

Get Ready to Break Out
Doug Addison [Episode 258]
November 9, 2022

Hey friends! Doug Addison. Welcome to *Spirit Connection* podcast, November 9th, 2022. This is a special podcast from my hotel room. I wanted to get this out to you to help you get a special “break out” and a breakthrough into the new season.

Micah 2:13, “The One who goes before you, opens the way, will go before them; and break through the gate and they will go out. Their King will pass through with the Lord as their head.”

Lord, we pray right now in the name of Yeshua and the name of Jesus.
We pray for the opening of the anointing. We pray that You would open up the things that need to be opened up, break things off in Jesus’ name.
Whoo-oo!

I got this word that it’s time to get your breakthrough. In fact, today is 11/9 and the next two days, 11/11. The Lord showed me that between this time, especially 11/11, you’re going to start seeing some things open up.

Deuteronomy 11:10–12, [chuckles] “For the land that you are about to take possession of is not like the land of Egypt from which you came out of, where you sowed your seed and watered it by foot [Whoo-oo!], like a vegetable garden.” Wow. That’s limited, huh? In verse 11. Now here’s 11:11. Deuteronomy 11:11, “But the land that you are crossing over to take possession of is a land of hills and valleys, that drinks from the rain of heaven, and the land that the Lord God cares for; and his eyes are on it always from the beginning of the year till the end.” Wow. Now that’s a powerful, powerful promise. Deuteronomy 11:10–12.

Lord, we call that in right now. Bring the anointing. We pray that you will bring the breakthrough over the land in the name of Jesus.

I heard the Lord say, “Pray for a blessing of land, buildings, houses, people, finances and other things as needed.” The Lord is going to open the heavens over you.

Now, this is Isaiah 43:19. He’s going to do a new thing. “See (the Lord says), I’m doing a new thing! Do you not perceive it? I’m going to make a way in the wilderness and streams in the wastelands.” And that’s the same with the Deuteronomy 11:11 verse. That’s what that is. The Lord said, “I’m going to open up the heavens over you. I’m going to refresh you. I’m going to bring you up out of the wilderness. I’m going to realign some people and things around you.” So, watch for the plans and the strategies, ideas start to unfold from the Lord.

The Lord is going to do some strange things to bless you. That’s right. Psalm 37:19 The Passion, “Even in a time of disaster, he will watch over them and they will always have more than enough no matter what happens.” So, watch for some strange work or blessings in the midst of things, even though it appears that you might be in a time of trouble, the Lord is going to use it all, and He’s moving right now to bring things into alignment for a blessing that you need. And He’s going to bless you with a “double for your trouble.”

Job 42:10, “And the Lord restored the fortunes of Job after he had prayed for his friends. And the Lord gave Job twice as much as he had before.” So we’re entering into this time of a double blessing for your double trouble.

The time of restoration. The Lord is now ... He’s going to repay you for the years the locust has eaten. The Lord said, “Just call upon Me. I’m going to bring you out of these seasons of the past” in Jesus’ name. Amen.

Well, I tell you, this is an interesting time. We are on the verge of an amazing breakthrough. And the Lord, He wants to break you out of the previous season and then break you into the blessing and the preparation. For us personally, Apostle and Prophet Cindy Jacobs gave me a prophetic word in May of 2022. She said, “Doug, you are a prophet, but you’ve been through double trouble (that’s that Job stuff), and you’ve been through double trouble. The Lord is now going to give you a double repayment for your double trouble and also a double anointing as a healing revivalist.” Wahoo! [chuckles]

Because of that word, I pressed in and began to get inner healing and personal healing. That’s important right now. It’s called activating the word. The Lord is going to position you and bring you into the fire, the anointing, the healing. He’s going to bring you into this time of financial breakthrough as well.

So, you know, I’ve gotten a lot of healing. You know, I got healed of Huntington’s disease. I’m actually in a study over this and that’s huge. Actually both ... I’ve got healed of all the symptoms. But, you know, I’m 63. I feel great. I got healed of Lyme disease, Multiple Chemical Sensitivity, extreme adrenal fatigue, also of stress and anxiety. And my eyesight has gotten better. I no longer were reading glasses. How good is that? The Lord just—, He healed me, and I’ve been healed of tinnitus that I had all my life. My ears rang. Praise God! These things are huge. And I’m a walking testimony of what the Lord wants to do. He’s releasing supernatural healing and power. And thank you, Lord.

And the double blessing! God is releasing a new anointing for healing, healing strategies, hearing the Lord for supernatural breakthrough.

Also, I'm able to travel now. There's a lot of stuff. My health is being restored every day. He's bringing financial blessings as well. In 2022, InLight Connection, we entered our 22nd year of ministry. How good is that? And it's taken us some time to really get some time of healing. We're going through the deeper—, I'm going through a deeper healing right now to get ready for those prophetic words that the Lord has given me. But we now, as we're taking this time, we've had to invest personally in the things. I'm just telling you that the Lord is moving for repayment.

We're also coming to an end to the seven-year assignment. The Lord is bringing us to the end of the assignment that He brought us to Los Angeles, the Hollywood assignment and "The Project," basically. Linda and I have invested over a half a million dollars in our own money with rent. Now we're not living in a mansion, believe me. But the Lord, He wanted us to be in this specific house. We sold our house. Listen, we're in our sixties. We sold our house in Santa Maria and invested it into this over ten years ago. It's also allowed me to shift from traveling, doing live events and doing the training, you know, online training—100% virtual ministry now. And when the pandemic hit, we were able to just move right in and help other people. I'm just sayin'. This is why the Lord is going to bring to us and to you a repayment for all that you've suffered.

The Lord says it's time (for us, anyway) to re-fire and not retire. We're in our sixties, 22nd year of ministry, but Linda and I need to take some time, though, we do need some time off. We need to get some healing. I will still be releasing my stuff, you know, the *Daily Prophetic*. And you know, my team still does stuff for me, but we need a financial boost right now. And if my ministry has helped you in any way, with the Daily Prophetic, anything ... Would you consider sowing into the Break Out Blessing? Now, here's the cool thing about the Break Out Blessing. You can't go wrong. We've set this up so that if you give *anything* to the Break Out Blessing, you actually get one of my

online trainings. If you give *anything*, you get *How to Get Your Financial Breakthrough*. Now, this is good stuff because I have an anointing over this.

Then, if you give \$100 or more to this, you'll get that plus the *How to Get Your Financial Breakthrough*, plus *Restoring Your Financial Storehouses* masterclass, plus a digital copy of my book, *How to Flip Your Financial Future*. Go to DougAddison.com/BreakOut.

You know, this week I believe the Lord is going to do something new and radical for you. Would you consider sowing into this? DougAddison.com/BreakOut.

God bless you. See you next week!
