of all, us ... And the people who will be part of bringing this move where He says, “I’m going to reach out in these unusual people and people groups, both individual and masses.” And this is a powerful, powerful move that He's going to do right now and don't—. Here's the thing, get your expectations down that you have to see Jesus, that you have to see Him, or hear an audible voice. Get that all down and just receive whatever you can receive. When you get there—, You know, Linda and I, we used to live in Moravian Falls, North Carolina, where there was a presence of angels. There was all kinds of stuff going on. You know, and people would

come there. They wanted to see an angel. And I'd say to them, if you come here wanting to see an angel or to see the Lord, you probably won't. If you come anywhere, (by the way, it wasn't just Moravian Falls), but if you come wanting to become more intimate with the Lord, wanting to connect with Him, then you will have an encounter. That's the key. Get your expectations down and watch for these things to start to manifest and move.

There will be a change starting this year. I don't know else to say it, but I believe it's the change in male leadership. The Lord is leveling the playing field in the area of ministry, businesses and government this year, and we're going to see the Lord raise up anointed women, children (and men). But predominantly, there's been a lot of men that have dominated the Christian—, the Church, the business world. And I'm a man, you know. I've been trained. In our ministry, every church that we plant, I tried to make room, you know, for everybody.

And so, Acts 2:17–18 (this was the day of Pentecost), “In the last days, God said, I'm going to pour out my Spirit out on all people. Your sons and daughters will prophesy, your young men will see visions, and your old men will dream dreams. Even on my servants, both men and women, I will pour out my Spirit in those days, and they will prophesy.” So, there's going to be an increase, as well, in prophecy, dreams, visions. But the Lord's going to bring a course correction to those who maybe haven't been hearing clearly or maybe got off track or sometimes bad theology crept in. He's going to go clean out the root this year of things like that. But watch for the Lord to move on all people. Men, women, boys, girls, you know, young and old; and we're going to see something happen this year. There's a powerful, powerful move. And again, I feel the significance as I'm looking at this because this was on the day of Pentecost. This was Pentecost (Acts 2:17–18), was at the Feast of Pentecost when He chose to bring the Holy Spirit.

And so, I feel this year is the Pentecost, it's going to be a significant time. And you're going to see something significant. It doesn't have to be on that day, but there's a ...

whewww ... boy, there's a turning point coming. Watch for that to happen. I wanna encourage you if you've been pressed down, wounded by leadership or by anyone, get some healing. You know, get BethelSozo.com. That's a good place to go. Go to my website DougAddison.com/Healing-Resources. Get some healing under your belt. You know, if you've gotten wounds—, I had to do it over and over. I tell you, I've had to clean things out again this year, this past year, because I knew that I was moving in this deeper level.

Another thing is going to be released in 2022. It's Ephesians 3:19, it's love over knowledge. Whoo-oo. I'll repeat that—love over knowledge. Love is coming to town. In Ephesians 3:19, “And to know this love that surpasses knowledge.” Whooo. Let me say that again, “And to know this love (talking about the love of Jesus) that surpasses knowledge—that you may be filled to the measure of all the fullness of God.” Be filled with love over knowledge.

The Lord is releasing a greater hunger and thirst this year for the Word of God. Also, see, a lot of people have a hunger and thirst for the Word then they become legalistic about it. You know, they start making it a rule book again, but He's now going to do this. He's going to open up the understanding of love over knowledge. Whoo-oo ... it's another wave—just came through. So, the spirit of love is going to be the major key of operating this year. Wow. Just let that rest on you right now. I felt a powerful presence sweep through.

This year—Passover to Pentecost—the Lord is going to move powerfully during the time of the Jewish holidays. Passover, and then there's a 50-day period. Jesus was crucified and He died at Passover. Then He chose ... about 50 days later, He chose Pentecost to be when He ascended back to Heaven, and He sent the Holy Spirit.

So, during this time, it'd be good to make room for it in your schedule. To be a little intentional. You don't take the whole time off, but you know, you might want to change your schedule as needed and to hear His voice and respond.

And this year, we're going to get greater revelation. There's going to be a release during this season to prepare you for what's coming. There's a turning point.

Passover—usually, I teach every year to watch for the Passover strategy. Moses got the Passover strategies, and that was during the time when the Israelites were being held captive by Pharaoh. Then Moses presses in. He gets a strategy of what to do to get the spirit, that spirit of death to pass over their houses. So, it's a “pass over” strategy. Ask the Lord to give you whatever it is you need to get out of your situation to get that Passover strategy and then watch for those 50 days to be very powerful. And very powerful, the seven weeks. You know, I usually do a 50 days or *49 Days to Change Your Life*, first of the year. I'm not doing it this year. I felt the Lord say He's going to release it at the right time, but we will do one. We usually do the 7 weeks, that's 49 days plus 1 would be the 50th day. And this time between Passover and Pentecost this year, God's going to release revelation. There's a turning point at Pentecost and watch for that.

Then shortly after that, watch for Christmas to come in July. There's going to be a major release of fresh, new spiritual gifts, July 2022. There's not an exact date, but the Lord is bringing new revelation into numbers, dates, times and seasons. Get this again. That I felt—, I heard the Lord, it's right around July. He's going to bring new revelation into numbers, dates, times and seasons. This will bring some new revelation into your life, as well as propel the world of medicine and science to bring about medical cures and some radical changes that we need right now.

And in the midst of this, the Lord is going to release a new wave of anointing and healing power. I felt like something's going to happen in July. It's going to be all—, the entire year. But July, there's something to increase the area of the healing ministries, the healing pools. There's going to be things spring up all over the place, these healing pools, you're going to have pockets of it, but there's going to be a point where things really start to accelerate in this area.

Now let's move on from July. This is the prophetic word for 2022 and the ancient paths are going to open at the Days of Awe ... Whoo-oo. The Days of Awe—that is actually Rosh Hashanah (which is the Jewish New Year) through Yom Kippur. And I don't have the dates yet, here. But boy, make yourself ready. Jeremiah 6:16 (I heard the Lord clearly on this), He says, “This is what the Lord says: ‘Stand at the crossroads and look; ask for the ancient paths, and where is the good way, and walk in it, and you will find rest for your souls.’” Whooo.

During the Days of Awe, the time between Rosh Hashanah-Yom Kippur (it's different every year because the Jewish calendar is 360 days), you don't have to celebrate. I don't even celebrate the Jewish holidays, you know. I don't do a Seder. If you do, that's great, but you don't have to be on the Jewish calendar. You don't have to reject everything else. You don't become legalistic here. But make yourself available during these times. Passover to Pentecost (one of them). Another powerful one is the Jewish New Year, which is Rosh Hashanah and then the Day of Atonement—Yom Kippur.

Make yourself available to it, and the Lord is going to bring about some major changes to you. There's going to be a crossroad during this time. There's going to be some—, really a release of greater revelation is going to be coming. And a major thing is going to happen, and you could get into this earlier. But songs, revelation, mysteries, books, strategies are going to flow this year. There's so much, that you might have to take some time to sort it out.

Well, the Lord's also going to bring greater insight into your family tree. [chuckles] Yup, that's right. He's releasing a greater understanding into your heritage and the need for deliverance and to break generational ties so that you can release the generational blessings. The ties are there. We tend to focus on the generational ties. You know, it's good. We need to. But then once we do, He will release the generational blessings. And I tell you, the enemy has been using the generational doors to have access to people and stop the flow of the Lord in their lives.

And this is why the gospel is actually—, a couple of them start with the genealogy of Jesus, the genealogy of Jesus. So, the Lord is going to reveal more about this and help you to close some doors.

I live this out, you know, I'm a signs prophet. Ezekiel 24:24. What happened to Ezekiel was a sign to others, and that's the way I am. I live it out. Man, I've been under such attack. A lot of this was hidden. I mean, I've been doing deliverance and healing a very long time. But I found this past year, I've had some hidden doors and the Lord wanted ... He wanted me to go through it. He wanted me—. That was part of the attack is there was division happening, you know, in my household, so to speak, you know, around me. And then, also, there it was some open doors I didn't even know about. But He said this year, He's going to start revealing more about this, help you to close these doors and then identify and release the blessings. Wow. Wow. Wow.

You know, there's also going to be a birthing of the Lord's perfect timing. Proverbs 16:9. You know, a man or a person, this is not just with men. "You know, a person now can plan in their heart their way, but the Lord directs their steps." You can plan your way, but the Lord is going to direct your steps. So, He's going to begin to birth His perfect timing now. The word here—He's going to birth His perfect timing. Now this is not waiting till the end of the year, it's going to start—. I don't know when it is, but I think it ... Oh, there it goes ... It may just very well be right around Rosh Hashanah/Yom Kippur because He said to me, "I'm going to birth understanding into the perfect timing." And birthing indicates it's a time that happens, similar to a baby—nine months. So, a good chance that September (that area) is going to start opening up. Not just the times and seasons, that's the Issachar anointing. It's not, this is not the same. This is to get into the perfect timing of the Lord, not the—, not the will and timing. But once you get to the perfect timing, you're moving into His will. But watch for the perfect timing of the Lord to start to open up, and He's going to start synchronizing you with Heaven. He's going to give—. The synchronization of the Lord is going to start to move, and this is coming in September, as well.

And finally, there's an amazing move of the Lord happening in the LGBTQ communities and John 3:16, "For God so loved the world that he gave his only Son and whoever believes in him shall not perish but have eternal life."

The Lord is going to start moving with power throughout the LGBTQ people, individuals, churches, communities, business and even Hollywood. I tell you, I've been a missionary behind the scenes in this. I've been a missionary to people in the LGBTQ community for the last ... gosh, I don't know how—, maybe it's 10 years or so. And I've seen some stuff, but I can't report it. When I first reported it, man, I got axed by the church. I got axed so bad, we almost went bankrupt and all I did was report! Ten years ago, I reported the Holy Spirit is moving.

I'll tell you, that's why I have a lot of the followers I have. You know, I haven't changed anything, really, with things. I have a lot of followers. You know, my belief system is still the same. But I tell you, I have a lot of followers, amazing followers, LGBTQ people. I love you. I have followers in the church, and I tell you, I stand here saying the Lord is going to pour out His power on all people this year. And this is the unusual people groups as well. This is another one. Some of them might be political. Some of them might be, the—, you know, in lifestyles that you don't quite understand. But here's what the Lord said, "Allow their process to open organically. Allow their process to open organically."

When you came to Jesus, if you did, it was a process. You can't force a rosebud to open. You cannot put a seed in the ground and expect it to grow. When you stop forcing things and watch the Lord move.

So, don't be discouraged what the Lord says, Ephesians 3:16–17, I pray right now. This is my prayer for you.

I pray that out of His glorious riches, He may strengthen you with power through His Spirit in your inner being so that Christ may dwell in your hearts through faith.

Whooo. The Lord has covered you if you've survived this major assault on the world right now. I tell you, this is the year God is going to step out of this old sea—. We're stepping out of this old season and we're going to be moving into a new power and glory, so do not give up!

There's a doorway of hope opening at the end of January.

And I want to just pray, Lord, release this word. We pray that You would just bind us together as one. [chuckles] Yeah, bind us together as one. Bind us together as one. We pray, Lord, that You would release this prophetic word. I pray it would fall on good soil and not be stolen. I pray, Lord, for the encouragement of people. I pray that You would open up the doors this year to reveal to each of us ... our life purpose in a greater way. I pray, Lord, that you would open up the heavens over us.

And right now, Ephesians 3:9 (this is the verse of the year), “To make plain to everyone the administration of this mystery, which for ages past, have been hidden in God, who created all things.” Yeah, He's going to release this over you right now.

And I have communion here, and I tell you, I take communion every day. When I was really sick, I was chronically ill. I mean, I survived it. But I tell you, I learned that “communion connection” with the Lord. And so, you don't want to become legalistic about anything. You don't take it every day. But if it flows, it'd be really good if you could start and break through and commune. Use verses and commune with the Lord.

Here's how I do it. I just pray something. I just take the body and the blood of Jesus Christ, for my body, soul and spirit—for the healing of my body, soul and spirit. For the

opening up of the revelation of the Lord. To become one with the Lord. Because that's what He did. He gave His body for us and His blood on the cross, in Jesus' name.

Now, I really feel a powerful moment right now. Maybe you've never (you know the Holy Spirit's moving), maybe you've never received Jesus, or maybe you did, and you've fallen away.

It felt like this year is a time to recommit it right now. Right now. That you're going to recommit your way, maybe commit to the first time. All you do is very simple. Just “Lord Jesus, I ask you into my heart. I ask you to forgive me of my sins, purify me of any unrighteousness. Fill me with your Holy Spirit and open the way for me, in Jesus' name.” Now that's all you need to do.

If you're rededicating, same thing ... “Lord, I am so sorry for what's happened. I know that it's been an assault. I pray, Lord, that You would come into my heart, renew things, restore my first love, restore the things that the years, the locust has eaten, in Jesus' name. Amen.”

[chuckles] Whoo-oo! DougAddison.com is my website. I'm doing a training. It's been postponed three months. I keep trying to do this training called [Praying with Power: Bringing Heaven on Earth](#). No matter ... Whoo-oo ... what happens. God wants to do this. But I'm not sure why these got hit except for it's been warfare. So, January 22nd, 10 a.m. [DougAddison.com/Praying](#).

Also, consider giving to us. We reach millions of people through the internet, and we are actually a church. Go to [DougAddison.com/Give](#). You can text-give there. You can give one time or become a Partner and a Partner—. We're actually an online church. People don't even know it. Maybe if you need a community. You can have your local church, it's great. You need that. But maybe you don't have that, or you want to add to it and join our community—InLight Connection. We are, you know, legally registered as a church.

And if you become a Partner, that's, you know, if you give any amount each month, then we invite you into our Facebook group, our Partner portal. We have a coach, a Partner coach who prays. Oh boy, she is good. She prays with everybody, and she is connected. It's almost like you're in a home group. You are, if you join us. If you join our Partner group and you start stepping in there, if you need that help right now, go to DougAddison.com/Partner. Become a Partner of any level. Then, once a month, we do a Zoom meeting, a live Zoom meeting with me and our team, and we prophesy. We pray and we release things over you. You also get things like 10% discounts on things and there's some perks inside there, but the biggest thing is that maybe you want to become part of a community. And this is a good time to do it.

I'm so excited and I just pray that the doorway of hope will open over you. I pray right now that the Lord would make it plain the administration of the mystery, which has been hidden from ages and now being revealed to you in Jesus' name. Amen.

May God bless you! See you next week.
