

Prophetic Word: Love Never Fails

Doug Addison [Episode 270]

February 1, 2023

Hey friends, Doug Addison here. Welcome to *Spirit Connection* podcast. It's February 1st, 2023. I've got a prophetic word for the month of February and beyond. It's going to encourage you. It's going to bring a strategic alignment, I guess. It's called "Love Never Fails."

And so, you can check out my website, DougAddison.com. Follow me on social media: Facebook—TheDougAddison; Twitter, Instagram and oh yeah, TikTok is DougTAddison and YouTube is Doug Addison. But be sure to follow the *Daily Prophetic Word*. You get it delivered to your email box. Just go to my website DougAddison.com. You can click on the [Daily Prophetic](#). It's on—, if you have an iPhone, it's on the Apple App Store and on Google, it's in Google Play. You'll find it there—just Doug Addison. Catch that and check that stuff out.

And you know, I'm about to release this prophetic word, but it's outside of time because the true Lord invented time. He created it and He's going to—, He's going to do something here no matter when you listen to this. So don't worry about it if you watch this later, because the Lord knows that about the internet.

So, Lord, we just come into agreement. We ask that You would give us the “break out” strategy that we would be able to break through to the new. We also need to break some gridlock and some strongholds.

You showed me this ... is that what we do here at InLight, me personally, as well as people listening. So, we’re going to coming to agreement. And by the way, in the name of Jesus. I hope I remember, but I’m going to take communion, get communion ready.

The Lord is going to move powerfully. The Lord is making a new way for us. Isaiah 43:18–19 seems to be a big thrust for the word for this month. Isaiah 43:18–19, “Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it? I’m making a way in the wilderness and streams in the wasteland.” Oh, how good is that? [chuckles] The Lord is bringing us out of wilderness times, dry times. He’s bringing us into a new understanding because it says in here—take a look—“Did you not perceive it?” He’s bringing new understanding so that we can perceive what He’s doing. You know, there’s a few keys in this, in Isaiah. I love this. Man, put this on your refrigerator—Isaiah 43:18–19.

A few keys. Do not dwell on the past. So, you want to just move forward. The Lord is creating new ways to do things that will break you out of the patterns and the attacks that’s been holding us back. And also, it’s going to break you through to the new. There will also be a new flow of the Holy Spirit. That’s the refreshment in it—the streams in the wasteland. Watch for the Lord to do this.

Now, you might need to just do some things, you know, for the joy—having fun, laughing, dancing. You know, these are keys to be free. Also, the word of the Lord this month is Proverbs 3:5–6, Proverbs 3:5–6 (I’ve been hearing this a lot ... is to lean not on your own understanding), “Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths

straight.” And the Lord is moving right now in this area. I’ve been seeing this verse because there’s been days ... there’s been times with me, I said, “Oh, Lord, I don’t understand.” Then I hear Proverbs 3. He goes, “I’m walking you through some time right now where you might not understand it.” But you want to trust the Lord, that’s what it says. Trust the Lord with all your heart. Lean not on your understanding. Just submit to Him today. That’s all you’ve gotta do. That’s all you have to do is get through today, and He’s going to make your paths straight.

So, the Lord is going to move in new ways that might be outside of your comfort zone, outside of the box of what you might be ready [for]. The Lord says, “Get ready to be stretched.” Get ready right now for the Lord to make—, He’s going to make some things ... well, let’s just put it this way: get ready for the Lord to move outside of your own understanding. And I’m going to repeat some of these themes. You’re going to hear me repeat them because it’s going to open up something over us.

There is a key right now. Trust the Lord with all your heart. The Lord is also increasing our faith and our hope. Hebrews 11:1, “Now faith is confidence in what we hope for and the assurance of what we don’t see.” Hebrews 11:1, “Faith is the confidence in what we hope for, but the assurance of what we don’t see.” So, watch for the Lord to move with powerful confirmations, answers to prayer.

He’s also going to increase your ability to hear His voice, to perceive and understand. That’s a big one right now, and people might need things in different places. But again, you know, be sure to stand and watch the Lord ... and watch for the Lord to do things. Trust in the Lord with all your heart. He’s going to increase your faith, starting this month. He’s been doing it for a while, but we’re going to see it increase this month.

Also, the Lord is going to complete the good work that He started in you and the Lord said, “I’m going to do a completion of that good work” that He started. There was things that He actually did is found in Philippians 1:6, “Being confident of this ...” [Whoo]

There's just something moved in your confidence. The Lord just did a move to bring the power of the Lord in your confidence. Some people have had doubts. But anyway, "Being confident of this, that the Lord ... that he will begin the work (that he began in you), he will carry it to completion until the day of Christ Jesus." "Be confident of this, that he who began the good work in you will carry it out to completion until the day of Christ Jesus." So, the Lord says, "You know, I'm going to bring teams of angels around, I'm going to bring people around, I'm going to bring provision." There's going to be some things. I saw these teams of completion angels, new power, new anointing, new giftings. The Lord is going to bring you help to get a breakthrough in whatever it is that you need. And we need to break out of the old season and break through to the new. Break out of the old season and break through to the new.

And the Lord is moving right now with great power to help us get out of there, to get out of this season here. That's why it was "trust in the Lord with all your heart." That's why He said, "I'm going to do something new to get you out of the wilderness. I'm going to bring streams in the wastelands," says the Lord.

And now, let me just say what happened to me ... how I got this, is my good friend, Prophet Bobby Conner. I was at a meeting. Bobby saw me. He saw me and he says he saw written on my chest, he saw the Philippians 1:6. That's this verse. And he began to prophesy. He placed his hand—, actually, I think we even posted a picture on social media about this because there's a powerful thing that happened right in November of 2022.

You know, I had been really crying out to the Lord. Bobby saw Philippians 1:6. He goes, "The Lord's going to complete the good work that He started in you." And then I went on to begin to pray and fast and that—, we're getting the breakthroughs now. But, you know, there's people right now, many of you need to get this. We need to get plans and strategies from the Lord.

And so, I want to release this. I'm releasing this word and I'm asking the Lord to do it. I'm asking the Lord. I mean, my goodness, we need to rely on Him. We don't need to rely on people, you know, or processes. We're going to rely on the Lord and He's going to bring you something new right now. I saw groups of warring angels that are here right now to help us and, you know, some of them, in which I got a first wave of warring angels, were the stand-in-the-storm angels. And you know those are good. I love them, they're still here with me. And I saw the new group, the stand-in-the-storm angels were here. When you've done all else, when "all else," he says "stand." That's where we're at right now.

Then I saw a second group just recently, a group of warring angels come through, and they're actually assigned to help complete and finish the work that He started in you, Philippians 1:6. So, there's the completion and finishing team, and they're also double-teaming right now. The angels are. Wow. They're double-teaming right now with other angels and the anointing and the Lord. They're double-teaming, they're doing things to get the breakthrough. There's breakthrough angels here to help us out of the old season and into the new.

Well, here's another one that I felt really powerful is Hebrews 13:5–6. Hebrews 13:5–6, "And God said, 'I will never leave you; or forsake you.'" In verse 6, "And we have this confidence, 'The Lord is my helper; I will not be afraid. What can mere mortals (or man) do to me?'"

Well, the Lord is moving right now. I'm going to read that again here in a minute, because He's going to release this, the power that got me through some of the roughest times that I've ever—, it's always been this. You know, many of us, me included, have not understood the season that we're coming out of. And at times, I felt like the Lord had abandoned me. But then I'd hold on to these promises, like these in the Bible.

That's why you want to do this. You hold on to the prayers with people around you. Get the support that you need. Hold on to this. Hebrews 13:5–6, "God said, 'I will never leave you; or forsake you.' So that we can have this confidence, 'The Lord is my helper, I will not be afraid. What can mortals do to me?'" The Lord is breaking off fear. That's what's in here. He's breaking off fear. He's bringing new confidence. He's bringing in an anointing and He's bringing help, helper angels in many different ways. Come on! I don't know about you, but I'm ready for this.

And here's another one. Clarity and the missing pieces are here. Clarity and the missing pieces. Things are going to become more clear. Watch for the missing pieces to come into place. First Corinthians 13:9, "For we know in part, we prophesy in part, ..." in verse 10, "... but when completion comes, what is in part disappears." "We know in part, we prophesy in part, but when completion comes, what is in part disappears." This is [chuckles] wow, this has been a time in which, you know, it's not been clear at all for me. But, you know, I just hold on. I release *Spirit Connection*. Yeah, I do what I do. I hear the Lord and release it, encourage people. But, you know, I've been walking through this. The Lord is moving right now outside of our understanding.

He's now doing something new. And even though we may not get the full picture—listen—even though that you don't get the full picture or understanding, the Lord is going to help you with the missing pieces right now. Then 1 Corinthians 13:13. Man, one of my favorite verses. [laughs] This is so powerful. I'm seeing an impartation of the Lord right now and angels all around, 'cause this is one of the biggest ones for this month. First Corinthians 13:13 says, "And now these three things remain: faith, hope and love. But the greatest of these is love." The Lord is going to move and increase our faith, our hope and our love. So, watch for an infusion right now of the Lord. New angels, new anointing and things are going to become clear.

The Lord is breaking off hopelessness. It's going to dissipate. And as we cry out to the Lord, He's going to increase our faith, our hope. And the greatest of these is love. So,

let's agree together, would you? Right now, I'm going to do a special prayer. Plus, I got communion that I'm going to remember this week. I have it every week. I get caught up in the spiritual realm here, in the spirit. The good Spirit of the Lord is here.

And we ask now, Lord, that You break us out of gridlock. Yeah, break us out of gridlock. Break us out of gridlock. We pray that the Lord would reveal and heal the strongholds that are holding us back and it's time to break out of the old season and break through to the new.

So, let's agree together for our plan, for your plan, my plan. I went into fasting. I think it was ten days, but I think my wife told me it was more like 11 or 13 days. I just went into a time of prayer and fasting. And this was after (I don't remember when), just last couple of weeks ago. I just went into a time of prayer and fasting—came out of it with a plan and praise God for that. I just release out to you anything that would help you. In fact, we've got some resources that might help you. But right now, I tell you, the best thing that's going to help you, the best resource you have is the body and the blood of Jesus, is the Word of the Lord, is the fellowship of the saints around you, you know?

And so, right now we want to break out of the old and into the new. We take the body of the true Lord Jesus. And the blood of the true Lamb. (We just declare, I tell you, communion has been one of the keys, as well, that's helped me to get through. Also, you guys, you all every week, man, I rely on the prayers of our team and our Partners.) And so, Lord, we ask that You would open up the heavens right now and the true things of the Lord would now be released in the name of the true Yeshua of Nazareth, the true Jesus Christ. Amen.

Well, I tell you, we've got some ... I said we got some things that'll help you out right now. One, go to my website, DougAddison.com. You can, actually, if you need a community to be part of, you can become a Partner and donate any amount every

month. You become a Partner and, you know, we have a Partner meeting we have every month that we prophesy over people. But also, we need a breakthrough. If you need a breakthrough financially, that's the thing right now, people—, we do. So, that's why we're sowing into you! We want to sow into people. Right now, we're doing the [Kingdom Financial Solutions 2023](#). So, if you need a financial breakthrough in your life, I'm doing a *Financial Solutions*, 49 days, that's seven weeks. 49 days to get a breakthrough with your finances. And then it's a unique system, a very unique system that we use because it's all through the internet, but partly is live, and part of it is personal, and other parts is delivered to you. So, each week you'll get a breakthrough session that's prerecorded with me. But it's also got some questions and it's got a manual that—, it'll help you. You can print it out. Then, you can go on every week or even every day if you want. You can go on the website that we have and interact with our coaches.

We have live coaches that have been trained by me. They're really good. And also, you can go on the website and interact and pray with others. And then it's a seven-week video training plus five mentoring calls. Two of those calls are with me—those are Zoom calls. Two are with me, live, and three are with the InLight Team.

So, there's stuff going on. It's not just, this is not just—, this is personal mentoring and group coaching to help you get a breakthrough to something new. So, we've updated it. If you've taken this before, we want to give you a chance to actually take it again because we've updated it. We're going to give you a discount for that as well. Go to [DougAddison.com/Solutions](#).

Now, honestly, with all of the seven weeks plus part live, and I'm telling you, it's worth about ... at least \$497. But we're actually doing it for \$197 or two payments of \$99 [DougAddison.com/Solutions](#) as well.

The Break Out Blessing. I tell you, don't let this become wallpaper. I've been talking about it because the Lord said that we, InLight Connection, Doug and Linda Addison, we need to break out of the old and break through to the new. And we're completing a seven-year assignment here in Los Angeles. And you can go to this ... I have a special video. Now, if you've already done this, there's another place, you just go there on that website, on my website and just donate again. And sow into this. So, it's DougAddison.com/BreakOut. If you donate anything, you'll get a free financial webinar of mine, an online. Now, it's not to compete, it's actually to fire you up to take the 49 days. If you donate \$100 or more, you'll get my *Financial Breakthrough Bundle*. Now, this will help get you going. It's a masterclass online.

You can do that, or you can just break it off right now, break off stuff and help sow into us. If we've helped you in any way, just go to DougAddison.com/BreakOut. Now, this is different than the other one, but I still—, I heard the Lord to do this, that anyone will give into this—, and you can give more than once. We have a button that you can give again says you're not signing up for the breakthrough class again. But, DougAddison.com/BreakOut to help us. And there's a video there that talks about the seven-year assignment we've had here in Los Angeles.

So, I'm excited. Oh, my goodness.

Lord, we pray for Your goodness. We pray for the impartation directly from You, the shot of encouragement. We pray, Lord, that You would break us through to something new, break us out of the old season. We also pray, Lord, that You would impart Your love. Because love never fails. Love never fails!

See you next week.
