

Houses of the Seers
Doug Addison [Episode 255]
October 19, 2022

Hey everybody, Doug Addison. Welcome to *Spirit Connection* podcast. It's Wednesday, October 19, 2022. Wow, we're moving right along. I tell you, I'm excited for this time of year, and this month I've been teaching on how to open up your ability to hear the Lord. It's also called the seer realm. Now there's a lot of confusion about what it means, actually. I'm going to bring some clarification and show you that you don't have to be a prophet. And the difference between a seer—, is that you can actually hear and see and move in the things of the Lord. Very important right now. Yeah, I'm really excited.

DougAddison.com is my website. Follow me on social media. Facebook is TheDougAddison. Instagram, Twitter and TikTok—we're on TikTok now—is DougTAddison and then YouTube is Doug Addison. So follow my [Daily Prophetic Word](#) #DailyProphetic. Been doing it for a very long time. You can get it delivered to your email. That's what I do. Or get the [Doug Addison app](#). It's on both of the app sites. Just go look that up. Wow. It's exciting.

Lord, we pray that You'd open the heavens, especially this time of year, virtually. (No matter what time ... when you listen to this, God is outside of time. He's the one who created time. So I can—, I tell you, I can do all things through Christ who gives me strength. I want to just speak the strength of the Lord into you. And it doesn't matter how it looks.) The Lord is moving in the storm right now, in Jesus' name. Amen.

Well, this week I'm going to talk about a message I got a while back, a prophetic word, a while back. I've reintroduced it. It's called *The Houses of the Seer*. And there's a lot of stuff going right now. Actually, I want to help you to understand the difference between, first of all, a prophet or the *prophetic gift* (better to say because you don't have to be a prophet to hear the Lord; He's moving right now) and a seer, the *seer gift*.

So, you know, we're in a time right now the Lord is raising up prophetic people, prophetic teams to minister and the House of the Seer. I remember this, a long time ago I went to a guy's house, it was the first time, I think it was 1992. Pastor Hatfield, he had a meeting in his garage in California, Southern California. And I went to the House of the Seer. And in his house, it didn't matter what was going on. Boy, you could hear the voice of the Lord. I knew another guy, Brother Albert in Campbell, California. He had a House of the Seer, meaning he was actually a postman who did a meeting in a community center on Thursdays.

So, those were like examples. But then the Lord began to speak to me. I saw many houses, both real and virtual, rising up right now. We need Houses of the Seer, and it's already existing. But I saw these lights begin to light up all over the Earth. Even right now I'm seeing in the spirit, so to speak. I'm just not like seeing an open vision. Sometimes I do. Most times I just sense. I'm just sensing, then all these houses and these lights lighting up because the Lord says, you know, our prophetic intercession, our intercession got hit really hard because of the pandemic.

And so He's going to raise up intercession, prophetic intercession, prayer teams. It's going to be in churches. It's already happening, but we need to raise it up right now. I'm hoping this word will get out there and help you in churches, businesses, other places. Could be small groups, community groups. Doesn't matter. Or the internet, Zoom. I started—, I activated this for a while and started doing *House of the Seer Zoom* meetings with my partners. I'm not doing them right now, but boy, something's going on.

Now, let me just talk a little bit about the difference between a seer, the seer anointing or the seer ability ... and the prophetic. It's basically—, Isaiah 29:10 is a good example, “The Lord has poured out upon you a spirit of deep sleep, and has closed the eyes of the prophets; and he's covered the heads of the seers.” Now, this is not the prophetic word necessarily, but it's true that we've gone through a time where a deep sleep has gone upon many people.

It's been harder to hear the Lord. And I mention that because a lot of our intercession went down when the pandemic took out our—, probably, I bet a quarter of the people who had been praying. The elderly, the mature, the retired people. But the Lord said, “I'm raising up a whole new realm of prophetic intercession, of houses of intercession, and the Houses of the Seer.” And so remember it said in Isaiah 29:10, He says that He had to cover the eyes of the prophets—prophets or the prophetic anointing. You know, again, you don't have to be in the prophetic. You don't have to be a prophet. I've been moving towards the office of the prophet. I actually went in, back in 2010, I went into the office of prophet.

Then in 2015, I'd already been ordained, but then I was ordained or commissioned as a HIM Harvest International Ministries prophet with the apostle Ché Ahn. I got some good accountability, but I'd already been functioning. I have a function. See, this is a function in the church and the community and businesses, not necessarily a title, but you know, it helps to have it if you need it.

So, prophetic intercessors and seers or the Houses of the Seers are going to rise up. Remember Isaiah 29:10 says, shows up that we have a group of prophetic people—they see and say. Then another group of seers—they had had to cover the heads of the seers.

Okay, the head, the entire head talks about it—all of the senses—you know that's seeing, hearing, smelling or discerning, tasting, sensing, speaking. The late prophet Bob Jones trained me on this. He gave that example a few times about it, he said that, you know, a seer, you could actually have any of these. Like many of you are already doing this, you sense. I, my biggest thing is sensing. I'm operating in them all the time because I've had to stop and explain it, to how I got it—sometimes I do if someone asks. But most of the time I sense. Sometimes I see, like right now if I wanted to, I could go into it, but I like to just let it flow out from me to you.

So, you can be a seer and be prophetic without being a prophet. Now let's just activate this a little bit, this seer thing. First Samuel 9:18, "Saul drew near ..." Now, Saul was the first ... he was about to become the king, the first king of Israel. And the Lord spoke to Samuel, who was a seer-prophet to go prophesy to him, to this guy that lost his sheep. You know, he actually had lost ... He had lost some stuff and he was looking for it. But here, let me just check this out: "Please tell me, where is the house of the seer?" And I think it was his goats he lost. I got caught up here because I started seeing all kinds of things just go before my eyes. When I said this, I started seeing. When I said in 1 Samuel 9:18, I started seeing these houses rise up, the Houses of the Seer. Now it's important ... That step is to wake up from the sleep right now.

Lord, wake us out from any kind of spiritual sleep that we might be in right now.

Now God is calling us back to the basis of our faith. To activate this over you (I do this all the time), I did this last week and over the last few weeks I started talking about this. But I'm going to do it again this week is to activate your faith. Your ability to see and hear in the spirit has to do ... it's tied right in with some things that Jesus said.

Now, 1 Corinthians 14:1, Paul says this, he said, "Follow the way of love and eagerly desire the gifts, the gifts of the Spirit, especially prophecy." So he said, follow the way of

love and desire the gifts, especially prophecy, but do it in love. Satan's plan right now, his greatest play—, I hear this, I hear all the time of people just really struggling with getting hit with—against love—you know, getting angry. I tell you, I've gone through the healing of this and Lord, help us to not get angry. Jesus said, "Love God with all your heart, all your soul and all your mind. Love your neighbor as yourself." He kept saying, that's the greatest thing. Last week I started talking about it, more in the last few podcasts. If you want to go into it, I show you how it's a secret for me ... to getting healed of all kinds of things. So here it is. A mean and cold, unloving spirit has crept into hearts of people, believers and nonbelievers everywhere. We have to break out of this. We need to renew our minds and our hearts, not just our minds and our mouths, but our hearts. And get back to the basics of love. Because if you get back to the basics—.

And so I've been talking about—, last week, about rebooting. Love is the key to rebooting your ability to hear God accurately. So Satan's attack is ... Satan hit the greatest commandment, Jesus said—loving God, yourself and others. And that's in—, anyway, look at my previous podcast to find out the details of that, to activate it more.

But let's just talk about this: to decree what we see and understand. Matthew 13:13, "Though seeing, they do not see; though hearing, they do not hear. They do not—, nor do they understand." Jesus talks about this. They're not able to understand. So we've got the eyes, the ears and the heart of understanding. So there's an anointing God wants to bring right now. There's a—, I'm just going to ... this is not really necessarily, you know, a list of things in the gifts, but I've noticed that some people have the "sayer" style. They say, they see and then they say what they see. You don't really have to think about it. A lot of people just flow.

And then the seer, now there's a difference—, it's a *nabi*, a prophet. *Nabi* is a Hebrew word. I think it is. And I hope I got it right. Sorry. It might be a Greek word. I've been—, I'm, I honestly, I'm kind of drunk in the spirit right now. [chuckles] And so if I'm off on some of these words I'm saying, I'm sorry. But the *nabi* prophets, they see and they just

kind of sense and they say out of their mouth, because the nabi means “bubble up” or, you know, “bubbling out.”

The seer, however, gets revelation from a multiple of different ways, and then they interpret it. You might see a vision: *I see a rose, and the Lord is saying that you're like this*—that's a seer. And then on the nabi prophet, you start to “flow over” some: *The Lord's giving you a rose, He's going to open up things, I see the heavens opening over you right now in the name of Jesus!* I'm actually—, and it's true. I'm not making fun of it. That's how it works. The difference between the two. That's a real basic understanding. And so we understand and operate in wisdom and understanding as we flow through this.

Here's the thing: is that we get our revelation from the Holy Spirit. Nowhere else. We get it from the Holy Spirit of the Lord. And so we want to open right now, I'm going to open the seer realm. [chuckles] Wow, wow, wow, wow, wow. And first of all, when I do this, I do this ministry time all the time. The first thing you need to do is break fear. You'll find it in 2 Kings 6:16. Elisha was sitting there, and he was an amazing prophet. He was a seer-prophet. He had this assistant with him, and they were surrounded by a camp of the enemy. And then the prophet said, “Do not be afraid,” Elisha said, ‘Those who are with us are more than those who are with them.’ Then Elisha prayed, ‘Open his eyes, Lord, so that he may see.’ Then the Lord opened the eyes of the servant, and he looked and he saw that the hills were full of chariots of fire around Elisha.” So that's actually a powerful, powerful way. Now you don't have to literally see. Sometimes—, I very seldom literally see these things, I know. Once in a while I do. Don't worry about it, I'm going to talk about that in a minute. The Lord wants to open your eyes, first of all, to take away fear.

I break the spirit of fear of seeing. I break off anything from childhood—
night terrors, the fear of seeing angels in Jesus' name. Open the eyes,
Lord, of your wonderful servants listening to me today. Whoo. [chuckles]

Now, here's the biggest thing. As you step into this, you'll need to let go of expectations. And as we enter into the spiritual realm of seeing and saying and operating in the spiritual gifts, you don't have to literally see angels. You don't have to have the Lord—, I've never had a face-to-face encounter with the Lord. I have in dreams, I have in visions, I've had things like that. I have only had a few, very few face-to-face with an angel. There's a reason. They don't want to distract from what they're bringing from the Lord.

So, you learn to trust the fact that the Lord is speaking to you. And God speaks in so many ways. A lot of times that we just have to get the faith of it. I love the—, He confirms, and He speaks through the Bible. That's powerful. Whether you actually see visions, it doesn't matter. You know, most angels, they don't want to break the plane of the natural realm as it will distract [from] what they are bringing. Because I've had a couple of them do that or just flash through the room. And my goodness, I mean, you're like, Whoa. It's like you forget what they wanted to say, and it causes the extra warfare on you.

So, they will bring it in a dream. An angel will come and bring it in the dream or just be in the room with you, like they're in the room right now. There's—, I got seven angels here with me. And these are powerful, powerful angels of revelation. So the goal really is to develop your sensitivity with the Holy Spirit.

Now, I went over this last week—is the steps to open the seer realm. First of all, confess your sins and confess anything. Psalm 139:23, "Search me, O God; test me and know my heart. And see if there's any anxious thoughts in me, and lead me in the way everlasting." "So, Lord, I confess my sins." You know, if you have ... you might be dealing with addictions. You know, I did a lot of my life. I had stuff going on. Don't let that cut you off from the Lord. Don't get guilty. Just go in. Ask forgiveness. Even if you have to ask forgiveness every day. But ask the Lord. Of course you want to ask Him, yeah,

you know, to bring healing and—, “But we just confess anything, knowingly or unknowingly. We ask that You would show us if there’s anything hidden in our hearts.” We don’t want to beat ourselves up. But first, John 1:9 says, “If we confess our sins, he is faithful and just to forgive us our sins and purify us of all unrighteousness.”

Step two is to take your position in Christ. Galatians 3:27, “I am clothed in Christ.” Ephesians 2:6 is, “The Lord has raised you up and seated you in heavenly realms with Christ.” Now I went over this last week, but you need to get this down until it’s an automatic thing. Whether you’re aware of it or not, God is with you, and He is right now —, your spirit is connected with Him. No weapon formed against you will prosper.

Step three is decree and take communion. You know, I trained this last week as well, the verses. But I tell you, I take communion every day. I don’t have it with me again. But again, I’ve got this amazing [chuckles] water here. I’m just going to pray over it, you can pray over anything that you have. And, you know, I didn’t have communion with me, but I’m just going to say, “Lord bless the water that I’m drinking. Bless the food that I eat. So, Lord, I decree Your word over my life.” Worship, worship music, decreeing and reading the word and taking communion is how you’re going to do this.

And so, there’s some verses ... I gave some last week. I gave Ephesians 1:18 last week and Revelation 3:20. You can use those. But here’s two new ones that you can decree over you, Daniel 2:22, “He gives wisdom to the wise and knowledge to those who have understanding. He reveals deep and hidden things; and he knows what lies and darkness, and light dwells in him.” Now, Ephesians 1:17 talks about—this is my life verse—actually, Ephesians 1:17 and 18 are powerful, but 1:17, “I pray that the Lord Jesus Christ, the Father of glory, may give you the Spirit of wisdom and understanding that you may know him better.” May give you the wisdom and understanding that you may know him better.

Now, at this point I take communion or, you know, pray over something and it's just powerful to do.

Now, step number four is ask the Lord to speak.

Lord, we pray that You would open our eyes. Open our eyes to see. Remove the fear off of people. The fear to see, the spirit of fear, remove discouragement. Now we pray for the discernment of spirits. We pray for the senses to be activated. We pray for the ability to know things, understand things.

Now, record what you've done. You write it down, write down what you do and pray over it and go test it in the Bible. Share it with ... some of it. Be careful. You know. You know, some people might be discouraged, but find a safe group to do this. Now, also notice how it came to you. What did you sense when you got it? I do this. I look at things, especially if it's something I'm not sure about. *How did it come to me?* Go back to the last time God spoke to you or answered a prayer and study it. How did it come to you? Did it taste? Smell? Practice this with others, pray over people.

So Lord, we pray, open the heavens over us. Bind the spirit of fear. I pray that You would open the Houses of the Seers in Jesus' name. Yeah. Virtual or real. Just, I pray that You would open up the gift of the ability to see, know and understand, in Jesus' name.

Well, you know, we're celebrating here this month and it is InLight Connection, our ministry—, my wife ... Doug and Linda Addison started InLight Connection 21 years ago. Yup. And we're celebrating our 21st anniversary. And you know what? We started this because of a prophetic word that Bob Jones had about a billion-soul harvest. And the Lord says that, you know, after 21 years—. You know, Linda's 64, I'm 63. And most

people want to retire. But I just said, “Lord, we want to re-fire. We want to get into the fire even greater.”

But, you know, we’ve done a seven-year assignment here in Los Angeles, the Hollywood Project. You can actually see the Hollywood sign in the distance from the backyard of our house. So, we’ve been here for seven years, and we’ve rented this house and we’ve sown so much. We sold our previous house in Santa Maria. Our office is still there. But I’m just telling you, we’ve given it all when most people would be doing, you know, would be getting ready to retire.

We took our house that we—, the money from the house that we sold in Santa Maria, and we just sowed it in for the last seven years. Eight years, actually. But for the last seven years, we’ve put a half a million in rent to live here. And this is not a mansion. [chuckles] But we’ve also done a lot. And Linda and I ... I tell you, the stuff that you read, if you see the *Daily Prophetic*, if you—, if my ministry has blessed you in any way, we need to raise some funds right now, take some time off. We need to move out of this house, and we need to do some things. We’re still going to be around, but we would really appreciate you helping us out if it’s possible.

People helped us to move here, you know, to help us get going. But we need some help right now, especially with some time off. So we need to—, just consider this. Go to DougAddison.com/Celebrate. You’ll see a place to give. And/or maybe you want to just help us by, you know, taking my online school. That would help us. This month we’re doing the [School of the Supernatural](https://DougAddison.com/SchooloftheSupernatural) and DougAddison.com/SOS. And it is ... I mean, it’s packed full of how to discern angels, all kinds of things.

But anyway, I’m really, really excited for what God’s doing.

And, Lord, we pray that You would open the heavens over all of us. We bring the spirit of encouragement in Jesus’ name. Amen.

See you next week!
