

Get a Fresh Dose of Encouragement

Doug Addison [Episode 237]

June 15, 2022

Hey friends, Doug Addison here. Oh, I've been so looking forward to this time together with you. The Lord is moving right now. In fact, I just went into a warfare time. I was getting ready to record and the Lord said, "Well, you need to ... you need to call down the fire and the glory over people right now because the enemy is trying to push back against you. June 15th, 2022. I might have said that—I don't remember.

But wow, the Lord is moving right now. He's opening up the spiritual realm. He's moving right now in the theme of freedom. Freedom in your health, freedom in your relationships, freedom in your finances, to name a few. Let's get your breakthrough!

Now Lord, open the heavens. (Well, gosh, [laughs] they're already open.) Virtually do it. Do what You do. Open up the heavens over us right now. And especially during this season where You're shifting things into place for our purposes to be fulfilled on Earth as it is in Heaven and Your purposes to be fulfilled on Earth as it is in Heaven, in Jesus' name. Amen.

Well, you know, I have a powerful prophetic word of encouragement for you that everything's going to be okay. Yeah, I had a stop today, and I just wrote this, actually, and heard the Lord. He said, "I want you to encourage people. But not only that, I want you to give a word of encouragement and direction on how to walk this out."

Galatians 6:9, "Let us not become weary in doing good, for in the proper time, or in due

season, we will reap a harvest if you don't give up." Just don't give up. Keep moving forward. You know, if you're listening to me right now, there's a chance that you haven't given up. [laughs] Just keep going.

Things are about to shift. Now, this is the thrust of my word for this week. Things are about to shift into place. I've seen it my own life, in our ministry. We're starting to see this and it's, uh, wow. I'm feeling the power. I'm feeling the glory on this. Amos 9:13. Amos 9:13. I love this in The Message. In fact, The Message is kind of a powerful version of this for what you're going through right now ... and how to get through this. To get your breakthrough, the Lord says, "'Yes indeed, it won't be long.' GOD'S Decree. 'Things are going to start happening so fast your head will swim, one thing faster than another, head over heels and it won't be long. Everything will begin to happen all at once ...' says the Lord. 'Everything you ever—.'" (You know what? I just had this wave—I can't even read! [laughs] I'm just going to let this ... whoo-oo ... power and glory. Normally I'd say, "cut," you know. And, but I'm just going to say, "Lord, move on this" because there's a ... there's a powerful, powerful anointing being released.) "'Things are going to now start to happen so fast your head will swim, one thing fast on top of the heels of another. You won't be able to keep up. [laughs] Everything will be happening—[whoooo] everywhere you look. Blessings like wine pouring over the mountain and hills.' The Lord says, 'I will make everything right again for my people.'" Whooo. I think I need to write that one down, especially The Message version. You can look at it a couple of versions—Amos 9:13–14.

The Lord is moving right now. This is not judgment time. Let's get out of the judgment mode. The Lord, He's moving with blessings. There's a power move of the Lord. The enemy's trying to pull a last-minute power surge. But God says, "No, I'm going to do something here. I'm going to turn things around in your life. I'm going to take the situations and cause what was intended for evil to be used for good.

So, the Lord has you covered right now. I heard “Take cover.” I thought, well, that doesn’t sound good, “take cover.” But He said, “No, take My covering over you” says the Lord.

Now it’s Psalm 91. I know it sounds like kind of a, you know, “take cover,” but I did hear Him say, “Take cover over this word.” Psalm 91:1–4, “But he [who] dwells in the shelter of the Most High, will rest in the shadow of the Almighty. I will say of the Lord, ‘He’s my refuge, my fortress, my God, in whom I trust.’ Surely he will save you from the fowler’s snare and from the deadly pestilence. He has you covered [laughs] with his feathers, and under his wings you will find refuge; his faithfulness is your shield and your rampart.”

This is a time just to stay under His covering, it doesn’t mean we’re starting—, that something bad is going to happen. This means something good is gonna happen. That’s why we need to be under the covering of the Lord and stop thinking in the judgment. Stop judging others. Stop doing that stuff and get under the covering of the Lord. Begin to worship under the glory of the Lord. The enemy wants you to think that you messed up, that you missed it. But the Lord said, “No, I’ve got you covered. Just ask forgiveness, move forward or just make adjustments. Move forward. I’ve got you covered,” says the Lord.

There’s a major reformation happening right now. The Lord says, “I’m going to ... I’m going to take the small beginnings and I’m going to cause them to move into big things.” Zechariah 4:10, “Don’t despise the humble beginnings,” says the Lord; and He’s going to shift some things.

You know, people are gathering right now. The Lord is going to gather you. I saw small groups going into prayer. I saw, you know, it’s a power right now when you agree with others, I can’t tell you—. I am in agreement in prayer, everywhere I can. I’m trying to

expand my prayer. We have a lot of prayer intercession going on right now. It's important to be aligned in the right place at the right time for the second half of the year.

Now, you going to listen to this any time because God's outside of time and you can—, it doesn't matter. It applies to you right now if you feel it or whatever, you can pick it by faith. It doesn't matter. But watch is the Lord's going to shift things. He's gonna align something. Wow, here it goes. There's an alignment happening.

Some angels just showed up, by the way, and the prophetic word that I had for this month—there's different groups of angels showing up for you. Whatever it is you need, basically, to reach out to the Lord and ask.

So here's the major reformation at hand. God's going to reposition you. He's going to regroup, He's going to reshape, He's going to reform. And in some cases, He'll reformat. [laughs] But most cases, He's just going to upgrade you. I'm just going to say this again—repositioning, regrouping, reshaping, reforming. And in some cases, He may reformat your belief system or, you know, some things, not anything major, but He might do some things to get you an upgrade. I know I'm talking technical here because the Lord's moving in great ways.

Get ready for things to move fast. Expect to see movement, realignment, relocations. People need to move out of their situation. It doesn't mean you have to move physically, but you're going to see job changes. You're going to see association changes, you're gonna see advances start to happen. I can see some physical movement, doesn't have to be, but there's going to be an alignment. Linda and I have been going through this. I'm a signs prophet. What happens to me is a sign to other people.

You know, and so we just recently started going to a different church. We started recently doing some different things. We shifted some things up and the Lord says, "You know what? This is what I'm doing right now. I'm aligning My people with this new

season.” The purpose behind it is to get you in the right place at the right time, and then you can be out of that older season because, you know, sometimes the older season—it doesn’t mean you don’t have to trash everything and leave your friends or leave your church or anything like that. But there are some people ... that you might need to shift to get the encouragement. You know what I mean? You need to get some encouragement right now to get through this and watch for new things to come starting this month.

God’s going to begin speaking through dreams and visions in a greater way. We’re in a season of change. Expect changes, actually, as God is bringing relationship changes, He’s going to bring you new connections. And this is a good thing. You know, I know some people don’t like change, but boy, this is a good change that He’s doing.

God’s going to reveal deep mysteries that you have not understood previously. So, expect to have some hidden things revealed in a good way. This is good. And He’s going to show you some stuff. And that’s why you need prayer to understand and work this through.

And, you know, God is moving right now, and you’ll want to develop a foundation, develop a foundation on the Lord. I’ve got a few things that—, first of all, your foundation needs to be love. The greatest commandment, Jesus said, was, “Love God with all your heart, all your soul and all your mind. Love your neighbor as yourself.” Then He goes on. Jesus goes on to say, “You know, the greatest commission, the great commission is sharing love.” So it’s based on love.

So, here’s some things to put in your foundation. First of all, agree with the Lord and His word that says all things are possible for those who believe. That’s so important. That’s Matthew 19:26. Also Philippians 4:13, “I can do all things who Christ who strengthens me.”

Those are foundational Bible verses. Bible verses is so important because it's like a ... it's like a document, a legal document in some cases. And it's also, you know, it's also a relationship with the Lord, but He can pull you through.

Here's some other things to put in your foundation for this season. Understand God is not angry with you, that He's not out to harm you or nuke you. God is not causing the bad things that's happening in the world. In fact, He's got the solution in the midst of the pollution. Did you know that the leading cause of death, it's not heart attacks or cancer? The leading cause of death is Satan [laughs] masquerading like it's God. You know, the leading cause of death is the enemy—he's blaming things on the Lord to get everyone ticked off at each other.

God is moving right now, and He's a giver of good gifts. He's the Father who wants you to give you good things. He relates to you in ways ... He's not angry. He's not upset at you. He's not mad at you. I'm just saying, I heard the Lord say, "You need to minister on these things. Keep pounding on this because it's going to break a stronghold over some people ... whoo-oo ... something just broke just now. [laughs] Wow.

God wants to give us the desires of our heart once your heart becomes in line with Him. Now you'll find that in Psalm 37:4 is that, "Yeah, I'm going to give you the desires of your heart." And as your heart becomes aligned with Him, He can do that. Now, not everything that you desire is God's, but He will, as you do this, seek after this. And see what—, you'll see this as I'm talking.

Also, God was to give you a hope and a future. He doesn't want to harm you. He wants to give you some finances. This is all found in Jeremiah 29:11, "'I know the plans I have for you,' says the Lord, 'plans to prosper you, to not harm you, plans to give you a hope and a future. Then you'll call on me and pray and I'll answer you.'" Wow. I tell you, Jeremiah 29:11–12 is coming alive right now for many people.

So, you truly are a new creation in Christ. The old things have gone, the new things are now here. I think some people need to put this on repeat. I love this—and put it on repeat or something. You know, get this message, get it in your spirit.

The Lord spoke to me, man. I tell you, you know, I get a lot of warfare and things, but on this message for some reason. And that “some reason” (I’m just now seeing it) is the Lord said, “I’m going to release fire over this. I’m going to release peace, I’m going to release power, I’m going to release healing and I’m going to heal the cloudy visions.” God showed me that many people are suffering from unclear and cloudy visions. It’s causing ... it’s causing, basically, confusion, a critical spirit. But we’re just going to kind of smack that off, in a good way. I’m just saying, right now, the Lord is going to ... He’s just going to ... (there we go) ... He’s going to shift some things. He’s going to shift something.

Consider this as we go into this new time. God is going to do a major transition in your life. He’s going to get you to flow in the spirit. He’s going to bring a strategy that’s going to align you with the new season. And also, you can ... I don’t know if you can—. Can you sense the transition? I sure can. I’m ready for it. But we’ve got to get rid of the judgments of the past. Stop judging people, stop doing that stuff and focus on love. Now, the Lord told me to release these verses. These are I’m going to give you three verses that I use that are very powerful and whenever I need to hear the Lord, my team, we invite the Spirit of truth. Write these down because—, do you know that when you put things together, if you look at some of the—, even some of the things that Jesus did and the Apostle Paul in the New Testament, they pulled one line from this Psalm and one line from Isaiah. They just pulled some things together. They said it all in one. That’s okay to do. Just don’t change the meaning, you know?

I’m going to tell you, John 16:13, 1 Corinthians 2:10, Daniel 2:22—I’m going to put a sandwich in this to open up the Spirit of truth over you. John 16:13, 1 Corinthians 2:10 and Daniel 2:22. They’re going to invite the Spirit of truth, “But when he comes, the

Spirit of truth, he will guide you into all truth. He will not speak on his own; he will only speak what he hears, and he will tell you what is yet to come. These are the things that God has revealed to us by his Spirit. The Spirit that searches all things, even the deep things of God. He reveals deep and hidden things; and He knows what lies in darkness, and light dwells in him.” Those are those three verses I put together.

Lord, we invite the Spirit of truth. We ask that You would speak to us right now. Tell us about our present situation. Tell us about the past, what we need to know, but just—, but that we could just nail to the cross whatever we need to move forward. Tell us about now. What’s for now? What for later? Lord, we ask that You would show us what You want us to see. We ask that You would show us what Satan does not want us to see. We nail everything from the past and everything that’s not of You to the cross of Jesus Christ. We plead the blood of Jesus and we ask now that You would release the Spirit of truth, in Jesus’ name.

You know, I felt that there’s just a power going on right now and I’m going to activate this. That’s what activation is—a thing where if the Lord’s given you a word or you can take a word out of the Bible, it’s a promise, and you can begin to activate it, begin to do things towards it.

And, you know, the prophet Cindy Jacobs (and apostle), Apostle Cindy Jacobs. I was at a meeting just last month, or a short time ago, and Apostle Cindy Jacobs gave me a prophetic word. She said, “Doug, you’re going to move into a double anointing for all the trouble you’ve moved into. You’re going to have a double anointing as a healing revivalist.” How good is that?

Well, I got whacked with the Spirit of God in that meeting. And I just want to activate this now. And just last weekend, I saw this at the church I go to, the Lord had me just release some things over—. Then the next thing you know, the healing broke out. I

wasn't even ministering. It was the healing angels were there, but I got ministered to and stuff happened. I got a healing and I want to release this over you:

In Jesus' name, Lord, for anybody and everybody that needs the healing of relationships (that's as big as a physical healing. In fact, maybe it's your relationship with the Lord that needs healing, relationship with others, maybe you're brokenhearted). Lord, I pray that you will walk, right now, close to the brokenhearted. (So many times I want to tell you in my life, the Lord used my broken heart and my broken relationships to bring me closer to Him. So move closer to the Lord if it's you.) Lord, we pray for the healing of our bodies, physical body, soul and spirit. We pray for cancers, right now in Jesus' name.

I tell you, whatever it is, pull down this anointing, pull down this power, pull down the anointing and power of whatever it is you need.

I got healed of Huntington's disease. My entire family almost has been passed away in their 60s. I'm 63. I was diagnosed gene positive. I started the early stages, but I went in —, I tell you, I got healed. I am in a study right now, UCLA Medical Center. They said that this is an anomaly. I said, "Uh, [laughs] we'll call it a miracle." But I'm telling you, all things are possible. You need to just press in. Some things are, especially the bigger ones, you need to contend for. But you know what? I'm believing the Lord for you to get your miracle right now. And I got healed of Lyme disease. My blood test even turned around. I didn't have it anymore. I got healed of multiple chemical sensitivity. I mean, I was bad. I was allergic to myself [laughs] and my wife, [laughs] but I got healed of everything. And the Lord is moving right now to bring healing to your body, soul and your spirit.

I release the healing of your finances that there will be financial angels come to you, whoo-oo ... in Jesus' name. Yeah, we just got a financial miracle in the sense that we

were being held hostage in a bad business deal. Our ministry, we were being held hostage. We did everything to get out of this lease and it wasn't even ours. So, you know, it was a weird thing. You know, they had renewed our lease illegally, basically. And I'd even talked to an attorney, but the Lord told me, He said, "No, it's going to be okay. Just don't get upset." I didn't. In fact, I loved ... and I loved, I was not mean to the people. And then just yesterday, I believe it was or over the weekend, we got an email from them, and we were going to have to go through a settlement, you know, a couple thousand dollars, we're talking about \$13,000 or \$15,000 here. We'd have had to go through a settlement, but they suddenly, out of the blue, after I released this prayer over it, these power prayers, and I released the glory and I was kind to them. And I blessed them. Bless those who curse you. And suddenly, they email me and say, "Yep, you're done. Right when you thought. You're out of that office. Completely forgiven. You're gone."

That was last weekend. I just want to say that was a miracle beyond miracles. And the Lord is moving in financial miracles. He's moving. Again, I'm a signs prophet. So, He has a sign for you that you're getting out of it. He's gonna buy or—

I take authority right now and ask You ... just release people from debt,
that You would release people from situations right now, in Jesus' name.

Also, relational with the Lord. I felt like, you know, the Lord told me, He says many people have been struggling so badly with addictions and, you know, different things, whatever it might be, and maybe you've been bound up with something. Don't let that hold you back from the Lord. One thing out of all of the stuff over all my years, I tell you, I was a drug addict. I'm serious. I was addicted to drugs, I was in the occult. I had it all. I was—, I had done all those things. But one thing that was to my advantage is I never lost my connection or love for the Lord, no matter how far I would get. I remember when a pastor told me, he said, "If you would stop feeling guilty ..." Don't get me wrong, you still need a healthy, you know, conviction. You know that there's a difference. You need

to be able to have that. You don't want to be overly beat down by it; bring it to the cross every day. If you're dealing with something, bring it to the Lord.

Remember, Jesus said to Peter, (how many times should I forgive someone?) "70 times 70." Just, in other words, a lot! 700 times 70. You just keep forgiving yourself, ask forgiveness, but at the same time, ask the Lord every day to be able to break you out. If you've never received Jesus or you need to come back to Jesus, it is very easy. And it is a season for this. Just ask ... we just want to pray all together right now, because there's a power as we pray together with the internet.

Lord, I invite Jesus into my heart. I ask forgiveness for my sins. I ask that You'd fill me with the Holy Spirit and teach me about Your word, in Jesus' name. Amen.

We'll keep coming back because the Lord is going to move in a powerful way. Wooooo. DougAddison.com is my website. I'm so encouraged.
