

Ireland's Destiny Hub — Going Mobile in 2023

We have an urgent need for a Ministry Van.

As many of you know, we do not have our own Ministry Premises, and so we have to transport monthly, all our Music and Ministry Equipment in a small van to the place where we gather together.

While this has certainly worked for the last 8 months, as the distance we need to travel is not too far, it has certainly not been without its challenges.

However, to “TAKE TO HUB MOBILE”, it means that travelling far distances with the van we currently have, is not going to be suitable for a number of reasons.

Therefore, we would like, possible, to raise enough funds to buy a Van which is both big enough to transport all our Music and Ministry Equipment, but also a Van which is fairly new, in order to avoid the high costs of maintenance, tax and insurance.

We want to try, by all means, to minimise the running costs of the Van, so that we can utilise the money we have received, for the furtherance of The Gospel.

Please, prayerfully consider Partnering with us, as we look to buy a new Ministry Van.

Friends, I ask that you prayerfully consider partnering with us in this vision, by sowing a seed into this new and exciting endeavour.

Any amount towards a Ministry Van will be so gladly received and appreciated.

Going forward, I will be keeping you all up to speed on how the plans and preparations of buying the Ministry Van is going, and once we have raised enough money to buy a Van that can meet all the requirements we have for space and travel, I will share any updates through pictures etc, and you can enjoy the journey of the Prophetic Hub going Mobile with us!

The Van we have seen, and by Faith have already put down a small deposit, will cost; £15,000! (USD \$18,500)
