

Prophetic Word: Breakthrough Power and Blessings

Doug Addison [Episode 257]

November 2, 2022

Hey friends, Doug Addison here. Welcome to *Spirit Connection* podcast. It's Wednesday, November 2nd, 2022. I've got a powerful prophetic word for the month of November, and it's also going to bring some encouragement to you and also help you to plan, strategize what you need, what's ahead.

And, Lord, we thank You for Your goodness in this. [chuckles] Wahoo!

Boy, I have to tell you, I haven't felt the power on a prophetic word this strong. I may have said that before, but this is definitely building, if—, this year is building up.

My website, DougAddison.com. Social media: Facebook—TheDougAddison; Instagram, Twitter, and now on TikTok—DougTAddison and YouTube—Doug Addison as well. Follow my [Daily Prophetic Word](#), #dailyprophetic, or go to my website and get it delivered to your email box. That's what I do. Lord, we thank You for Your goodness. We thank You that You're moving outside of time. In fact, You are the God of time. You created time and

people can hear this word because I'm a times-and-seasons prophet.
They can hear this word later because of the internet, too, and it could still apply. The anointing is here for breakthrough. Breakthrough power.
Breakthrough blessing is here in Jesus' name, Amen.

Well, the Lord showed me two things. First, is a breakthrough power or anointing is being released right now. Micah 2:13 (boy, I love this verse), "The One who breaks open the way will go before them; and they will break through the gate and go out. Their King will pass through before them, the Lord as their head." Man, you need to write that down. I got a few verses here, but Micah 2:13 is one of the few verses that I have ever found that talk about breakthrough and getting through the gates and the Lord moving like this.

Wow, we just declare this you right now in Jesus' name.

You know, there's going to be a strong—. In fact, it's already started to release ... a very strong breaker anointing. Now an anointing is a power of the Lord. It can come in different ways. Hey, if you're a teacher and a thinker, it's going to come that way, but it'll come in the way that you can receive from the Lord based on this. But there's also operating in the church. It's just going to start operating in business, the communities right now, strong breakthrough anointing. It could be healing. There's being released from Lord—, He's leading the way and He's going to release you out of your current situation and then break you through into your new season that is at hand.

You need to break out the old and break through to the new. The Lord is going to continue to prepare the way for you where seems like there's no way. You know, I was really praying over a verse over this and there is a verse that states that. But the Lord told me, "No, use Isaiah 45:2." "I will go before you and I will make the crooked paths straight; and I will break into pieces the gates of bronze and cut the bars of iron."

Isaiah 45:2. Whoo! There's another one. It's a breakthrough. Breaking out. Breaking through ... anointing that's here right now.

So, get ready for miracles that are available almost every area of life. The Lord is going to bring healing spiritually, physically, emotionally, relationally, financially, to name a few. The key here, let me ... let me tell you, the key is to stay at peace and trust the Lord. Stay at peace and trust the Lord. And you'll need to get intentional, you know, contend for your breakthrough. In other words, it's not going to be a blanket—, you know, you will need to file this with the Lord, you know, and get in there and pray and ask Him to speak to you. But, you know, we're here. I'll be doing *Spirit Connection* podcast, we're talking about it, and others are going to be moving through this.

But, you know, unlike the past, we have had a seasons of—, I've seen individual, maybe just individuals, but Lord is moving now individually. And He said this to me, "Put on your own oxygen mask first." You're going to see this as you do this, with others as well. You get twos and threes or small groups. Read this word. Pray over this in your small group or in your Bible study or your church even. You're going to see individuals—, You're going to see a breakthrough anointing corporately, globally in some cases. But we're going to— [chuckles] Wahoo! Something's starting right now, and we are entering into agreement with the Lord. We're on His word right now and that He's going to move each day; and trust Him and stay at peace the best you can. That's the key, is staying at peace and trusting the Lord.

The Lord has you covered. I love this verse. Psalm 37:19 in The Passion, "Even in the time of disaster, he will watch over them, and they will always have more than ..." [laughs] Wow Wow. "... They will always have more than enough no matter what happens." I just saw an angel come in right now and I had to pause my words because I saw angels being assigned over this verse. Psalm 37:19, The Passion. I'm going to say it again because angels are connected to this thing, this verse, "Even in the times of

disaster, he will watch over them, and they will always have more than enough no matter what happens.”

Whoa! Doesn't necessarily mean money. How about just peace, love, financial blessing, healing. I've been walking through an amazing season of healing and wholeness right now, and I've had to stay at peace to get it. You know, you might have to ask the Lord about this, because what I've been walking through, I'm just saying ... I've been living this word out and you might not understand it fully yet. Trust the Lord to make your paths straight.

So, I've been using Proverbs 3:5–6, Proverbs 3:5–6 during this season, “Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit (or acknowledge) him, and he will make your path straight.” So we're in a season right now where you might not understand it but trust Him to move forward. Take a look at things and step back and you're going to see the peace that surpasses all understanding. Peace will bring change.

The Lord gave me a couple of peace verses here. These were kind of different than I expected. But peace is the key to everything right now. When Jesus encountered the fierce storm, He was in the boat, and He was sleeping during the storm. Hey, [chuckles] that's a good thing, you know, don't get upset. And then they woke him up, the disciples did, and He got up and He took authority over the storm. And He commanded it by saying the words, “Peace be still.” So that was an authoritative peace. And He went back to sleep.

You know, I've been walking through this. I'll sit down, I'll get in a storm, or I'll get in a—, there'll be a battle. The Lord says, “I want you to stay out of battles right now. You're still going to battle, but I'm going to do it for you.” You might have to release the peace. You might have to do a couple of things that I'm doing right now. So as we speak peace over ourselves, our situations, our families, the storms will indeed come into alignment.

Now, we're also going to use the promises from the Bible, you know, even if they haven't manifested yet, that's the key of healing. Even if you haven't fully manifested it yet, peace also will bring unity. And unity is needed because agreement is a powerful thing. So, Ephesians 4:3, "Make every effort to keep the unity of the Spirit through the bond of peace." I saw a group of angels just dancing through [chuckles] just now. Ephesians 4:3, "Make every effort to keep the unity of the Spirit through the bond of peace."

The shaking and trials are going to bring greater glory and peace. Haggai 2:9. I love this verse. Haggai 2:9, "'The glory of the present house will be greater than the glory of the former house,' says the Lord Almighty. 'And in this place I will grant peace.'" Wahoo! Bring the greater glory. Bring the greater peace. Peace that now brings us into alignment with God's timing and promises. Man, I've been walking this whole thing. This is this is a road map to breakthrough ... is part of this is these verses. Are these horses? [laughs] I'm getting yeah, I'm getting a little bit hit in a good way—in the spirit.

So here's peace. It brings us into alignment with God's timing and purposes. This is Psalm 37:34 in The Passion Translation, "So don't be impatient for the Lord to act; keep moving forward steadily in his ways, and he will exalt you at the right time. And when he does, you will possess every promise, including your full inheritance. You'll watch with your eyes and see the wicked lose everything." All right. Well, don't pray for that one. But anyway, that part, you can just turn that over to the Lord. But the rest of this thing is—you will see! In other words, it says, turn around. Don't ask for that part. But the Lord, show me this. I love ... this is another power verse. My goodness, this is a power-packed month. Psalm 37:34 The Passion Translation, "Don't be impatient; keep moving forward steadily and the Lord will indeed exalt you. And then you'll possess the promises." It might take time to unpack them, but you will indeed see it.

My healing has been over time. Sometimes it'll be a burst, but the Lord is moving right now, so it's a time of refreshing.

We're going to shift this right now. This word—the first part was the blessing. Now we're going to move it into the refreshing. And the first part was the power, actually. The second—this part is the refreshing. And then the end of this is going to be the blessing. The first part—power, the second part—refreshing, and the third part that the Lord's doing right now is blessing.

So, here's the shifting into the time of refreshing. We'll find it in Psalm 84:5–6 in The Passion Translation (I've been walking in this. Man, I tell you, this is time to dig deep), “How enriched are those who find their strength in the Lord; (Whoo!) within their hearts are highways of holiness! Even when their paths wind through the dark valley of tears, they dig deep to find pleasant pools where others find pain. He gives them a brook of blessing filled with a rain of the outpouring.” Wahoo! Come on! [laughs] We need this, Lord. We need to dig deep and find those pools of—, we need to walk on the way of holiness right now.

If you're if you're struggling, I just keep telling people, ask forgiveness every day. I don't care ... seven times a day. Just keep asking forgiveness because it's going to keep you connected to the vine. And then when your path winds through those dark valley of tears, dig deep into those pleasant pools and you will indeed find a brook of blessing filled with the rain of an outpouring. Your strength is going to be renewed in the midst of troubles. I'm walking through this myself right now.

God is opening the highway of His power, His presence, and He's getting us out of the valley of the trouble of tears. So right now, dig deep into the brook of blessing, dig deep into the word, dig deep into the Holy Spirit, dig deep into whatever it is that you can find. The Lord right now—, dig deep into this. There was incredible moments with the Lord. It's going to open with you and, you know, personal and with others. I try to do this with

others as much as possible because where two agree together it will be done. Especially a cord of three strands, it's not easily broken.

But start with yourself and move to others. And I really believe this prophetic word is going to be read or ministered over churches and groups, and it will open the rain of the outpouring. It will because it's the word of the Lord, these verses. And so, as you see the Lord move now, step into His peace.

The Lord is opening refreshment and blessing. So we have the power, we have the peace, we have refreshment and blessing.

And this is a time, you know, to worship the Lord with songs, with joy, creative arts, writing, however it is that you can connect with the Lord. It's also an opening. Now we're going to shift here. It's an opening into financial blessing for the greater purposes of the Lord.

Now we're going to shift this. The breakthrough blessings are here, and Deuteronomy 28:12 is a powerful, powerful verse, "The Lord will open the heavens, and the storehouses of his bounty. He's going to send rain on your land in season and bless the work of your hands. And you will lend to many nations and borrow from none." Wow. I tell you, we need that.

Prosperity ... you know, prosperity to me is having the time, the money and the resources to do what God calls you to do when He calls you to do it. And so, you know, some people might not like that word, but the Lord says, I want you ... I want you to raise up this thing right now. I want you to begin to proclaim Deuteronomy 28:12. Deuteronomy 28:8 as well. The Lord says, "I'm going to release financial blessings in unusual, unexpected ways." The heavens are going to open. You're going to receive the plans and strategies to get out of debt, to be a blessing, to be blessed to be a blessing,

or maybe it's just something that you want to give more. Maybe you just want to do something.

The Lord is going to do it. He's going to move, move, move on your heart. You're going to see something happen. And I've got a little bit more on this later, but there's going to be new business and financial strategies. There's going to be an increase of opportunities. But you know what? Use wisdom. Don't fall to any get-rich-quick schemes. If you did, pray; you want to get confirmation of things. If it's too good to be true, it's probably too good to be true, no matter whose big name might be on that. Be careful right now is what I'm just going to say and just stay with the Lord on this.

Deuteronomy 28:8, "The Lord will send the blessing on your barns and everything you put your hands to. The Lord God will bless you in the land he is giving you." Now. That's the one word I have on—, I'll going to tell you later about the word over land. And it doesn't necessarily mean that you have to own land, but there's a significance coming right now.

But as we move forward from this word, the storehouses on Earth (in some cases) have been depleted, you know, governmentally and different areas, but the storehouses in Heaven, they are full. And the Lord is ready to release finances. He's ready to release things to you. We need to develop flows of finances, income for ourselves and for the hurting world, and to prepare us for the new moves of God that are approaching.

Also, we need to develop new business and ministry strategies. We need to raise money, all types of things. God's going to open up some things right now. You're going to see something happening over the next couple of months especially, and some need to just get out of debt. We got out of debt personally and as a ministry, and there's ways to do that. And there's also—, I just want to say this. Here's another part of the word: The Lord wants to repay you double for your trouble. Isaiah 61:7. This is important, "Instead of shame, there will be a double portion, instead of dishonor they shall rejoice

in their lot, therefore in their land.” Doesn’t mean you have to own that land. There’s a just a prophetic understanding of something right now. This is one of those that I don’t understand. “But in their land, they will possess the double portion and they will have everlasting joy.” So, Isaiah 61:7, we take authority right now over the spirit of shame, over spirit of poverty, everything around finances, losing money, you know, feeling like you’re a loser. We just take authority over all of that, and we pray right now that there would be ... remove dishonor and restore the honor, that we would possess the land and we would get a double portion.

And more than anything, I want the double portion of everlasting joy, love, peace, patience, kindness, goodness, faithfulness, gentleness, self-control. Those are the fruit of the Spirit. The Lord is releasing opportunities to receive blessings for your double trouble.

Now, the Lord, [chuckles] I tell you, He gave me this word. I took a trip to Texas. He sent me there to do some—, a couple of things, but one was to get a word and break off some curses against finances over us and a couple other ministries. And I knew that we were standing on behalf of many, many people. But the Lord spoke to me that we need to ask. We need to ask Him for land, buildings, houses, people, finances and other things as needed. Land, buildings, houses, people, finances and other things as needed.

I declare land, houses, buildings, people, finances and other things as needed. In Jesus’ name, we ask, Lord, that You would break off anything and You just—, You take care of what we need to do to get there.

And here’s, you know, the Bible verse that I’ve been decreeing right now in this season. I’ve been aligned with peace through Isaiah 40:31. I like this in the New King James, Isaiah 40:31, “But those who wait on the Lord will renew their strength; they will mount

up on wings like eagles, they will run and not grow weary, they will walk and not be faint.”

Be patient, be at peace, move towards the power of the Lord. Ask Him to speak to you. And we want to declare the blessing over us and that we want to ask for the double portion of repayment for the double trouble—the double anointing. We want to proclaim the things: land, buildings, houses, people, finances and other things as needed.

In Jesus’ name, Lord, release this word over us. I pray that You would release out anything that’s—, like I always pray right now, every time I get a word ... My team, we came into agreement with this, the InLight Connection team, and we just said, “Lord, we repent, renounce and break for anything that we might have in common with the enemy that would stop this. Any generational curses, soul ties, anything we’ve done knowingly, unknowingly, in Jesus’ name.” Now open up Isaiah 40:31, “But they that wait on the Lord will renew their strength, they will mount up on wings like eagles, they will run and not grow weary, they will walk and not faint.” In Jesus’ name.

DougAddison.com is my website. And you know, we’re doing something that—, right now and I’m going to give you more revelation and information on this later on. But you can start right now ... getting your breakthrough. And the Lord told me this is that many of us need to break out, to break through.

And so we’re doing a time right now, in fact, I’ll have more information on it. But you can go to DougAddison.com/Breakout. And there is a time right now ... It’s an opportunity for you to give because you have to give to receive. And, you know, I’ve never really been that focused on offerings except when the Lord speaks it. Have you been around me? When the Lord speaks, there’s a there’s a ministry angel that’s with me, an angel of

finances that's with me. But when the Lord speaks, things break out. And I had been given these strategies.

So if you give, this is what the Lord showed me to do, is that—yes, InLight Connection right now—we need to get out of the previous season. We need your help. And also, we need to release the blessing to break out, to break out of the old and break through to the new.

And so, I had done two webinars that are really powerful that will help you. So actually, the Lord showed me, He says—, I tell you He said, “You can't lose with this offering” that we're doing, because if you give *anything at all* to this: DougAddison.com/Breakout, you'll get my replay of my online webinar that I did. It's a seminar that's really powerful on *How to Get Your Financial Breakthrough*. And this gives you stuff about how to get out of debt and how to align yourself so much. It's not a—, it's aligning yourself with biblical principles.

If you give over \$100, then you get access to that one, *How to Get Your Financial Breakthrough* and the *Financial Breakthrough Bundle*—that's *How to Get Your Financial Breakthrough* and *How to Restore Your Financial Storehouses Masterclass*. And we'll give you a digital copy of my book, *Flip Your Financial Future*. And, you know, once we got this down, InLight Connection, that's where I tell more stories, we got out of debt, \$50,000 as a ministry. We got out of debt personally as well. These are the strategies that happened. DougAddison.com/Breakout. I'm going to be talking more about this, but there's a powerful, powerful time. You can't lose.

If you give anything, you get, you know, the ability to learn about how to change your financial situation, your financial picture. So, Lord, we pray for this.

And also, by the way, my team wanted me to announce this ... to watch for—, we're releasing something new for Christmas, the *Dream Mastery Class*, and it'll be the first

time that I pulled together all my stuff, you know, all my dream interpretation. But you're going to see more on that. And that is DougAddison.com/DreamMastery.

So anyway, it's going to be an amazing time.

The Lord bless you and keep you. The Lord make His face to shine upon you, to give you His peace and rest, power and blessing in Jesus' name!

See you next week.
