LETTER FROM THE EDITOR

I recently listened to David Wilkersons 1973 Prophetic Vision. Much of which has come to pass. I had read it in the past but listening to it has more impact. This word has insight into the times we are living in right now.

I have made a copy of the audio file available from our web site, (in End-Time Prophetic Words section) I recommend listening to it.

Fear is gripping the world concerning finances, food shortages, power and gas supplies etc. Do not listen to the fear mongering of the press, the world does not have the answers. We have hope in Jesus alone.

Jesus said "all these things must come to pass before the end".

Stay strong and trust in the Lord.

FOLLOW ME

BRUCE ALLEN

Have you ever wondered why Simon and Andrew were immediately willing to walk away from their business, their livelihood

There are two phrases in the New Covenant I want to look at in greater depth today that I believe will help us to understand one of the major disconnects we find in the modern day church and true Biblical Christianity.

As He went along the Sea of Galilee, He saw Simon and Andrew, Simon's brother casting a net into the sea (for they were fishermen). Jesus said to them, "Follow me, and I will turn you into fishers of men!" They left their nets immediately and followed Him."

Mark 1:16-18

Have you ever wondered why Simon and Andrew were immediately willing to walk away from their business, their livelihood and follow someone whom they had never met nor heard of? Isn't it rather strange to even consider such an action that seemed to defy all logic and common sense?

The reason, once we understand the culture and background of this story, becomes clear and causes us to pause and consider our own response

to the call of Jesus given to each one of us.

The words 'follow Me' are the Greek words *Lech Achari*. Everyone in Jesus' day understood these words and their significance. When a rabbi would call a young man he would say *Lech Achari*, or Follow Me. Every Hebrew young man yearned to hear these words spoken to them at some point in their lives.

If you heard these words directed towards you it changed your life forever!

You see, not everyone was so honored to have these words directed at them. In fact, to hear these words was considered an incredible and indescribable honor reserved only for the most gifted of young men!

Why you may ask? Because most men were not astute enough in Torah to have the opportunity to study under the tutelage of a rabbi. Instead, the vast majority of young men would continue in their family

trade even if their desire was to have the opportunity to study the Torah in greater depth.

This is precisely what Simon (Peter) and Andrew were doing when Jesus who was considered a rabbi approached them and spoke *Lech Achari* to them. Now, I want you to listen to this and understand what I am saying. At some point in their lives they had been told that they weren't fit to study under a rabbi.

They weren't smart enough, good looking enough, tall enough, short enough, thin enough or fat enough etc. They did not qualify according to the inclinations of the religious system of their day.

This honor was supposed to be out of their reach! But one visitation, one invite from Jesus changed their lives forever!

This gives us a new perspective on what it means to 'follow Jesus'. Those two words, *Lech Achari* were considered one of the highest honors any Jewish young man could ever have extended to them!

When Jesus revealed Himself to us, according to His culture and His understanding He extended to us one of the greatest honors of our lives - to 'Follow Him'.

This was not just some random command in the scriptures. It was a call to life transformation! And these same words, *Lech Achari* have that same power today to radically change our lives if we recognize the great honor being extended to us!

This is not an invitation to 'repeat after me' a simple prayer of salvation. This is an invitation for a life of discipleship, encounter and transformation, walking with the King of kings and the Lord of lords!

Speaking of being a disciple of Jesus, the second word I wanted to look at was the Greek word *Mathetes*. This is the most common Greek word used for disciple in Scripture.

It is a word that can also be translated as 'student'.

But that simplistic understanding doesn't do justice to the relationship between a rabbi and a *mathetes* or disciple.

Today we tend to think of a student as an individual who sits in a classroom (or online) and absorbs information from a teacher in order to gain a certificate showing proficiency in a particular field of study.

However, biblical discipleship goes much further than that. The reason a rabbi would say *Lech Achari* to a young man was because he was inviting that young man to be his disciple.

The reason Simon (Peter) and Andrew dropped everything to follow Jesus was because being discipled under a rabbi was a completely immersive experience. Disciples would forsake everything, including their jobs, families, worldly distractions and homes to follow their rabbi.

They would go wherever the rabbi went, do whatever the rabbi did, eat what the rabbi ate, conduct themselves in the same manner as their rabbi. They would emulate their rabbi in all aspect of their conversation and conduct.

A disciple's goal wasn't simply to learn what his rabbi knew. A disciple wanted to be just like his rabbi!

Discipleship is more than just reading your bible and going to church once or twice a week. Jesus wants us to immerse ourselves in our relationship

with Him as His original 12 disciples did. He wants us to hold nothing back, to surrender every aspect of our lives to Him. He doesn't want us to just know what He knows; He wants us to do what He did, love as He does, pray as He prays, lay down our lives as He

did and glorify Yahweh as He did and does!

Just imagine if we were truly willing to do this just as His original disciples did? What would the world look like?

KISSING THE SWORD

BOBBY CONNOR

It is a mystery that the devil, the foe of our soul, knows
and a truth that few believers understand

In recent days The Spirit of Truth, by several vivid and compelling encounters, has been speaking to me. He has been instructing and confirming to me that I am to revisit and relive some of the events that was given to me years ago.

Almost in a tone of protest, I replied; "Lord, I want to stay current with what YOU are saying and showing, NOW!" To which He quickly replied; "The most important and pertinent thing you can do is obey ME!" He said; "I have much to release."

Please join me as we revisit one of these vivid experiences!

During the early hours of February 22, 2001 while ministering in San Jose, California, I had a vivid dream which was so graphic and strong that I was stunned awake by it. As I was lying in bed, my heart still racing and breath heaving, I looked at the clock and it was precisely 2:22 AM. While praying about and pondering this vivid dream for quite some time, and before falling back into a deep

sleep, to my utter amazement at 5:55 AM, I experienced the exact same dream; and this time it was even more intense. I was shaken by the reality of having these identical dreams. I was so moved and astonished by these two back-to-back dreams that I called my prophetic friend Bob Jones to relate these dreams.

Bob was considerably astounded by this call, saying in an excited tone, "Yes! Yes! I saw this sword in the night! ... I received almost the same identical dream twice last night!" Continuing, he said with a joyful tone - "I was expecting your call!"

He continued stressing the importance of the encounter. Replying that when the Lord reveals to two people the same thing twice it is extremely important that we give our time and full attention to what is being revealed.

When God Releases Duplicate Dreams

It is essential that we give special attention when God begins to release duplicate dreams and visions

when the Spirit of God is saying and showing the same identical thing. For the Scriptures declare that it is in the mouth of two or three witnesses that a thing is to be established (see Matthew 18:16).

Before I share the visitation please join with me in this prayer - "God open our hearts to receive and give us ears to hear what the Spirit is saying to the Church. May the Spirit of Truth grant to us clear and precise perception and direct us with understanding how to respond."

The Dream

"TIME TO KISS THE SWORD OF THE LORD AND THE LORD OF THE SWORD!"

The dream commences; I am standing in a massive crowd of people, in a huge hallway or passageway, much like a walkway in an airport terminal, however, extremely larger and very crammed and congested with people.

This huge mass of people were standing as well as ambling around, casually chatting and visiting. They seemed to be satisfied simply to be strolling and standing around.

Suddenly in the distance, about forty feet away, The Lord Jesus Christ appears. There is a brilliant radiance flowing from Him, I was completely shocked at the people's reaction. It is apparent the crowd does not see or recognize Him. They merely continue their casual chatting and shallow visiting, seemingly unaware, and oblivious of the Lord approaching.

Jesus is walking with resolve toward me with a big brilliant glorious, sword. The sword is in HIS right hand. His sword is glowing, gleaming and razor sharp.

He proceeded to stride toward me, stopping directly in front of me. Lifting up the sword, high above His head,

speaking in a most convincing tone Christ said; "It is time to kiss the sword!"

This was a strong directive command. While speaking these words He lowers the sword to His face, placing it at His lips. He decreed, "Kiss the sword!" My heart pounding and my breath heaving, I extended my face and lips preparing to kiss the sword; which was placed flat against Christ's lips. As I leaned forward to kiss the sword, He swiftly turned the sword with the extremely razor sharp blade facing His lips and mine.

Stunned, I was hesitant to continue to press my face and lips into the edge of the razor sharp glistening sword. Knowing my reluctance, Jesus said:

"Have no fear!" "My grace is sufficient for you; I bore the pain for you!"

I Had To War Against My Mind

Christ's words stirred deep within my soul, arousing strong confidence and assurance in my heart, releasing courage for me to continue to press my lips firmly against the razor-sharp sword.

In spite of His reassuring promise of no pain, I had to war against my mind which was not totally convinced that I would not be wounded and feel excruciating unbearable pain. His words released in me a new found confidence. As I continued, deep within I knew that the Lord's plans are to help me not to hurt me.

Please understand that mere human words are weak and so inadequate attempting to verbalize and reveal heavenly encounters. Nevertheless, as the sword began to penetrate, making its way into my lips, I felt only total pleasure and extreme delight, not pain at all. So I pressed even harder, my deepest longing was for my lips to meet the lips of the Master.

My heart was filled with the plea of

Song of Songs . . .

"Let Him kiss me with the kisses of His mouth, because His mouth is altogether lovely."

Song of Solomon 1:2

I could feel a hot liquid flow pouring forth from my lips. I thought for sure it was my blood streaming down, with each beat of my heart it flowed down my chin and onto my chest. I could feel the warmth, as well as, hear the splatter as the liquid splashed upon my feet and as the liquid flowed from my lips to the floor. I was truly amazed and astounded, thinking I must be bleeding extremely badly. Again let me emphasize, I felt absolutely no pain, only a deep unexplainable pleasure resulting in transcending peace and inward joy unspeakable.

I was compelled to look! Fully expecting to see a flow of crimson red blood! As I looked down at my chest and feet to see what was flowing from my lips, I was totally shocked and

overwhelmed. It was not my blood at all. But rather, it had the appearance of flowing, glowing, living, liquid gold.

Knowing my question before I even asked, The Lord said, "That is My Glory, it is released by obedience and embracing the Spirit of Truth." Only as we obey and follow the word of the Lord will we be trusted to speak forth the release of His power and glory (see John 17:17).

No human words can describe the feeling of joy and peace His words released. Suddenly this passage exploded within my spirit:

"He who loves purity of heart and has grace on his lips, the king will be his friend."

Proverbs 22:11

May God grant to us a heart to swiftly and completely obey HIM. Yielding our lips to become His lips of love, speaking His message of restoration and redemption.

VISION OF 2ND HEAVEN AND THE FEAR OF GOD

MARK JOHNSON

The Lord then told me
“They are concerned that they will lose territory in the earth”

In the month of July 2022 I had a vision of 2nd heaven. In this vision I saw fallen angels gathered around a war table, discussing future plans.

They were looking down at this table as if viewing intelligence reports or maps. I could not see what was on the table but that was the impression I had. I also could not hear what they were discussing, but I could see the looks on their faces and that was all I needed to see, to understand what was going on.

I saw worry and fear on their faces. I wondered, “What are they worried about?” The Lord then told me “They are concerned that they will lose territory in the earth”.

I paused for a moment to take it in. Looking back at this scene the thought dropped into me “they are going to try and counter the next move of God”. That is what they are discussing! The scene then faded away.

The Plans of the Enemy

In September 2022 I was asked to teach on spiritual warfare, I touched on corporate warfare and how the enemy uses movies, events and festivals to release the demonic. Festivals like gay marches and Halloween. I started to get a sense that this year the enemy was going to prepare greater than other years.

Just this week, September 27th, I was speaking with a pastor about October 31st, and that we cannot allow the enemy to have any foothold at this time. I encouraged him to call prayer and warfare against this festival on October 31st 2022.

I did not connect the dots until the Lord woke me up that night. This is the plan that I saw in 2nd heaven being discussed. This coming Halloween in 2022 there will be a push back, the enemy is going to use this as part of their planning to stop the next move of God. A world wide event against the Kingdom of God.

I encourage everyone who is reading this to come together and counter this move of the enemy. We cannot allow the enemy to go unchecked this coming month. We need to engage in spiritual warfare before this event, to stop any plans of the enemy on October 31st. Can I suggest Sunday night on the 30th at the very least.

The Fear of God is Coming

Coming back to what I saw in the 2nd heaven, the fear I saw on these fallen angels' faces was the fear of God. When leaders have fear on their faces, it creates a chain of events. The people under them will see the fear and begin to fear as well.

Even though people in the world do not see the masters they serve (fallen angels and demons), the fear of God will still impact them. The fear of God is coming, it is coming to your city, town and suburb. It is the fear of God that will transform a nation and the enemies of YHWA are in fear!

Let us not miss this opportunity, the enemy is mobilizing for a world wide event. It is motivated by fear of what God is about to do in the earth.

One day I will get Serious with God

Have you said this? This is that day! This is the day to raise your hand and say,

"God use me". In raising your hand you are readying yourself to be called to action.

You might not think you are ready or equipped. But you only get equipped when you are ready to go. In the military, you don't receive your equipment until you are ready to be deployed. The same holds true for God's kingdom. We position ourselves to be used by God. What does that look like?

In one word, "Prayer". We need to enter our prayer rooms every day. We need to wait on the Lord in worship for His guidance. Not just once or twice a week.

Acceleration

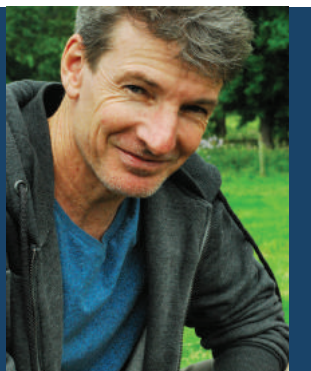

We are seeing an acceleration of evil in the world. The Lord will not hold back His acceleration of the Sons of God. We can either watch from the grandstand, or get into the game as it were.

The Lord is looking for people who will raise their hands and say "Use me", a people who will walk down from the grandstand onto the field. That means a repositioning that YOU have to do. If you do this the Lord will equip you for the task ahead. Equip you from the storehouses of Heaven.

What is facing us right now in this hour? The enemy preparing for war this coming month.

THE COUNSEL OF THE LORD FOR THE NEXT TWO YEARS

JOE SWEET

He will give us His wise counsel so that we can “overcome”.
If we follow His counsel, He will always lead us in triumph.

God makes His counsel available to us so that we can overcome and be victorious in all things.

“Now thanks be to God who always leads us in triumph in Christ, and through us diffuses the fragrance of His knowledge in every place”

2 Corinthians 2:14a

That does not mean that the Lord won't say things that, at times, may seem frightening, difficult or negative to us. He will. However, even when He has to rebuke, chasten and correct us, He will give us His wise counsel so that we can “overcome”. If we follow His counsel, He will always lead us in triumph.

An example of this is when the Lord gave His assessment of the Laodicean church.

“And to the angel of the church of the Laodiceans write, ‘These things says the Amen, the Faithful and True Witness, the Beginning of the creation

of God:15 ‘I know your works, that you are neither cold nor hot. I could wish you were cold or hot. 16 So then, because you are lukewarm, and neither cold nor hot, I will vomit you out of My mouth. 17 Because you say, ‘I am rich, have become wealthy, and have need of nothing’—and do not know that you are wretched, miserable, poor, blind, and naked—

Revelation 3:14-17

The Lord just said that the church was: lukewarm, wretched, miserable, poor, blind and naked.

Not good! However, the Lord did not leave them there. He always wants to lead us into triumph. We will go to victory IF we will follow His counsel.

“I counsel you to buy from Me gold refined in the fire, that you may be rich; and white garments, that you may be clothed, that the shame of your nakedness may not be revealed; and anoint your eyes with eye salve, that you may see. As many as I love,

I rebuke and chasten. Therefore be zealous and repent. Behold, I stand at the door and knock. If anyone hears My voice and opens the door, I will come in to him and dine with him, and he with Me. To him who overcomes I will grant to sit with Me on My throne, as I also overcame and sat down with My Father on His throne. He who has an ear, let him hear what the Spirit says to the churches."

18-22

The Lord gave the greatest promises to those who would overcome lukewarmness: He would grant us to sit with Him on His throne!! That is just mind-blowing. This shows us that, even when we are in the worst condition possible (lukewarmness), if we will look to Him and apply His words, the Lord will lead us into triumph.

He gave clear instructions to the church at Laodicea on how to overcome:

- 1) Buy from Him gold refined in the fire and white garments
- 2) Anoint your eyes with eye salve so you can see
- 3) Open the door and spend time fellowshiping with Him

We could break these instructions down for more understanding and practical application, but that is for another time. The point of this article is that the Lord will always make His counsel available to us, if we are listening to Him; if we are "watching and praying" as He admonished us to do.

When the Lord was speaking about the difficult times coming on the earth at the end of the age, He didn't tell us those things to scare us, but to prepare us. He gave wise counsel so that we could overcome.

"Watch therefore, and pray always that you may be counted worthy to

escape all these things that will come to pass, and to stand before the Son of Man."

Luke 21:36

"Escaping all these things" and "standing before the Son of Man" does not mean leaving the earth. It means walking with God and living in His presence here so that we are walking in Divine guidance, protection and provision. Elijah is an example of this.

"And Elijah the Tishbite, of the inhabitants of Gilead, said to Ahab, 'As the Lord God of Israel lives, before whom I stand, there shall not be dew nor rain these years, except at my word.'"

1 Kings 17:1

Elijah was "standing before the Lord" as he lived on the earth. He lived during the time of judgement on the land as severe drought lasted for years. Because of his walk with God he escaped the consequences of the drought. He was led to the brook that provided water and birds brought him his food. Later he was led to a widow who provided for him supernaturally.

"I do not pray that You should take them out of the world, but that You should keep them from the evil one."

John 17:15

The church at Philadelphia who kept His word and obeyed His counsel was led into triumph.

"Because you have kept My command to persevere, I also will keep you from the hour of trial which shall come upon the whole world, to test those who dwell on the earth"

Revelation 3:10

The Greek words for "keep from" ("tereo" - to keep; preserve; guard;

take care of – “ek” - from) used in John 17:15 are the same Greek words used in Revelation 3:10 (tereo ek). We aren't taken out of the world, but we are preserved in the midst of it. Just like Elijah was preserved in the midst of famine. He kept the counsel of the Lord and “stood before Him” while he was on the earth. We can do the same if we follow His counsel.

Prophetic Dream

At the beginning of this year (2022) I received a prophetic dream that included counsel from the Lord concerning the turbulent times just ahead of us.

In the dream I saw dark clouds covering the land while there was an endless drizzle of oppressive rain. The atmosphere was gloomy and I heard many people complaining about the non-stop, day-after-day rain. It had been raining for months. It made life difficult. People were just fed up. I heard people saying things like “We are so tired of this!”, “When will this ever end?” and other similar complaints. I had a “knowing” in the dream that the oppressive, dark clouds with the unending rain somehow represented government oppression like lockdowns, curfews, restrictive laws, etc.

Then the scene in the dream changed. I was now in front of a small group of about 25 people and I was sharing the dream with them and also giving the interpretation to the dream. I said “The next two years is going to be difficult, and especially the first six months of the next two years will seem to be the hardest. However the Lord is allowing this difficult time because He wants churches that are out of His will to close down. He wants the churches that are in His will to pray on a level they have never prayed before so they can rise above these dark clouds into the glory realm”.

Then someone in the group replied “I know some people at the Baptist church and also another denominational church who also had similar prophetic dreams and now they are praying like never before so they can rise above the dark clouds into the glory realm.”

I then replied “Can you connect me with them? I would like to meet them.” I went on to say “See! It doesn't matter what anyone's church background is, but what matters is if we fear God. For whoever fears the Lord will be given wise counsel to overcome”. End of dream

After the dream while praying for further clarification on what it looked like to be “praying like never before” I saw a vision of the people in our congregation. All the families were gathering together in their homes every evening and spending time first “ministering to the Lord” with worship, thanksgiving and praise and then praying after that.

I was shown that we should pray for “all the saints” in our local congregation according to Ephesians 6:17-18

And take... the sword of the Spirit, which is the word of God; 18 praying always with all prayer and supplication in the Spirit, being watchful to this end with all perseverance and supplication for all the saints— and each family should pray for all their family members, both the saved and the unsaved. I saw that the Lord would move in a mighty way in response to persevering prayer to save family members who are lost and/or backslidden. Ephesians 6:17-18

I saw that as the body ministered to the Lord daily and prayed with

persistence for one another and for the lost, He would release great grace from heaven to move all of us up to a whole new level in the Spirit. Like a jet plane that flies up through the storm clouds and breaks into the calm and the sunshine, the church would break into the glory realm and start living "above" the oppressive clouds. I knew this would be the greatest time in the Lord for all of us.

Initially I did not know when the "two year period" that was revealed in the dream would begin. However, I believe that we are just beginning that two year season now (October 2022). Now is the time to pray on a level we have never prayed before.

Let every believer start every day with time alone with God in prayer and reading His Word. This is absolutely crucial. May the Lord help all of us to cultivate a spirit of prayer mingled with songs, hymns and thanksgiving as we go through our day; keeping fellowship with the Lord. Each evening instead of wasting time on other things let us gather to minister to the Lord, thank Him and pray for our church family and our natural families. TOGETHER in prayer, God will release great grace to take all of us higher in the Spirit, above the storm clouds into a level of His glory that we have never experienced before.

Instead of oppression, the latter rain of His glory will begin to be poured out on churches who are really seeking to do His will. As many churches close down and other churches break into the glory, there will be a massive shift in the church. This latter rain of His glory will be similar to what is written in Amos 4:7b-8a

*I made it rain on one city, I withheld rain from another city.
One part was rained upon, and where*

*it did not rain the part withered.
So two or three cities wandered to
another city to drink water*

Amos 4:7b-8a

As the church experiences His glory, a great harvest of new believers will come in. This will put a huge demand on the body of Christ. Our traditional "wineskin" will not be able to reap and disciple the harvest. The "way" we have been doing church must change. Home meetings and small groups will become vital. Just as it was in the beginning of the church age, so will it be at the end.

Recently, Chris Reed, president of MorningStar Ministries in Fort Mill, South Carolina, ministered at our church in Lancaster, California. He shared a very important revelation He received from the Lord a few days before he ministered here in July 2022. With his permission I am sharing a transcript of a part of his message. Without a doubt, Chris was given wise counsel from the Lord to prepare us for the final great harvest of souls.

Revelation Given to Chris Reed

I was caught up before the Lord in this room where there were many drawing boards. Suddenly to my right, the Lord Jesus was standing in front of me and He looked over at me and said "Would you like to see My strategy?" I said "Yes, please Lord" and I was terrified. It was very real.

He showed me this protected safe with a combination lock on it. He reached down to begin to turn the knob on the combination lock on the safe and He puts in the numbers 2-4-2.

Then He had me open it and it had a small old scroll rolled up and it had written on it "The Harvest Combine – the Harvest Combination

Acts 2:42"

Then He said "The church age will end the same way it began; in the home churches. All these strategies on these boards that men have drawn, I am seeing and I am examining. But all of these well-meaning strategies on these boards are only supplemental to discipling the harvest but they will never replace or stand-alone by itself."

"The church wants Acts 2:43 but the combination for 2:43 is 2:42."

And they continued steadfastly in the apostles' doctrine and fellowship, in the breaking of bread, and in prayers. Then fear came upon every soul, and many wonders and signs were done through the apostles.

Acts 2:42-43

The Lord said "In a time to come there will be more persecution and disruption against the corporate gatherings. I am not against the corporate gatherings. Just like in the beginning in the book of Acts, the persecution kept the church out of the large gatherings and they took it from house to house and the Gospel

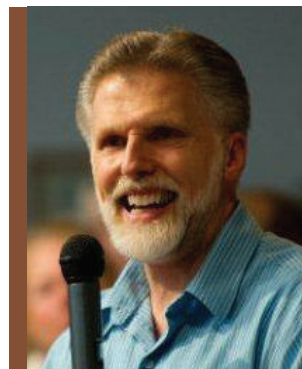

spread over the whole known world.

"As you focus on winning souls and the discipleship of them, the prophetic and the gifts will increase to a new level so that no unbeliever will be able to negate and no man will be able to gainsay.

"For I look at the drawing boards of men and the ideas are good; some are even inspired by Me but none of them will replace this combination of grass roots evangelism.

"The combine for the harvest includes four distinct harvesting functions and operations: reaping, threshing, gathering and winnowing. The combine brings all four of those down to a single process. Learn the ways of the combine.

"This combine will be completed in these future house gatherings and with guidelines can produce the koinonia fellowship necessary to gather the harvest of souls and to produce the mature manifest Sons of God in power to usher in the rule of the Son of Man who is speaking to you. I am the Lord of the Harvest."

5783

THE YEAR OF THE UNDERDOG

ANDY TIPLADY

September would be a sign of change that would
be coming in this Jewish New Year 5783

This past September my 14-year-old son and I successfully summited the highest free-standing mountain in the world, Mount Kilimanjaro, 5,895 meters high. It is at extreme altitude. We began our ascent on the 4th of September, summited on the 10th September and concluded the trek on the 11th of September. For those interested, we ascended the mountain via the Northern side of the mountain on the Alternative Lemosho Route, beginning the climb via Lemosho Glades, and concluding at Mweka Gate, some 55 miles completed and over 5000 meters ascended. It was one of the toughest climbs we have done. Not for the faint hearted. We had trained hard for months especially using Hypoxic training, or living at altitude and thankfully did not suffer from altitude sickness, but still the lower oxygen levels made each step hard work. Everyone else in our 7-man group suffered symptoms of altitude sickness, with one member having to be rushed off the mountain with the onset of cerebral edema, a swelling in the brain that is fatal unless immediately remedied by getting

back down the mountain. It was serious stuff.

On the 5th day, the 8th of September, we found out that our beautiful Queen Elizabeth II who had reigned for 70 years, had died. She had faithfully served the Lord all the days of her reign. She had made an allegiance to our Lord, at the altar at Westminster Abbey at her coronation on the 2nd of June 1953, stating, "how can I accept other allegiances when I have not given mine first to the God I serve." She knelt at that altar and gave her promise to serve God first. She fulfilled that promise for over seventy years.

I had prophesied back in a June meeting that the Lord had told me that the Queen did not have long to live. I also said that by the end of September would be a sign of change that would be coming in this Jewish New Year 5783. Let me say again, change is coming this year.

If you add $5+7+8+3 = 23$. The end of 2022 and into 2023, I believe, we are going to see significant change

that we have never seen but know is coming but we have not experienced this before. We've had glimpses, but not seen this.

"Yet there shall be a space between you and it, about two thousand cubits by measure. Do not come near it, that you may know the way by which you must go, for you have not passed [this] way before." (Emphasis mine) 5 And Joshua said to the people, "Sanctify yourselves, for tomorrow the LORD will do wonders among you."

Joshua 3:4-5 NKJV

I see spiritual dams of revival breaking out across the world that will see a remnant coming out. Look at Israel, God's time piece, and the planning and building of the third Temple. This will soon be established with plans to build it imminently. I personally believe it will be built in the City of David. Just read Ps 122. There is a hint there about going into the house of the Lord.

So, on the 8th of September we heard the news of the death of the Queen. The tour guides asked me to say something on their behalf, from the heights of Kilimanjaro, which they then shared on Facebook for families and friends who were following our progress. I was emotional as it was an incredible privilege to do this, and as I spoke the Holy Spirit started to speak to me. I spent the next week processing what was said and then the Lord confirmed it as we were on the flight back to the UK. I heard "This year will be the year of the underdog."

Let me explain. What happened at the beginning of Queen Elizabeth II reign? On the 29th of May 1953, 4 days before the coronation, Edmund Hillary and Sherpa Tenzing were the first to successfully climb Everest. Forward wind to the end of the Queen's reign, and here we have 7 Brits climbing Mt Kilimanjaro, speaking from the mountain. Just as Hillary dedicated

his climb to the Queen just before her coronation, I felt the significance of being asked to say something from Mt Kilimanjaro at the end of her reign. Statistically, what is the likelihood of that happening? I felt God had His people where they needed to be but of no reputation, no renown and faceless. Likewise, I believe this is a sign of a generation coming to forth; a nameless, faceless, of no reputation or renown coming forth.

In the United Kingdom, as a nation we went into 10 days of mourning. She died on the 8th of September 2022.

Here we have 5 numbers.

- 4 – Hilary climbing Everest 4 days before the coronation of the Queen on the 29th of May 1953
- 7 – 7 Nameless Brit's climbing as a group on the highest freestanding mountain in the world
- 8 – 8th of September the day of her death
- 10 – 10 days of mourning as a nation
- 70 – 70 years of her reign

If you have followed me in the past, you know I am into numbers and the Biblical use of numbers in Scripture and know that the Lord is speaking to His people through this.

The Number 4

Four is the number of material completeness. God created on the fourth day and creation came forth.

- Four is the number of the elements – earth, air, fire, and water. Meaning - There will great disruptions of weather patterns the like of which has never been seen. It will break records. As I am writing this we are seeing this play out with Hurricane Ian over the state of Florida, moving up the eastern coast of America. This is the start of weather patterns getting more and more extreme.
- Four regions of the Earth – North, South, East, and West.

Meaning - This is what the Lord said to me. "Just as the 7 of you are people who have no position or renown, a nameless and faceless company of people, a remnant will start to come forth, with creative power in regions across this globe. There will be regions where revival will start to breakout especially in the UK and across her commonwealth and around the world.

- Four divisions of the day – Morning, noon, evening, and midnight. Jesus speaks of his coming at the midnight hour in Matthew 25:6. Who gave out this cry? The Bridegroom's Friends. A company of people will be like John the Baptist.

"who will cry out in the wilderness: 'Prepare the way of the Lord; Make His path straight.'"

Matthew 3:3

This group of people have been in the wilderness but now is their time to come forth as the 'Underdogs' with no name, reputation, or fame. But it will be their hour, and for such a time as this they will come forth.

- Four seasons of the year – Spring, Summer, Autumn, and Winter. Here in the UK we are finishing Summer and moving into Autumn. This will be the season of change.

The Number 7

There were 7 of us climbing in our group. 7 is the number of spiritual perfection; completeness.

The number 7 -

- The Seven Spirits of God will start to manifest in a company 42 people – Isaiah 11:2
- The Seven Spirits of God will go forth across the earth on this group of people – Joel 2:28-29.

The Number 8

Her death happened on the 8th of September. 8 signifying "New beginnings". But eight is especially associated with 'resurrection and

regeneration' and the beginning of a new era or order. The true church will start to come forth – the Church of Philadelphia- the Church of Restoration of all things, holding the Keys of David in their hands will start to come forth. (Rev 3:7-8.)

The Number 10

10 days of mourning. 10 speaks of "The Perfection of Divine Order." It implies that nothing is wanting; that the number and order are perfect; that the whole cycle is complete.

An old cycle is now finished with the death of our Queen and the potential of a new cycle coming in, if we pray this in. We must pray and cement this in.

The Number 70

Our majesty reigned for 70 years. 70 is a combination of seven and ten, the product exhibits the significance of each number in an intensified form.

Hence 7 x 10 signifies perfect spiritual order with all spiritual power and significance. It is where spirit and order are greatly emphasised.

This company 42 people will totally be about "their Father's business" Not company business, not church business, not ministry business, personal acclamation, but 'following the Lamb wherever He goes and learning a new song in heaven.' Rev 14:3-4

There will be a military way in their thinking with clear strategy, understanding of our orders. They will be a cohesive army of order and thinking. Joel 2:1-11. They will take their orders from the Commander in Chief Joel 2:11 and be about one accord - The return of the King of Kings where "The kingdoms of this world have become kingdoms of our Lord and of His Christ, and He shall reign forever and ever." Rev 11:15. Hallelujah!

As I end, can anyone remember the name of the Archbishop of

Canterbury who conducted the Queen's coronation back in 1953? Fisher. I believe we are about to see Jeremiah 16:16 come forth:

"Behold, I will send for many fishermen," says the LORD, "and they shall fish them; and afterward I will send for many hunters, and they shall hunt them from every mountain and every hill, and out of the holes of the rocks.

Jeremiah 16:16 NKJV

We are living in these final days.

The great thing about this company of people that will come forth is they are 'First Fruits.' Just read Rev 14:4.

'Arise and Shine,' for this is the year of the underdogs about to come forth. The nameless and faceless, of no renown or position but were/are born for such a time as this.

*Blessed be the Lord my Rock,
Who trains my hands for war and my
fingers for battle –*

*My Lovingkindness and my fortress,
My high tower and my deliverer,
My shield and the One in whom I take
refuge,*

Who subdues my people under me.

Psalms 144:1-2

From a Psalms 24:3-4 posture from an Isaiah 58 fast.
