

## **Prophetic Word on Finances and Timing**

**Doug Addison [Episode 243]**

**July 27, 2022**

Hey friends, Doug Addison. Welcome to *Spirit Connection* podcast. It's July 27th, Wednesday, 2022. Oh, my goodness. I've got a prophetic word over repayment, over finances and timing. The Lord gave me this and it's an exciting time right now, plus some practical instructions how to bring it into reality, because we've got a bunch of angels around right now that are "mysteries and administration," so they're really moving.

Lord, we pray that You would open up the heavens, open up the ability to hear Your voice, the ability to get a breakthrough, to rise above. We are seated right now with Christ in heavenly places. And even if you listen to this later on, dates and times do not matter because the Lord who ... He is the master of all time. He's the Creator of all things. He's the one who will cause this to come about. I'm going to give some dates and times and things, but the Lord says this will apply to anytime, anything. And you're going to see something open in Jesus' name, plus some practical instructions.

Well, on July 17, 7/17, Linda and I were heading to the church we attend, and I heard the Lord real clear. He goes, "Hey," it was almost like that. It's like, "Hey, guess what?" It was really quick, but it was dropped right into my spirit, near audible. It wasn't audible, but my goodness, [I] could repeat it. It was a little bit, you know, I heard it in a few

different ways, which I knew that He was doing something both for me and Linda, and InLight Connection and others, and especially you.

The Lord is moving right now. The Lord says, “I’m doing a move in your life that many people around you are not going to understand. I’m bringing an end to the discouragement. I’m bringing repayment. I’m bringing a plan to bring things into place.” And also, because it was on 7/17 when I got it on July 17, the Lord says, “I’m going to do something now. I’m going to repay things from 7 years ago (which was 2005), or I’m also (and/or), I’m going to repay things ...” the Lord says, “... 17 years ago,” which was 2005. So we have 2015 and 2005. But, you know, as my team and I were praying over this word, we realized that it’s—, it was like we started matching it up to things—, and it could be like 17 years ago or when you were 17 or Jeremiah 17. There was all these things going on with the 17 and the 7 and 2015. So, we are seeing this that Lord says, “I’m going to move strategically in your life ...” (This is the bottom line) “... I’m going to bring repayment and I’m going to bring you a plan. So do not give up.”

You know, after I got this, the Lord started giving me signs of confirmation. He does that a lot. Sometimes they’re literal. And one of the big ones is when I was praying, I was praying with one of my personal intercessors. And we’re praying over this week and the word, and I saw a sign instantly. I was out for a prayer drive. I saw a sign, literally, that I’ve never seen. I live in Los Angeles. We got a lot of signs. I’ve never seen this one. The sign said, “Road Closed, Fresh Oil.” Road Closed, Fresh Oil. So, oh my goodness.

Well, first of all, the fact that fresh oil is what the Lord says. He said, “I’m moving now. I’m going to bring some fresh oil.” It is actually Psalm 92:10. He says, “Your anointing has made me strong and mighty. And you’ve empowered my life for triumph by pouring fresh oil over me.” Now that’s Psalm 92:10, The Passion Translation. But the Lord, He told me this. He goes, “It may appear that the road is closed,” but it’s actually—, He’s doing something new. It’s not really closed, in the sense I had to do a little detour, you know, had to drive around a different street. That’s what He said. He goes, “When I’m

bringing this repayment from 7/17; when I'm bringing the 7 years and the 17 years, when I'm bringing this about, it might not look like it did before. It might look like a closed road."

And, you know, the Lord is moving right now with a greater anointing, greater power, greater strength in your life. So get ready for an outpouring of refreshment. I keep hearing the word "outpour," "outpour," "outpour." I've been receiving it. And there's many people around me, you know, I got healed just recently. I got healed of tinnitus. Man, my ears rang all my life, I'm 63 and finally, you know, it was actually on the day of Pentecost. A bunch of us got healed in a meeting and the Lord just started calling stuff down. And one is the ringing of the ears—outpouring, outpouring, outpouring.

And I've been getting a joy. Now, here's the thing. It might appear to have a setback. You know, the road is closed because of fresh oil. I focused on the fresh oil and not the road closed. Of course, I had to take a little detour, but there might look like setbacks and delays. But they're actually going to open up into something new over you. Now in some cases, it's going to be the same thing; like I'm going to tell you here in a minute, for what we do. But watch for the Lord to bring about some changes, to shift you strategically, align you into His timing. You know, that was the road closed, I ended up maybe two blocks away. But I ended up coming home, and it was actually a better road that I was on because I had fresh oil going on.

There's all kinds of prophetic signs flowing out of this, but I just want to say this—it might not look exactly what you thought. There's confirming signs all over the place. I tried to take a picture of the Fresh Oil sign. That was weird. I mean, I have an iPhone, you know, my iPhone 13 Pro. I take pictures all the time. Both pictures turned out blurry. The Road Closed was blurry, but the green lights on the side (we had two green lights), they were clear! So the Lord said, "I'm doing something new. I'm going to take away the road closed. I'm going to bring the fresh oil. And I got the green light," says the Lord, "to bring these things about, but it might not be the exact plan that you had before."

So I went back, our team went back, and I started praying over this and I said, “Well, for me, InLight Connection, 7 years ago was 2015. We came into this, where we live right now, and we came into an assignment for 7 years to see things and to pray and see stuff over Hollywood and over the government. That’s coming to an end now and that’s why people have been praying for me. This has been a real interesting time, the stuff I’ve been seeing here. But the other part of that was the “17 years ago.” That was huge because, you know, we moved away from L.A. several times. We were here in 2005. I go back because our office is actually in Santa Maria. We’ve only lived here in L.A. a few times, but we have our office in Santa Maria, which is 2 hours away, 2 and a half hours away. But listen, 17 years ago, in 2005, we were given a grant—a \$125,000 grant—by the Foursquare Foundation, Aimee Semple McPherson’s Foundation.

We got that grant to open up an office—, not an office, but an outreach and a training center here in L.A. But it wouldn’t work out. I tried everything. And I knew, I just trusted the Lord. I knew I didn’t miss Him before. I felt like it was a testing time for me. We did ... I mean, over 1500 people came to the Lord. We did outreaches. You gotta look at the fruit. We had some stuff happen. The bigger thing didn’t birth, you know, the training and outreach center back in 2005, but we took what we could get and then we actually gave the grant back with interest. And the Lord said that was a test for us and He’s about to do something.

So now, that was in 2005, and the Lord says, “I’m going to do something again over you, but it might not be the same strategy, but it’s going to be similar.” So I was going down, you know, the Road Closed, Fresh Oil ... I got new fresh oil. The road is closed for what I was doing before, but I’m just two blocks away. Are you getting this? It’s prophetic. Oh anyway, trust the Lord and seek the truth. The Spirit of Truth is speaking right now. The Lord is speaking. Psalm 31:5, “Into your hand I commit my spirit; You have redeemed me, O Lord God, Spirit of truth.” “Now, it’s not like you’re going to die in my hands (I commit my spirit), but it’s not it at all. You’re going to live” ... “Into your

hands I commit my spirit, Lord, you've redeemed me, O Lord, the Spirit of truth."  
Psalm 31:5.

You know, in the time right now, about step into this time ... it's time to step out of the boat. It's time to trust the Lord. Now get some prayer. I'm going to show you some prayer strategies, how to walk this through. But the Lord is saying this ... is to commit your way to Him and start focusing in prayer and understanding. I'm going to give you some Bible verses to decree, and you'll see some things start to open up.

And ask the Lord. He's the Spirit of Truth. He will reveal things that are hidden. He has solutions. He has breakthroughs. And I've been seeing these angels that got assigned. I gave a prophetic word a while back on Ephesians 3:9 angels. They are the ones that are—, some of them are two angels in one, or some are just one angel. But they're basically this—Ephesians 3:9 is the mystery and the administration. The mystery is the revelation into something, and the administration is how to make it happen. And so, those angels are here for you right now.

So, you got to press in to make sure you get the ... know what to do. There's power in prayer. And I have been training on prayer, especially just recently. Okay. I'm going to give you some verses here and I'm going to line these up. I'm going to do this prayer. I'll give you the verses at the end, but I'm going to put them all together right now.

Lord, we open up the heavens right now in the name of Jesus. "But when he comes, the Spirit of truth, he will guide you into all truth. He will not speak on his own; he will only speak what he hears, and he will tell you of what is yet to come." "These are the things that God has given to us. He's revealed it to us by his Spirit. The Spirit that searches all things, even the deep things of God." "He knows what lies in darkness; [wheww] he reveals deep and hidden things, and light dwells in him." Lord, I invite the Spirit of truth, especially that last one, that the light that shines in darkness would

reveal all things. I invite the seven Spirits of the Lord. “The Spirit of the Lord, the Spirit of wisdom and understanding, the Spirit of counsel and might, the Spirit of knowledge and the fear of the Lord.” (Now these are all some verses. You’ll want to get these down. John 16:13, 1 Corinthians 2:10, Daniel 2:22 and Isaiah 11:2). We call in the Spirit of Truth, we call in the seven Spirits of the Lord. We call in the wisdom and revelation, in Jesus’ name.

[laughs] Whoa! These are verses I use daily in my life. Now we’re going to build those on a foundation right now. You’ve got a foundation in the Lord, in the Word of God. But the joy is returning to the house. It’s a word of the Lord I got—Psalm 30:11–12. I love this in the New Living Translation, “But you have turned my mourning into joy and my dancing. You’ve made me worship you have taken away my clothes of mourning.” You know, I’m getting a word here. I pulled away from the verse. I was getting a prophetic word. That’s why ... I was suddenly seeing a vision over the verse, just so you know I’m not trying to misquote it or anything like that, but I’m seeing a vision over this where some people are stepping out of grave clothes.

Zechariah. Whoo-oo. [chuckles] I heard the name Zechariah and also there was several names that started with Z. These are people you’re stepping—, you don’t have to have that name. But I’m just saying the Lord is moving. He’s stepping you out of the spirit of sickness, death and suicide. I had to break that over my life. I call you forward right now in Jesus’ name. And again, you don’t have to have a Z name, but I saw some of those Z names popping up. Or maybe it’s just the spirit that’s upon you. Or maybe the Lord’s going to speak to you. But here it is again. Psalm 30:11–12, in the New Living [Translation], “You have turned my mourning into joyful dancing. You’ve taken away my clothes of mourning and you put me into joy that I might sing praises to you and not be silent. O Lord my God, I give you thanks forever! Woah. [laughs] Psalm 30:11–12, The New Living Translation.

Joy's returning to the house. That means you. You're the temple of the Holy Spirit. You need to put on your own oxygen mask first before you can do it with anybody else. Let that joy come upon you. Let the joyful dancing—, you might need to force it. That's all right. I just force it sometimes, you know?

Make some small changes in this area of shifting your joy. I mean, you need to step up. Some people need to make some big changes, but it will require stepping up. And as you step up and out of the grave clothes, you do it a few times, suddenly you're going to get some new set of clothes come on you, some new shoes. Some new dancing is going to start to happen. The new music is coming from the Lord. We want to make this time right now—, it's going to be very, very, very powerful.

So, when you, you know, take some time to slow down and take some time to have music and worship and jump for joy if you can. You know, take the spiritual atmosphere right now by force with your joy, not with anger. Take the spiritual atmosphere by force with your joy. Yeah. Not with any kind of, you know, don't take on powers and principalities. Get out of there (some of you), or don't get angry. You know, I yelled at Satan today, but I try not to. You know, some people are mad about it—mad about your rights being taken away. Yeah, but what you want to do is do it with joy, and you want to stay at peace the best you can. Philippians 4:6–7, "Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, that transcends all understanding, will guard your hearts and your minds in Christ Jesus." One of my favorite verses.

The enemy wants you to try to get you out of the place of peace, out of the place of joy. He wants to bring fear, anxiety and stress. But take it to the cross. Throw it out there. Replace it with peace, love and joy. Peace, love and joy. The key really is worship. The key is worship. In fact, there's so much warfare against this ... today, we were praying over this, my internet. I have two internets. I have to have a double one. We never get ... internet doesn't usually go down. But it went down today as I was talking about a

prophetic word. I was at a meeting with my team, and I was talking about a prophetic word that the Lord gave me back in 2007. Because we're talking about the 7s and it's 2017. But then we were talking about, hey, how about 2007? Yeah, that's right. The Lord gave me a word, you know, prophetic word about the internet. In fact, Prophet Bob Jones called me, and he'd had a dream about me in 2007 about an anointing with the internet.

That's why I do *Spirit Connection*, been doing it for years. Right then, bam! In fact, it's still down, the internet goes down and I declare and decree that's a sign—what the enemy intended for evil is going to be used for good. That's right. There is “No weapon formed against you shall prosper,” says the Lord. Step up right now and not step back. But again, don't do anything—, And when I say this, don't go pulling down powers and principalities. Don't do that. Get into your spirit. Get the joy of the Lord, get the character of the Lord, get the love of the Lord. That's going to shift things more than anything you've ever seen.

So, there is a prayer I'm going to do for this freedom and spiritual alignment.

Lord, I ask now that You would give us the anointing, the glory, the gifts from Heaven to set us free from whatever it is that's holding us back. Lord, show us right now what You want us to see. Lord, show us what the enemy does not want us to see. And, Lord, we ask that You would speak to us through the Bible, dreams, visions, through the Holy Spirit, through other people, through cartoons. I don't care. [chuckles] We ask the heavens to be open right now, in Jesus' name.

Also Colossians 3:2, “Set your minds on things above.” Colossians 3:2, “Set your mind on things above.”

Lord, we ask that You would align us in Your perfect timing and Your perfect will. We break off the ties and the chains to the past, even including generational things that maybe we don't even know we have, knowingly or unknowingly. We repent on a daily basis for anything you know, we have going on in our life. We ask now, Lord, that You would fill us. Fill us with joy, fill us with glory, fill us with love. Jesus said the greatest commandment is love. The Apostle Paul said the greatest of these is love.

If you want to get this, it's not just—, your warfare right now ... it needs to be in this area of love.

And we ask now, Lord, that You would reset our connections with You. Control-Alt-Delete because we are entering into a new season. We pray, Lord, that we have our clocks reset to *kairos* time.

That's not a place. It's not like the *kairos* is—. Isn't that a capital place? [chuckles] No, the *kairos* time ... that's the time of the Lord. It's a perfect timing of the Lord. [chuckles] Oh, man, release the joyful heart. Proverbs 17:22 is one of the things that got me—, you know, all the healing I got into is when I started specializing into love. And then also, "A cheerful heart is good medicine, but a crushed spirit will dry the bones."

We just prophesy right now, "Dry bones, rise up. Dry bones, rise up." And a cheerful heart now will be the medicine that we need to get out of the wilderness, to get out of the grave clothes. We ask that You would loose the joy over us, release people from broken heartedness. And we pray for the stress that has been upon people, the change that's happening in people's bodies. Immune systems now are going to come into alignment. We ask Lord, that there would be a level of goodness and love and joy and glory of the Lord that would cause our bodies to suddenly—, that's what happened with me. Suddenly, like sickness sets in ... health and

wholeness—these things begin to set in and begin to, yeah, bring the strategies for freedom, for help.

And now drum roll, please. I want to hear the ... (c'mon) drum roll. We are in a season of repayment. Joel 2:25, "I will repay you for the years the locust has eaten." For the time that the Lord is releasing new opportunities to flow right now, repayment from Heaven. He's going to repay you for your losses. Whether it's the seven years or the seven, it doesn't matter. But something's happening right now and don't go too far into it, you know, to try to pinpoint, just let the ... let it flow. It's the Lord. He's not legalistic, by the way. He got rid of that.

Also, many businesses and churches are going to start entering into a time to reap ... reap, because we have a hurting world. The Lord is releasing repayment and for your losses, make a list of them.

Also we ask now, Lord—. Whoooo. Jesus gave a big part of getting ready for the visitation of what the Lord's doing, and He's going to visit you. He's going to visit you through the Word. He's going to visit you in dreams and visions. Don't expect Him to walk through the door, okay? If you let that big expectation down, He's going to give you what you need right now. So there are things right now that the Lord is going to bring—, your body, your soul and your spirit, your mind, your will and your emotions, your heart.

Jesus said to have the eyes that see, ears that hear, a heart that understands ... it's Matthew 13. So we need to get that. We also need to get our technology in line. Yeah, our technology gets in line—that we're not overcome by anything. The Lord's going to move on you right now.

So we ask Lord, that You give the fresh anointing ... body, soul, spirit, technology.

Whewww. Yeah, as we sing, we clap our hands, we do this joyful action. Yeah. I'm seeing something break off right now. Someone by the name of Doris—. But you may have ... your name sounds like Doris. I saw Dolores. I saw doors. I saw your mom's name. Your middle name is Doris. Your mom's name. Watch this, Doris. The Lord says, "I'm now going to shift some things over you, and I'm going to start bringing you a greater level of anointing in the area of intercession and prayer. And I'm also going to move right now in this area of understanding things. You didn't realize you've been understanding things all your life."

I just saw a few Davids. There's some people like me, my name is Doug Addison, but the Lord changed my name to David a long time ago. But, you know, it's complicated. I didn't want to make a legal change. And besides, I had DougAddison.com for years. Now that would be complicated. You know, the Lord changed my name. You don't have to. And if you change your name, it's fine. But the Lord is changing people's names right now. He's doing something new. I saw the Davids rising up. I saw the Rachels rising up, I saw the Deborahs rising.

Now, these are characters of the Bible. You can look them up later, but you know the ones that know. I saw the—, especially right now, the Abigail—the one who knew who David was. It doesn't mean that your husband's going to die or anything like that. But Abigail stepped up and she knew who David was and helped him get set free. You're going to step into something new. I saw Samsons rising up. I saw the Lord moving in greater power right now in the area of finances, repayment and lost inheritances. In Jesus' name, amen.

Wahoo! I'm excited. DougAddison.com is my website and sometimes I forget to tell people that. But you can follow me on social media. I got a bunch of it. You'll see me out there. Watch out for the fake ones. There's fake Doug Addisons. I won't ask you to donate money directly on there, you know. I will not text message you and get you to do stuff like that. You'll know the fake. We have a page on our website to help you with

the ... to identify those. But don't let that push you back from the internet. The Lord is moving.

In fact, right now it's July. So, we're doing a "Christmas in July" Flash Sale.

[DougAddison.com/JulyChristmas](https://DougAddison.com/JulyChristmas). That's my prophetic word for this month—Christmas—the Lord is releasing prophetic gifts. So, from July 21st to the 31st, take a look at it and you'll see it.

Also, some of my good resources about Hearing God. This one is a—, it's really powerful. We have pulled together the physical paperback book that I wrote. It's called *Hearing God Every Day*, and we're going, we'll—, and depending on where you live, of course, postage-wise, you have to check the website. But it's [DougAddison.com/Bootcamp](https://DougAddison.com/Bootcamp) (depending on where you live), this includes—for \$38—will includes my book, plus a three-part audio series on *How to Hear God Accurately* and some PDF guides. This is truly—. Well, you know, I do these little mini trainings. I've been training people for years on how to hear the voice of God, how to understand your visions and dreams and how to discover your destiny. Those are my three things. This is the [Hearing God Bootcamp](https://DougAddison.com/Bootcamp) and we're offering it right now at [DougAddison.com/Bootcamp](https://DougAddison.com/Bootcamp).

As well, consider partnering or giving with us or to us, [DougAddison.com/Give](https://DougAddison.com/Give). And on there, if you want to become a Partner, maybe you have a church—that's fine. You know, we're an online church. We have a powerful online group, and you can have your own church. That's fine. But if you need a place to hang, we have—, you can become a Partner by giving a ... donating a regular amount each month (we have no minimum) and we just bless our Partners. And we have a Partner Coach and a private website. It's called Mighty Networks, so it's not like a Facebook group or anymore. We used to have that, but we have Mighty Networks with our Partner Coach who prays every week. You can put in prayer requests. It's almost like a home group each week. I'm serious. It's called InLight Connection. That's our ministry, InLight Connection. We've been going for over 20 years now and InLight Connection is a church, we're an online—. We used to

have a physical meeting, but now we're doing a—, we have a group just because people, they need a place to come. Some people tithe to us, you know, but you can become a Partner. And then we do a monthly meeting. We do a Zoom meeting with me and my team, and we prophesy over you. It's a powerful time if you want to do that.

[DougAddison.com/Partner](https://DougAddison.com/Partner).

All right. We've given you a lot of stuff, plus a strategy on how to get there.

I'm just so excited. I can't wait till next week because the Lord is going to bring a new prophetic word for the month of August. And He's already been giving me some hints and some previews. It's going to be exciting!

See you next month.
