

Remembering the Goodness of God

Doug Addison [Episode 260]

November 23, 2022

Hey friends, Doug Addison here. *Spirit Connection* podcast. It is Wednesday, November 23rd, 2022. Wow, we are just rolling right along into the holidays. I have a prophetic word of encouragement and direction for this week. And also, it's going to bring a shift in and over your life.

The Lord wants to change and align you for what's just ahead. And this is remembering the goodness of God, also known as the Rock of Remembrance message. Been doin' it for long time.

So, DougAddison.com is my website. Follow me on social media: TheDougAddison on Facebook; Instagram, Twitter and TikTok—DougTAddison; YouTube—Doug Addison. Also follow my *Daily Prophetic Word*, #DailyProphetic. Hey, you can find that around different places or get it delivered to your email box if you go to my website. Or get the [Doug Addison app](#), that's the best way to get everything. It's at the App Store under Doug Addison. It's also under Google Play Store and it will help you because if you want to just stay off the negative stuff of the internet and social media, the Doug Addison app will give you the *Daily Prophetic Word*, videos and some encouragement as well.

Lord, we need encouragement. I ask that we'd be able to dig deep into the roots that go down into the drink that we need from the Lord right now in the name of Jesus, the name of Yeshua of Nazareth. Amen.

Well, you know, it's Thanksgiving in the U.S., and this is a week we're also kicking off the holidays. So, we really need to stay at peace. We're celebrating Thanksgiving. And also, it's the goodness of God that connects. You know, we can connect with family and friends. Linda and I are going to be doing that for the first time ... we're going to go visit some family and some things are going to be moving right along. And how good or how great is the Lord's love for you?

You know, we are in a new season right now. And this prophetic word (by the way, the Lord is outside of time), you can listen to this later on, especially with the internet, and it will apply to whenever you need it. So, we are in a new season right now. A lot is happening and there's some times and seasons are now changing. Daniel 2:21, "He changes the times and the seasons; and he [deposes] kings and raises up others. He also gives wisdom to the wise and knowledge to the discerning." Wow, maybe you ought to get that verse, Daniel 2:21. We're going to ask for that, Lord.

There's a shifting in the times and the seasons. We're entering into a new season and God is preparing you right now for a major healing and refreshment. I've been going through this. I've been going through a major healing and refreshment to get ready. I'm a signs type of prophet. That means that, you know, I live words out.

And so what I'm living out right now, that's how I get these words ... sometimes, anyway. I live them out and then people around me start to see them. I release them through the *Spirit Connection* podcast, my blog, social media, the *Daily Prophetic Word*, etc.

The Lord's going to give you some direction right now. There's instructions, so keep watch, you know, keep a watch out for what He's doing. But the key here is to let go of the past, take a hold of what this new season has. It's going to be a major shifting.

There's going to be new assignments that are going to be released from the Lord. Isaiah 43:19, "See (the Lord says), I am doing a new thing! Now it springs up; do you not perceive it? I'm making a way in the wilderness and streams in the wasteland." Wow, I love Isaiah 43:19. Whenever the Lord speaks this, I'm like, *wow, we need a drink*. We need a drink. Maybe you need a drink of refreshment. The Lord says, "I'm going to be opening up the heavens over you. I'm going to be releasing you from the wilderness. I'm going to bring a time of refreshment." So watch for plans, strategies, ideas, creativity, start to flow from the Lord.

God's raising up a new sound. That's what I heard Him say, that it's a new sound from Heaven that's going to open things up for you. Now, a new sound might be something different for each person, but we are on a verge of a big, big breakthrough. And so let's take a look at 1 Samuel 7:10, 1 Samuel 7:10. Here's where the new sound got Israel going. And it was right around a time, as well, very similar to what we're in right now. It was in 1 Samuel 7:10. I'm going to be going through 7:10–13 or so, I guess. And it was 1200 B.C. The Ark of the Covenant, which was Israel's source of power in the battles, was stolen by the enemy, by the Philistines.

Now here it is, 20 years later. The Philistines are about to attack Israel again. But the prophet Samuel hears the Lord, and He builds an altar. He sacrifices to the Lord, and they go into a time of worship in the midst of their battle. They worship. There's a new sound. They begin to worship in the middle of their battle. They spoke peace to their storm, so to speak, like Jesus did later. And in 1 Samuel 7:10, "While Samuel was sacrificing the burnt offering, the Philistines drew near to engage in battle. And then the Lord thundered with a loud thunder against the Philistines that threw them into such a panic that they were routed before the Israelites."

So, I tell you right now, watch for this new sound. You know, it's worship; with me ... it's been the sound of peace.

He shifted things with me. It's the weirdest thing. It's almost like I've been on a ... I didn't really plan it. I've been on a media fast and I haven't been listening to as much worship. But the Lord, in the midst of this, He's been giving me strategic words, verses and prayers to say, "Peace, be still." And so mine might be different than yours. See, that's radical for me, if you know me, because I've been a—, I'm a worship guy. I'm connected with the worship all the time. But the Lord has sent me into a short season of breaking things open, and He wants me to release this word for you from 1 Samuel 7:12.

Now watch for the sound of Heaven. The Lord thundered, it changed things, and the Israelites defeated the enemy that day. First Samuel 7:12, "Then Samuel took a stone and set it up between Mizpah and Shen. And he named it Ebenezer, saying, 'Thus far the Lord has helped us.'" Now I remember, you know, I heard a message on this years ago, and really ... Ebenezer, I thought that was Scrooge. You know, I thought Ebenezer sounds like [chuckles], you know, a Jewish chair dance or something ... that you're going to raise up, you're going to—, I'm going to raise up my Ebenezer. [chuckles] There is a worship song, but here it is ... 1 Samuel 7:12 he said, "Thus far the Lord is with us." And it was a Rock of Remembrance. And over the years, Linda and I, we planted a church, we did different things like that. There's sometimes we would actually do this during Thanksgiving or the end of the year, and we'd take a rock, and we'd have everyone bring a rock and then we'd place the rock down and say, "Thus far, the Lord is with us," and we'd tell our story.

Well, I tell you, right now, I don't have a rock with me, but the "Rock" Jesus, the true Yeshua, He's the Rock. The stone that was set up by the prophet Samuel was actually commemorating Israel's victory over their biggest enemy. And it was a divine reversal of 20 years of defeat. Someone needs to step up with a virtual amen! We need a divine reversal.

And, you know, for Israel, the Philistines never invaded them again from that day forward, is what I understand, anyway. And now, it was the new beginning. And quite

often in the Bible they set up rocks. They would do that. They'd set up stones or rocks to say what the Lord has done.

And here we are, we're celebrating Thanksgiving. You know, you can look at the negative things. The Lord showed me this, He says, "Don't look at the negative. That's all you'll see." He said, "I'm going to make a way in the wilderness. Remember? I'm going to make a new way for you." And so right now the Lord is moving—for me, I'm going to set up my Ebenezer.

I'm going to set up my rock of remembrance right before you. I want to testify of the goodness ... I mean, I'm talking about the greatness of the Lord. And what He's done for me and Linda. You know, I've gotten through some heavy-duty chronic illnesses. I've almost died a few times, but the Lord has brought me through. If you've been around me now, you know I walked through this season and the people around me now, they're like, *whoa*. Well, I am healed. You know, I've got a lot of energy, I'm vibrant, I've got this new anointing.

The Lord is moving. Here we go ... I was healed, and this was several years ago, but I'm still contending fully for this. I was healed of the symptoms of Huntington's disease that has killed nearly my entire family. Now, truth be told, I was never ... when I—, I'm gene-positive, but I have the same RNA, I've got the same DNA and RNA—the count—as my other family members (42) that killed everybody else. They're all dead. My sister and I, we're the last prophets standing and it's a strong anointing. I got healed. They were all—, they all died. And these are people of faith. My mom, my aunt, my uncle. These are people of faith. They died. My sister's in Heaven. My brother's in Heaven. They died of Huntington's in their 60s. I'm 63 years old right now, and I'm symptom-free.

In fact, UCLA Medical Center said, "Hey, whatever you're doing, keep doing it because it's an anomaly" ... that's medical for "it's a miracle." I'm going to a study at the UCLA Medical Center still, and I'm going to update you because I believe the Lord is going to

do even a greater miracle and change my DNA one day. But for now, I'm still standing. That in itself—, you've got to see how big of a miracle this is!

So, I also was healed of Lyme disease, Multiple Chemical Sensitivity ... I mean, that was so bad. By the way, Multiple—, MCS. And, you know, that whole thing ... it's a lie. It is a lie. They told me, they told me all kinds of things about the mold and all this stuff, that I'd never see my stuff again. It's a lie. In fact, I believe you can get healed of this. I have a —, it's an online workshop. In fact, we'll give you the code at the end to get it for pretty cheap right now because of the holidays. But it's called [Accelerating Your 'Time to Heal'](#). Plus, we've got a couple of the packages, but that's where I—, when I got through chemical sensitivity and it was when I aligned some things in my life, I believe the Lord is going to release people. And I also got healed of extreme adrenal fatigue, stress and anxiety.

Get this ... this is just the last few months—I got healed in my eyesight. I no longer wear reading glasses. Now, years ago I got Lasik surgery, but I had to wear—, I mean, I was wearing 1.75s (reading glasses) and I got healed just recently. And not only that, I got healed of tinnitus in my ears, ringing of the ears all my life, but I got healed in 2022 on Pentecost Sunday at my church ... the church we go to. I tell you, my energy and my strength has returned. I'm able to travel again. I'm the closest with the Lord I've ever been. I'm the most accountable. I'm under HIM, Harvest International Ministries. I'm also part of the Apostolic Prophetic Council—Cindy Jacobs, you know, Papa Ché Ahn. I want to just testify that I'm moving into this time where I've been accountable now because I know the Lord's going to do some stuff that I need, that—, and Linda and I are the closest that we've ever been. I'm just sayin', the goodness of God, I'm here to testify. I'm here to raise up my Ebenezer, my Rock of Remembrance for the Lord. I wish I had one, but “the Rock” is with me, the true Yeshua is with me. I'm going to release this over you.

So actually, the testimony of others is rolling in over us. Everywhere I go now,

I'm starting to travel and get a little bit, but everywhere I go people stand—, people used to line up for me to give them a prophetic word. I tell you, very little of that going on now. Almost all of them say to me—, they line up. In fact, this just happened a few days ago and they say, "We want to thank you, Doug Addison, for getting me through a difficult time." I've had people tell me they got through suicide, they've gotten through sickness and—, or they'll have me pray over them over Multiple Chemical Sensitivity, Lyme disease, you know, and they'll have me do those things.

Something is shifting right now, folks. And this is the time, you know, He's about to do ... He's getting your—, people are getting healed physically, emotionally, relationally, spiritually. The Lord wants to do this in your life.

Now, I'm still contending for things. I don't—, granted, I'm still sending these things up to the Lord, you know, for the full healing. Linda and I, we are contending for it, but I've been going through a deeper healing that's required me to go through some personal inner healing. And that's been part of it, is the alignment of love. Jesus said, "love God with all your soul, all your strength, all your mind, and love your neighbor as yourself." When you align those things—, there's a few others.

But I tell you, I've had to walk through this year—, Linda and I have had to invest a lot of money into our personal healing because I'm coming out of a seven-year assignment here in Los Angeles, and man, it's expensive here. You have no idea. Our rent is over—, we're in a little house. Our rent is over \$5,000 a month. We pay \$6 for gas. We don't live in a mansion. But the Lord called us here seven years ago. In fact, nothing would flow financially. Nothing would open up for us until we moved to this strategic house, because I didn't—, I don't know if I didn't have faith for it. I just wanted to be, you know, I didn't want to live in a house that's over \$5,000. And it's just a bungalow built, you know, a 1500-square-foot bungalow built the forties. But the Lord positioned us here.

We've influenced Hollywood. We've had some—, we've seen some fruit going on right now. And Linda and I—, I just want to testify in the midst of this, we sold our house in our late fifties. We sold our house about ten years ago in Santa Maria. That's where our office still is, and we're still based there in the office. But we sold our house to come here. And now in our sixties, we sold our house ... \$30,000. We sowed it all back in the Kingdom again. That was the second one we've done. And then we have—, right now, we have spent—of our money, in our sixties—when we should be getting ready for retirement. Now we do have some, but we have not been able to do what the—, you know, we've only been able to do with what the Lord has done, not necessarily what people would have done.

We've sown, we've sown and we've shown a half a million dollars of our own money in rent. Now people say, "you're crazy," but have you seen the fruit of my ministry ... of InLight Connection? Have you seen the fruit of what's coming out of this? We're seeing an amazing movement. In fact, my healings coming here, the understanding of things, you know, releasing out the prophetic words and being able to prophesy in strategic places have happened because we stepped up and I thank the Lord today.

This is a day I'm raising up my Rock of Remembrance right now to say, "Thank you, Lord," because, you know, once we moved here, everything started to flow. Suddenly, we increased four times on the internet once we moved here ... once we aligned with this season. It wasn't so much moving here, it was aligning with the Lord. We've had a greater impact. And then when the pandemic came because, you know, we went almost 100% online, when I started doing my training schools online. When the pandemic hit, we were already positioned, and we started training others on this process on how to do that. So now the Lord says this to us: "It's time to refire and not retire."

Linda, my wonderful wife of 27 years. In fact, it's our 27th anniversary next week. She turned—, and she just turned 64. Now she doesn't look 64. I'm 63, so ... and we're in

our 22nd year of ministry. We started InLight Connection actually 22 years ago, 21, but we're now on our 22nd.

So in 2022, we're moving into 22. We believe that there is a greater vision ahead. So, you know, the Lord told us, He said, "You guys—." We've impacted a lot of people. That's why people everywhere I go, they're lining up to say, "Thank you, Doug and Linda Addison, for everything. Thank you InLight Connection for the *Daily Prophetic* for your monthly words. We just want to thank you for all that you've done." And that we've done our best to make things affordable. We really have. We—, you know, anyway, I always say I'm the "working-man's prophet," you know? And you can use my prophetic words. It would change your life. People were lining up to say thank you because I got through a rough time. I'm walking through a time of healing. I release the *Daily Prophetic Words* that help people all over the world, been going on for a while now. My InLight Connection team, the amazing team.

But right now, we need some help. In fact, this week, I wonder if you would really consider this. We need a boost to get out of the old season. The Lord spoke to me, and I wanna—, I've been talking about this every week. We also have another thing, by the way. Keep listening because I'm going to show you—, I'm gonna talk about the 70% off sale right now for Thanksgiving. So, hold on because you'll want to do that. But the Lord told me—, I've been, you know, saying this every week. Hold on, hold on. That we need a boost right now to get out of the old season and take some time and get in the new. We need some time off. And so, the Lord told me, He said ... is to make an offer for people that you can't go wrong. This is a ... this is a "I can't go wrong" offer. Say that. "I can't go wrong in this offer." And this is, it's called the [Break Out Blessing](#). So if you give to us, we're you know, we are a 501(c)(3). You give any amount, anything, anything at all, you will get my financial breakthrough package. Now you have to go to [DougAddison.com/BreakOut](#). But if you give anything at all, you'll get ... the first thing is *How to Get Your Financial Breakthrough*. Now see, the Lord gave me an anointing to be able to break off things. We got out of debt a long time ago as a minister and personally,

and He wants to now release this over you. So, if you give anything, you get *How*—, plus you get the blessing of, you know, helping us move if we, you know, helping us move into the new season, to take some time off, get re-fired instead of retired.

You know what I'm saying? So, if you give anything, you get the financial breakthrough package. If you give \$100 or more, you get that and the—, it's a package together, is four hours of training on *How to [Restore] Your Financial Storehouses* (it's a masterclass) and a digital copy of my book, *Flip Your Financial [Future]*.

We need some help right now. If we've blessed you in any way, shape or form, pray about this, too. But you can't go wrong. Go to DougAddison.com/BreakOut and take a look at the offering.

And now we do have the Thanksgiving sale! Drum roll, please. All during November 23rd through the 28th. (Now, this does not apply to the *Break Out Offering*, by the way, because that's an offering.) But this is all my digital products. You know, how to get out of debt ... there's just so much. It's 70% off. Go to DougAddison.com/Thanksgiving.

Then, we're doing the [Break Out Blessing](#). And also take a look at the [Dream Mastery Course](#). My team and, you know, Dr. Krista Abbott and others on the team put together these amazing things for the holidays. It's to fast-track you in understanding your dreams. So go to DougAddison.com/DreamMastery.

But you know what? I am so excited for what the Lord is doing and I'm lifting up my Rock of Remembrance because the Lord is good all the time!

Alright, God bless you. See you next week.
