

Prophetic Word: 2023 Hidden Treasures Revealed

Doug Addison [Episode 266]

January 4, 2023

Happy New Year! *Spirit Connection* podcast, January 4th, 2023. Doug Addison here and I hope you had a great Christmas and New Year. I know we did, and I have my latest prophetic word for the year of 2023. Hope I don't say 2022 because boy, is that ever ... I'm sure a lot of you are like us—glad to see it's gone. But the Lord has a powerful move coming to you and basically it could be summed up in this, is ... there's hidden treasures going to be revealed. But stay tuned to the end of the broadcast because I'm going to do a powerful prayer.

But DougAddison.com is my website. Social Media: Facebook is TheDougAddison; Instagram, Twitter and TikTok—DougTAddison and YouTube is Doug Addison. Just follow me on my website as well. And also, you can [get the Doug Addison app](#). Go to the Apple App Store or Google Play Store, but just look for the Doug Addison app. That'll be really, really easy for you to keep up on things and stay out of the junk of social media if that's what you want to do. We can—, just go ahead and shift, try to shift everything as best we can. But you can follow me with my *Daily Prophetic Words*. You can go to my website, DougAddison.com and [have it delivered to your email](#) address or just follow me. Most people know me for the *Daily Prophetic*.

But Lord, we pray right now. Open up the heavens. We pray for a virtual anointing and we know that You are outside of time. In fact, You created time. So anyone listening to this later, even though this is a prophetic word

for the year of 2023, it applies to whenever [someone] is listening or whatever is needed. We pray, Lord, that You would put up a hedge of protection around us as we're moving into this new season. We pray for the breakthrough that we all need, in the name of Jesus. Amen.

Yeah, to sum it up, Isaiah 45:3. The Lord is releasing new hidden treasures and blessings. I tell you, I could probably do the whole word and podcast on Isaiah 45:3, but there's other things. I'm just going to do a small amount and then I'll fill it in later with subsequent podcasts I usually do throughout the month.

But Isaiah 45:3, the Lord says, "I will give you hidden treasures, riches stored in secret places, so that you may know that I am the Lord, the God of Israel, who summons you by name." How good is that? We could camp on this forever. The Lord is going to open up the secret treasures to you. Now, this is not just financial, although it is. There's also things that He's going to do. He's going to bring confirmations, deeper understanding. You know, this whole thing about He says, "I'm going to summons you by name," He's going to speak your name in ways. He's going to give you confirmations so that you know that He's the Lord. There's deeper understanding coming.

Watch for this year ... the Lord is going to renew your strength, greater levels of peace, greater levels of discernment, the ability to discern the voice of the Lord is going to open up for you. Now, you might have to contend for it. This is not a blanket word. You have to contend, of course, but it is available. You'll notice it if you stay tuned to my podcast each week, I'll help you—guide you through some of the things that I'm seeing, still.

But the Spirit of Lord is moving in a deeper way. There's going to be a greater understanding into the Bible, into the Word of God. There's going to be a greater understanding into the prophetic words as well, not only the ones that He's speaking to you, but also around—, He's going to give you the ability to discern what's for now, what's for later, and what to lay down. That's a good one. Boy, I just say, "Lord, do that!"

Some people get overwhelmed by the prophetic and then they throw out the baby with the bathwater. We need to hear the voice of God. So, you know, you're going to get an upgrade in your ability to discern the voice of the Lord accurately. And there's going to be some promotions. New gifts are coming, new spiritual gifts and angels as well. It's going to be a powerful—, I'm already starting to get this already. That's how I get these words. I live these things out.

But first of all, renew your strength. Isaiah 40:31, "But those who wait on the Lord shall renew their strength; they shall mount up on wings like eagles, they'll run and not grow weary, they'll walk and not faint." We could do another whole episode on that one, there. Isaiah 40:31. One of the biggest things, if you just kind of list those things out, one of the biggest things we need right now is out of Isaiah 40:31—is the ability to wait on the Lord, to renew your strength, to get into His timing for this year (as well as any time), to mount up on wings like eagles. Now, He's going to show you when and how to rise above. That's what that is, to rise above, to mount above wings like eagles, when to sit. It says "to sit" in there, you know, those who wait, you'll sit down. There'll be times to wait, there'll be times to walk and times to run. He's going to show you how to sit in His peace, how to walk and how to run and not grow weary. And also, the greater levels of power. I have been camped out with Isaiah 40:31 because there's so much to it. I'll just wait on the Lord. I'll renew my strength. I just release that over you right now, the Lord's power.

Lord, release it over us. Release this peace, release the Word of the Lord over us.

Also, this year is available to you—greater guidance. That's all I can say. I kept trying to get the words. The Lord says (well, I changed the title a couple times in this section), "Greater guidance." In John 10:4 and also Luke 24:45. John 10:4 (the Lord says), "When he brought ..." [chuckles] Whooo, there was something shifting over this right now. I watched this happen. Whooo. "... When he brought out his own, he goes ahead

of them, and his sheep will know his voice.” I just had to wait a couple of times because there was a presence. As He was going, I saw doors opening as the Lord, He says, “As he brought out his own, he goes ahead of them and his sheep will know his voice.” So He’s going to go ahead of you. Doors are going to open. You’re going to know His voice in a greater way. The Lord is going to make clear this year. He’s going to make clear this year, in many ways. The confusion is going to lift. Ask Him if that’s still there.

We just ask, Lord, to lift the confusion.

He’s going to replace this with the ability to hear His voice, to get confirmations. That’s what you need. You need guidance, you need confirmation. And we need to also ... help us to regain our strength, our hope and our trust.

That’s what we’re going to do right away, is step in right now and ask Him to regain your strength, your hope and your trust in Him. Then in Luke 24:45, “And he opened up their understanding that they might comprehend the Scriptures.” He opened up their understanding that they might comprehend the Scriptures. How good is that? The Lord did that, Jesus did that. And so, watch for the Lord to give you a new ability to discern His voice. The difference between yourself, the enemy and the Lord. This is here. You can know the difference. And the key to this is to spend time in the word, reading the Bible and praying with others. See, that’s a key. Also, praying yourself, but a key this year is getting together in agreement.

Then in John 10:5, “But they will never follow a stranger; in fact, they will run away from him because they don’t recognize a stranger’s voice.” See, this is all tied in with the ability to discern the difference between yourself, the Lord and the enemy. Because you spend this time with Him, you start getting ... you’re going to get into this anointing in here. And then in John 10:5, you’ll know the difference. And also, as you agree with others in prayer, the Lord’s going to use this to strengthen your ability to discern. We need each other, don’t become an isolated island. We’ve got to get a three-cord prayer

or just get agreement with others right now, in this season that we're stepping into. Especially as we're breaking through the New Year to something new.

Another thing the Lord is doing is a new understanding into truth. And John 16:13 (one of my favorite verses is about the Spirit of truth), "But when he comes, the Spirit of truth, he will guide you in all truth. He will not speak on his own; but he will speak only what he hears, and he will tell you what is yet to come." You know, in some cases, the Spirit of truth has been misused. But right now the Lord is saying, "I'm going to bring a new ability to use the Spirit of truth to discern the voice of the Lord." As in John 16:13, Jesus says the Spirit of truth will help guide you and to discern what's now.

So, Lord, we ask that You would release that over us as well. We pray that You would release the Spirit of truth that would guide us, that we would know the difference.

Here's another word I'm hearing, "Keep moving forward." Don't stop now. Don't be discouraged. Keep moving forward. Philippians 3:13–14, "But one thing I do (Paul says): Forgetting what's behind and straining forward to what's ahead, I press on towards the goal to win the prize for which God has called me heavenwardly in Christ Jesus." Forget what is—, especially as we're moving. Hey, let's forget about it. You know what I'm sayin'? Let's forget about 2020. Keep moving forward into what the Lord is doing right now. Into this heaven-lerly, heaven-ler [laughs], uh ... heavenwardly. Might even be a word. I think I added "ly." Heavenward in Christ Jesus. I'm just sayin', the Lord's going to use this very similar to the rising up on wings like eagles. You're just going to break through to something new. You know, some people might actually think that the world is about to end, you know, been hopeless. But I tell you, it's not true. The Lord has some things for us to do right now. We need to break through the uncertainty, the clouds of obscurity. We need to break through that into the new levels of peace that's coming this year.

And in the midst of the storms, the Lord is encouraging you to keep moving forward because there is a great reward and breakthrough available to you. There is a great reward and breakthrough available to you. And I say it's available. You need to step up and, you know, get out, you know, do some of the things I have in here. The Lord showed me.

And humility is actually required. In 1 Peter 5:6, "Humble yourselves, therefore, under God's mighty hand, and he will lift you up in due time." I think it's due time, but you do need to stay humble. And as you humble yourself, the Lord's going to lift you up. He's going to open up opportunities for you and the Lord is going to bring new power, new authority and new levels of peace, power, authority and levels of peace.

Psalm 37:11 in The Passion Translation, "But those with a humble heart will inherit every promise and they will have abundant peace." Hey, someone needs to put that on the fridge. It's Psalm 37:11 The Passion Translation, "But the humble of heart will inherit every promise and have abundant peace." How good is that? Come on! It brings a whole new level to what God is doing this year.

So, watch for the Lord to give you an unlimited amount of peace, healing and abundant blessings and just stay humble, repent as you need to. You know, don't be overly humble, you know. In other words, don't go, you know, don't really pull back too far. There is a balance in this.

So, here's another one. Hope and double repayment is here. Zechariah 9:12, "Return to your fortresses, O prisoners of hope; even now I announce that I will restore twice as much to you." Another refrigerator "magnet" or you know, this is [chuckles] ... wow! Is that—? This is a refrigerator promise. You know, to stick on your fridge or your Bible or whatever. Zechariah 9:12, "Return to your fortresses, O prisoners of hope; even now I announce I will restore twice as much to you." The Lord is giving you the opportunity to

receive a double repayment for your double trouble. There is a release of financial strategies coming.

There's a release of healing. It's not just money, there's blessings, there's different things. And especially, the Zechariah 9:12 is to get out of the fortress, get out of the prison that you might be in of hopelessness. The Lord's announcing this. Get out of there, come on out. And as you do that, as you begin to pray with others, as you begin to break, get the breakthrough that's here. He's going to do this restoration of finances as well. And He's going to give you the double anointing. It's not just finances. It's a double anointing for your double trouble.

There's new angels here. Whoa, I love this because these angels, they've been showing—, in fact, they're here right now. Psalm 91:11, "For he will command his angels concerning you to guard you in your ways." You know, the Lord sends His ministering angels. The Lord is releasing new angels over you, even as we speak. And you know, most of them are to help you to break through to the new season.

But some of them will have specific tasks. You know, maybe there might be writing angels to help you write books. There might be different things that you need to do. Maybe there's angels to help you. You know, Holy Spirit, the Lord's with you, but there's angels that come to help boost you. It's even scriptural. You'll see them in the Bible, by the way. So don't be afraid of this. John 14:16, "I pray that the Father will give you another helper that may abide with you forever." So the Helper is here, that's the Holy Spirit ... and the angels. So, you want to have the Holy Spirit guide you and the angels are here.

So, God is going to send you the help in forms of supernatural and natural from people, you know? So reach out to others in agreement. Reach out and ask for what you need and you're going to see some amazing breakthroughs.

Speaking of amazing, the amazing peace is here. John 14:27, “Peace I leave you,” says the Lord—this is Jesus. He says, “Peace I leave with you; but my peace I give you. I do not give it as the world gives. Do not let your hearts be troubled and do not be afraid.” There’s another one! [chuckles] That’s another one to stick on the fridge or your Bible. John 14:27, “Peace I leave you; my peace I give you is not like the peace the world gives. Do not let your hearts be troubled. Do not be afraid.”

Peace is the key to everything right now. And the Lord is going to grant you a supernatural level of peace that surpasses all understanding. He wants to get you out of this place of discouragement and to speak to your storm. “Peace, be still” in Jesus’ name.

There’s also financial strategies from Heaven. You know, I love this. I see it happen quite often. This is a strong one. I feel this. This year is—, a lot of times this time of year I feel these words, but this particular one—financial strategies. Deuteronomy 28:12, “The Lord will open up His good treasure, the heavens, to give you rain on your land in season, and to bless the work of your hand. You will lend to many nations, and you shall borrow from none.” Deuteronomy 28:12. He’s going to give you the treasures. In other words, He’s going to give you the timing. He’s going to give you the provision for this.

But watch for the Lord to bless you in unusual ways. That’s what I heard as well. He’s going to bless you in unusual ways. And Isaiah 5:19 in The Passion, “Let the prophetic plan of the Holy One of Israel come to pass so that you may see it!” That’s my prayer right now. “Let the prophetic plan of the Holy One of Israel come to pass that we may see it!”

So, God is going to release blessings over us. He’s going to release blessings over you. And we can ask the Lord to bring the breakthrough plan, the breakthrough strategies. But remember, watch for this. It might come in unusual ways. The Lord is going to bless you in some unusual works. I don’t think it’s ... it has to be a tragic way, it could be

something very, very powerful. In fact, I saw the Lord doing some things. Isaiah 28:21 (to bring it scripturally is ... the Lord is going to rise up), "The Lord is going to rise up ... he's going to do his work, his strange work, and he's going to perform his task, his strange and alien task." In other words, it's going to be a Proverbs 3:5 time, "Trust in the Lord with all your heart and lean not on your own understanding; in all your ways acknowledge him and he will indeed make your paths straight."

I want to encourage you to be hopeful, to be ready for the changes. All right!

In Jesus' name, Lord, we pray for this word. We pray that You would do it. You know, there's no one that can do this except You. And we pray for the outpouring of the Holy Spirit and angels. We pray, Lord, for Isaiah 45:3. We pray for the hidden treasures. (That doesn't necessarily mean that it's going to be financial because it might be the plan, the hidden treasures is peace. You know, the peace that surpasses all understanding. Salvations are here. Riches stored in secret places are here.) That You're going to confirm some things for us. You're going to renew our strength. Lord, I pray that we would rise up on the wings like eagles to rise above our situation. But we would also wait on You and renew our strengths. I pray, Lord, for the greater guidance of the Holy Spirit and the ability to discern the difference between our voice, the enemy's voice and Yours. I pray right now for the new understanding of the truth. The Spirit of truth will guide you. I pray right now that as we keep moving forward, You're going to open doors. I saw doors opening and that we would know the voice of the Lord in the greater way. And Lord, I pray that You would release the spirit of humility over us, hope and double repayment to get us out of this discouraging time. New helper angels are here, and I pray for the amazing peace that surpasses all understanding in the name of Jesus. Amen.
